Dear Ms. Avery,

I would like to express my support for Meadowbrook Manor's application for a Certificate of Need to establish a 150 bed long-term care skilled nursing facility to be located north of Keslinger Road and west of Randall Road in Geneva, Kane County, Illinois.

I believe that Meadowbrook Manor is very important to the Geneva area. This project will not only provide progressive services such as dementia care, dialysis and several types of therapy to the senior population, but it will also bring new jobs to the community.

Geographically, the location will be ideal for some of the elderly who live in the area of St. Charles, Geneva, Batavia and the northern area. With excellent proximity to Delnor Hospital, this project will provide outstanding services to residents of this community. I believe that the new Meadowbrook Manor in Geneva will follow in the footsteps of its sister facilities in providing the utmost supportive and compassionate care for their clients.

Thank you so much for considering Meadowbrook Manor and I wish them all the best and offer our support in their endeavor.

My best,

Kevin R. Burns, Mayor
