Does your farm have a Prem ID?

Register your Premise today – the future of Illinois' livestock industry is in your hands.

What is a Prem ID?

The Premises Identification Number Program is a database of locations where livestock are housed, raised, and produced. The free and confidential system is administered by Illinois Department of Agriculture Bureau of Animal Health & Welfare.

Why do I need to register my premise?

Each registered premise brings us one step closer to improved animal disease traceability and the ability to respond within 48 hours in the event of a disease outbreak or other animal emergencies.

Who needs a Prem ID?

- Fairgrounds
- Farms
- Feed Mills
- Processing Plants
- Truck Washes
- Veterinarian Clinics
- Zoos

How do I register or update my Prem ID?

Call the Illinois Department of Agriculture at 217-782-4944 or fill out the form online by visiting http://bit.ly/PremID2020
