

SOUTHERN COOK COUNTY PROJECTS June 2021

ONGOING PROJECTS

- A** **STEGER ROAD OVER I-57**
Scope: New bridge deck installation.
Project Cost: \$2.6M
Project Duration: Summer 2021–Fall 2021
Traffic Impacts: Full detour required. Eastbound traffic will be detoured to travel north along Ridgeland Avenue, east along Sauk Trail and south along Cicero Avenue. The westbound traffic east of the project will utilize northbound Cicero Avenue, then westbound Sauk Trail and southbound Ridgeland Avenue.
- B** **GLENWOOD-DYER RD. FROM STONY ISLAND AVENUE TO IL 83 (TORRENCE AVE.)**
Scope: Widening, traffic signal modernization, ADA improvements.
Project Cost: \$4.24M
Project Duration: Summer 2021–Fall 2022
Traffic Impacts: One lane of traffic maintained in each direction throughout construction.
- C** **DIXIE HIGHWAY – 183RD STREET TO ILLINOIS 1**
Scope: Design overlay, ADA improvements.
Project Cost: \$4.53M
Project Duration: Spring 2021–Fall 2021
Traffic Impacts: Daily lane closures.
- D** **ILLINOIS 394 – NORTH OF 186TH STREET TO SOUTH OF JOE ORR ROAD**
Scope: Resurfacing.
Project Cost: \$3.77M
Project Duration: Spring 2021–Summer 2021
Traffic Impacts: Daily lane closures.
- E** **ILLINOIS 43 – 111TH STREET TO U.S. 6**
Scope: Resurfacing.
Project Cost: \$5.4M
Project Duration: Spring 2021–Fall 2021
Traffic Impacts: Daily lane closures.

UPCOMING PROJECTS

- F** **ILLINOIS 83/127TH STREET – AT TINLEY CREEK**
Scope: Bridge replacement, dedicated right turn lanes, intersection improvement, resurfacing, ADA improvements.
Project Cost: \$6.49M
Project Duration: Fall 2021–Fall 2022
Traffic Impacts: Staged construction with daily lane closures. Traffic will be maintained in one direction. Temporary traffic signals, construction signing and lane closures will facilitate existing traffic. Left-turn detours will be provided.
