Re: Transformative Health Care of McHenry Project No. 18-016

I understand that there is a meeting coming up regarding plans for a new skilled nursing facility in nearby McHenry.

Please reconsider allowing additional Skilled Nursing Facility beds to open in McHenry County. I believe adding more beds will cause additional financial pressure on existing facilities, leading to the possibility of lay-offs and facility closures. I like my job at Fair Oaks Health Care Center in Crystal Lake. We work hard to take good care of our patients and I want to keep working here.

Thank you for your time.

Please reconsider allowing additional Skilled Nursing Facility beds to open in McHenry County. I believe adding more beds will cause additional financial pressure on existing facilities, leading to the possibility of lay-offs and facility closures. I like my job at Fair Oaks Health Care Center in Crystal Lake. We work hard to take good care of our patients and I want to keep working here.

Thank you for your time.
