**ILLINOIS STUDENT ASSISTANCE COMMISSION ANNOUNCES 2020-21 ILLINOIS STATE SCHOLARS  
More Than 17,577 High School Students from 726 Schools Recognized for Outstanding Academic  
Achievement**

CHICAGO – The [Illinois Student Assistance Commission](#) (ISAC) is pleased to announce the 2020-21\* Illinois State Scholars: outstanding high school seniors who are recognized for their superior academic achievement. Illinois State Scholars, who rank in approximately the top ten percent of graduates from Illinois high schools, are selected annually based on their ACT and SAT exams and sixth semester class rank. In this 61<sup>st</sup> year of the program, ISAC is celebrating all of our State Scholars with [two videos](https://bit.ly/2LftKqW) (<https://bit.ly/2LftKqW>) that highlight some of our exceptional Illinois students.

“On behalf of ISAC, we congratulate the 2020-21 Illinois States Scholars,” said Eric Zarnikow, executive director of ISAC. “In watching interviews with some of our State Scholars, I’m consistently impressed with the passion, focus, organization, and dedication of our State Scholars. It is a credit to these students--as well as to their support systems and to our schools--that so many of them are not only driven to achieve but also reflect a true love of learning and a desire to use their education to make the world a better place.”

Each Illinois State Scholar receives a congratulatory letter from ISAC, a Certificate of Achievement and statewide recognition in traditional and social media outlets. Honorees can download an official [Illinois State Scholar badge](#) that can be displayed on their online profiles and social media platforms and shared with high school counselors, prospective colleges, employers, family members and others. “A lot of colleges and universities take note of the fact that these students are State Scholars,” said Dennis Gutowski, College and Career Counselor at Thorndale High School in South Holland, Illinois. As a testament to their achievement in high school, Gutowski says, the State Scholar designation suggests that these students will also likely be successful in the colleges or universities they choose to attend.

ISAC encourages all students, including State Scholars, to complete their 2020-21 Free Application for Federal Student Aid (FAFSA®) as soon as possible. The FAFSA is used to determine a student’s eligibility for
