Re: Opposition to proposed micro hospital in Crystal Lake – CON Project # 17-002

Dear Ms. Olson:

I oppose the construction of a new hospital in Crystal Lake. There are already four hospitals in the area, providing wonderful quality care, a broad range of services, and excellent access. The construction of yet another hospital is not needed.

I recommend disapproving the application to build a new hospital in Crystal Lake.

Thank you for the opportunity to share my opinion.

Yours truly,

Faye Redmond
