### **Nursing Home Violations for Fourth Quarter 2019**

**SPRINGFIELD** – The Illinois Department of Public Health (IDPH) today announced the 2019 [Fourth Quarterly Report of Nursing Home Violators](#) is now posted on IDPH’s website. The report contains additional information about the violations.

The facilities listed below were cited with type “AA” or “A” violations of the Nursing Home Care Act and processed between October-December 2019. An “AA” violation is cited when there is a condition or occurrence at the facility that proximately caused a resident’s death. An “A” violation pertains to a condition in which there is a substantial probability that death or serious mental or physical harm will result, or has resulted.

**The following facility was cited for an “AA” violation.**

[Aperion Care Forest Park](#), a 232-bed skilled care facility located at 8200 West Roosevelt Road in Forest Park, was fined \$50,000 for failure to monitor a cognitively impaired resident known to try to leave the facility unescorted by staff and check the resident’s electronic monitoring device, resulting in the resident leaving the facility unaccompanied.

**The following facilities were cited with “A” violations.**

[Addolaorata Villa](#), a 141-bed skilled, intermediate, and shelter care facility located at 555 McHenry Road in Wheeling, was fined \$25,000 for failure to provide adequate staff to reposition a resident needing help moving in bed.

[Alden Estates of Northmoor](#), a 198-bed skilled care facility located at 5831 North Northwest Highway in Chicago, was fined \$25,000 for failure to protect a resident from sexual assault by an employee.

[Aperion Care Bradley](#), a 120-bed skilled and intermediate care facility located at 650 North Kenzie in Bradley, was fined \$25,000 for failure to assess and treat a pressure wound for a resident.

[Aperion Care Jacksonville](#), a 113-bed skilled care facility located at 1021 North Church Street in Jacksonville, was fined \$25,000 for failure to provide supervision and implement intervention for a resident in order to prevent multiple falls.
