RE: Effingham Medical Office Building #20-030

Dear Ms. Avery,

I am a Teutopolis resident in Effingham County and am writing to show my support for Sarah Bush Lincoln's new medical office in Effingham. The building would be a needed update to the current facility. Sarah Bush Lincoln already has a huge presence in the county. Their services are being used by many in our community and give our residents options for their medical service needs. The facility would improve the health needs of the area. Please look favorably on the project. It is a needed service for our community.

Thank you,

James E. Esker
