HEALTH FACILITIES & SERVICES REVIEW BOARD

August 7, 2018

Courtney R. Avery
Administrator
Illinois Health Facilities and Services Review Board
525 West Jefferson Street, Second Floor
Springfield, Illinois 62761

Dear Ms. Avery:

I write on behalf of Advocate South Suburban Hospital to offer my support for their proposed modernization of its surgical, cardiovascular, and endoscopy services.

The purpose of this project is to improve procedural service areas in a facilty that has not been updated in 45 years. For that reason, I fully support their plans for renovation. As a State Representative, it is important to me that my constituents are able to rely on quality high-level health care services at Advocate South Suburban Hospital. The majority of their current operating rooms do not meet minimum standards for size and there is no room to expand or update their equipment. This reconstruction is vital to Advocate South Suburban meeting the needs of patients and physicians in a modern health care setting.

Therefore, I respectfully request the Illinois Health Facilities and Services Review Board give full and fair consideation to the Certificate of Need application submitted by Advocate South Suburban Hospital. If you need additional information, please feel free to contact me at 708-799-7300.

Sincerely,

William Q. Davis
State Representative
30th District of Illinois
