## Lanes reopening where possible for Labor Day travel

*Non-emergency closures suspended; motorists should still expect work zones*

**SPRINGFIELD** – The Illinois Department of Transportation announced today that lanes that have been closed for construction will reopen, where possible, for the Labor Day holiday to minimize travel disruption.

Non-emergency closures will be suspended from 3 p.m. Friday, Sept. 2, to 11:59 p.m. Monday, Sept. 5.

The following lane closures will remain in place during the holiday weekend. Motorists can expect delays and should allow extra time for trips through these areas. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and stay alert for workers and equipment. At all times, please buckle-up and drive sober.

### District 1

City of Chicago

#### White County

- U.S. 45 in Enfield; lane reductions continue, with traffic controlled by temporary signals.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.

Over the next six years, IDOT is planning to improve more than 2,500 miles of highway and nearly 10 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. Accomplishments through Year Three of Rebuild Illinois included approximately \$8.6 billion of improvements statewide on 4,422 miles of highway, 412 bridges and 621 additional safety improvements.

Visit <https://idot.click/Rebuild-Illinois> for information on Rebuild Illinois projects happening throughout the state.
