REVISED with updated training date: Application period for local park development grants opens July 1

Deadline to apply for an OSLAD grant is Sept. 13

SPRINGFIELD - The Illinois Department of Natural Resources (IDNR) will accept applications for the next round of Open Space Land Acquisition and Development (OSLAD) grants between July 1 through Sept. 13, closing at 5 p.m.

[OSLAD](#) is a matching program that provides an advance payment (for development projects only) of 50% of the grant award amount shortly after the grant agreement is executed. The local agency must demonstrate and possess the ability to finance the remaining cost of an approved project prior to receipt of remaining grant funds. The program offers state-financed funding assistance to local governmental agencies for acquisition and/or development of land for public parks and outdoor recreation areas.

A total of **\$54 million** is available for this round of OSLAD grants. In addition, IDNR will once again will provide funding to cover 100% of eligible projects located in economically distressed communities. In the most recent round of OSLAD awards announced in January, 32 underserved locations received grants for local park projects. Go online for a [list of communities](#) that are considered economically distressed.

"I encourage any community that is considering a park development or improvement project to apply for an OSLAD grant. Parks and green spaces are the heart of our neighborhoods and communities," **said IDNR Director Natalie Phelps Finnie**. "Everyone belongs in nature. An investment in the outdoors is an investment in the health and well-being of the people of Illinois."

Established by the Illinois General Assembly in 1986, OSLAD is a cost-sharing program between state and local governments that has become one of the most popular grant programs in Illinois. Since it was established, OSLAD has awarded more than \$585 million for park projects throughout Illinois. The program is funded through a percentage of Illinois' Real Estate Transfer Tax.

The application period opens July 1, and applications must be submitted by 5 p.m. Sept. 13, 2024. Prior to applying for a grant, entities must be registered and current in the state's [Grant Accountability and Transparency Act](#) grantee portal. All applications will be accepted online in the [Amplifund portal](#).
