Dear Mr. Ourth:

On September 13, 2016, the Illinois Health Facilities and Services Review Board/The Chair (State Board) approved your request for a Change of Ownership Exemption (Exemption). This approval was based upon the application's compliance with applicable provisions of 77 Ill. Adm. Code 1130.520.

The exemption is for Ingalls Same Day Surgery Center, Ltd. Tinley Park, Illinois.

The entity to be licensed is Ingalls Same Day Surgery Center, Ltd..

The exemption involves change in membership or sponsorship of a not-for-profit corporation that is the licensed entity. The acquisition price value is $ 0.

If applicable, within 90 days of the closing date of the transaction, the exemption holder must certify that it did or did not complete the transaction according to the key terms detailed in the application. If any of the key terms of the transaction changed, a new application will be required. Exemption holders who submitted the final transaction document along with their application merely need to notify the State Board of the date the ownership changed.

Please be advised that the Exemption is not transferable or assignable and that the State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable prior to this acquisition. Should the facility for which the Exemption was granted cease to be an existing health care facility as defined in 77 Ill. Adm. Code 1130.140, this exemption will be invalid.

Please contact State Board staff at 217-782-3516 with any questions.

Sincerely,

Kathy Olson
