Illinois Department of Insurance announces the start of ACA Marketplace Open Enrollment

Illinois consumers can go to getcovered.illinois.gov for enrollment and financial help

The Illinois Department of Insurance (IDOI) recommends consumers begin their search at getcoveredillinois.gov to find accurate information to help compare health plans, get free enrollment help and even financial assistance (if they qualify).

“This year Illinoisans have even more plans to choose from with 179 plans offered by eight carriers,” said IDOI Director Robert Muriel. “We want consumers who need health insurance coverage to know that help is available. Last year more than 240-thousand people in our state received premium tax credits to reduce their monthly premium payments.”

GCI Executive Director Laura Pellikan said that according to last year’s enrollment numbers, once the tax credit was applied, the average monthly premium payment for Illinois consumers with an individual plan was about \$153.00. “Any savings on monthly health insurance premiums is significant to families struggling to pay for healthcare costs during the pandemic,” said Pellikan. “We recommend that Illinoisans visit getcoveredillinois.gov to find information about financial help and to see if they qualify.” <https://getcoveredillinois.gov/financialhelp>
