Dear Chairwoman Olsen:

The University of Chicago Medical Center's (UCMC) acquisition of Ingalls Same Day Surgery Center closed on September 30, 2016, consistent with the terms in our COE application and the underlying member Substitution Agreement ("Agreement") dated June 30, 2016. As of September 30, 2016, the presidents of both Ingalls Health System and UCMC affirmed both that all of the conditions to closing in the Agreement had been satisfied, including the continued resolution of both Ingalls' and UCMC's Boards effectuate the transaction and the receipt of all necessary regulatory approvals and filings.

Very truly yours,

John R. Beberman
