Re: Permit Renewal Request – Asbury Court Nursing and Rehabilitation (Proj. No. 14-022)

Dear Mr. Constantino:

I am writing on behalf of Des Plaines Property, LLC and Asbury Court Nursing and Rehabilitation, LLC (collectively, the "Permit Holders") to request a renewal of Project permit 14-022, Asbury Court Nursing and Rehabilitation. On August 27, 2014, the Illinois Health Facilities and Services Review Board ("Board") approved the Permit Holders' application to establish a 71-bed general long-term care facility to be located at 1750 Elmhurst Road, Des Plaines, Illinois (the "Project"). Due to delays in licensure survey, the Permit Holders respectfully request a six month renewal of the Project permit and a new project completion date of January 31, 2019.

1. Requested Project Completion Date

The Permit Holders request the Board grant a six month renewal of the Project permit and establish January 31, 2019 as the new project completion date.

2. Status of the Project

Construction is complete and the facility is currently awaiting licensure survey. Based upon prior past experience, the Permit Holders anticipate licensure could take an additional three to six months.
