CTP Cooperating Technical Partners

Lead for Disaster Resistance

This digital Flood Insurance Rate Map (FIRM) was produced through a unique cooperative partnership between DuPage County and the Federal Emergency Management Agency (FEMA). DuPage County has implemented a long term approach of floodplain management to decrease the costs associated with flooding. This is demonstrated by the County's commitment to map floodplain areas at the local level. As a part of this effort, DuPage County has joined in a Cooperating Technical Partner agreement with FEMA to produce this digital FIRM.
