Re: Opposition to the Mercy Hospital in Crystal Lake #17-002

Dear Mr. Constantino:

Please accept this letter to indicate my opposition to the Mercy Hospital in Crystal Lake. This additional hospital is not needed.

Our community has several hospitals and even more immediate care centers. We are privileged to have so many excellent medical institutions from which to choose. We really do not need an additional hospital, especially at a cost of eighty million dollars. Our community has more than adequate medical resources.

Please do not approve this project.

Sincerely Yours.

Dear Chairwoman Olson:

Regarding-<u>OPPOSITION to the Mercy Certicate of Need Applciation to Build a Hospital In Crystal Lake- 17-0002</u>

I am writing to express my ***OPPOSITION*** to the CON application #17-0002 to construct a hospital in Crystal Lake, Illinois. I am a long time resident of Cary, located next to Crystal Lake.

This hospital is not needed. Mercy has submitted an application for a hospital in Crystal Lake several times. The CON board has denied Mercy's application. The board should remain consistent. For many of the same reasons, the hospital is not needed in Crystal Lake. We already have several good medical institutions which serve our community well.

Regards,

Charlotte Dioguardi
