HEALTH FACILITIES &
SERVICES REVIEW BOARD

Illinois Health Facilities and Services Review Board ("HFSRB")
c/o Ms. Courtney Avery, Administrator
525 W. Jefferson St., Second Floor
Springfield, IL 62761

August 23, 2019

Dear Ms. Avery:

As the State Representative of the 28th District and a long time resident of Blue Island, I am dedicated to saving our hospital. This facility has provided quality health care to generations of families, employed thousands of medical professionals and supporting staff, and continues to be an overall asset to Blue Island.

We were able to witness how the closing of MetroSouth would impact the lives of many during the Public Hearing that took place July 24th. Medical staff, first responders, patients, business owners, and residents all shared the important role MetroSouth has not only to themselves, but the entire community.

Please find enclosed the petitions containing the names of over 3,000 community members and various written testimonies to be considered for public comment.

Sincerely,

Robert A. Rita
State Representative
28th District

RECYCLED PAPER - SOYBEAN INKS

JOIN STATE REP. ROBERT "BOB" RITA'S FIGHT TO KEEP THE METROSOUTH MEDICAL CENTER OPEN

We, the undersigned, support state Rep. Robert "Bob" Rita's efforts to maintain access to care at the MetroSouth Medical Center in Blue Island. MetroSouth is a pivotal part of our community that employs over a thousand people, and plans to close the hospital would deny emergency medical treatment to our families. Rita believes quality health care access is essential to happy, healthy people, which is why he's fighting to keep MetroSouth Medical Center open.
