ALL CULTIVATION CENTERS IN ILLINOIS ARE NOW APPROVED TO GROW FOR ADULT USE

SPRINGFIELD, IL –The Illinois Department of Agriculture (IDOA) has now approved all 21 cultivation centers to grow cannabis for adult use. The department has approved the three outstanding cultivating licenses authorized under state law.

Bedford Grow, LLC in Bedford Park, ILGrown Medicine, LLC in Elk Grove Village and JG IL, LLC in Edgewood are now approved to grow cannabis for adult use, bringing the number of cultivation centers in Illinois to 21. Currently, only cultivation centers licensed to grow medical marijuana can apply for early approval adult-use growth. Social equity applicants will have additional opportunities to apply for cultivation center licenses in an upcoming phase.

In addition to Bedford Grow, LLC, ILGrown Medicine, LLC and JG IL, LLC 18 other cultivation centers have been licensed for adult-use growth include:

- Ataraxia- Albion
- Compass Ventures, Inc.- Litchfield
- Cresco Labs, LLC- Joliet
- Cresco Labs, LLC- Kankakee
