AMERICAN CANCER SOCIETY

Saving Lives and Building Hope in Illinois

Your gift to the American Cancer Society is even more critical this year as cancer patients seek our help in record numbers. Here's how your donation can make a difference right now:

- \$15** pays for a cancer information kit to help a patient track doctor appointments and organize medical, prescription and financial records.
- \$40** provides transportation to and from treatment for a patient in need.
- \$50** covers a prescription for pain and nausea medication for someone who otherwise would go without.
- \$100** removes barriers to quality care for a disadvantaged patient by giving them access to private counseling and case management services provided by a Society social worker.

The American Cancer Society saves lives and creates more birthdays by helping everyone ...

Stay Well.

We help you take steps to prevent cancer – or find it at its earliest, most treatable stages.

Every year, thousands of Illinoisans learn how to

prevent cancer through Society programs held in workplaces, hospitals, schools and communities.

Get Well.

If you have cancer, we're in your corner 24/7. Cancer patients and their families can receive free support services at more than 70 locations

statewide, and our cancer specialists are there for everyone day and night at 1.800.227.2345.

Find Cures.

We support research that helps us better understand, prevent and cure cancer.

Right now we're funding over \$23 million in active research grants in

Illinois, working toward the next lifesaving breakthrough.

Fight Back.

We rally communities across Illinois to join in the cancer fight. Events like Relay For Life® and Making Strides Against Breast Cancer® keep our

mission moving forward. We also work in Springfield and Washington, D.C. to make sure the voices of those with cancer are heard by lawmakers.
