Emerald Ash Borer Program

Firewood may contain insect or disease pests!
Help stop the spread of these destructive pests.

Buy Firewood Locally
Burn Firewood Locally!!!!

You can help save our environment by not moving firewood.
Keep firewood local; keep it in your immediate area or county.

It is a violation of Federal and State Law
to move firewood across the state line!

If you are camping, burn all of your firewood before
you leave the camp site.
