Darby Anderson

Executive Vice President/Chief Development Officer, Addus HomeCare, Inc.

Mr. Anderson is in his twentieth year managing and developing In-Home Personal Care business for Addus which operates in 24 states, through 114 locations and serves over 34,000 consumers. Darby has twenty-seven years of experience in operations and business development of home care and home health services, running operations in excess of \$400M in annual revenue. Mr. Anderson has been appointed or elected to board and advisory committee positions in multiple states through state administrations or trade associations, including currently serving as Vice Chairman of the Medicaid Partnership for Home Based Care.

Kelly Cunningham

Deputy Administrator for Long Term Care and Behavioral Health, Illinois Department of Healthcare and Family Services

Kelly Cunningham currently serves as a Deputy Administrator for Long Term Care and Behavioral Health within the Division of Medical Programs of the Illinois Department of Healthcare and Family Services. Ms. Cunningham has responsibility for overseeing the development of policy and programs related to Illinois' system of institutional and community-based long-term services and supports, long term care rebalancing and implementation of children's and adult behavioral health services under the Medicaid program. Ms. Cunningham holds a Bachelor's degree in Political Science from Blackburn College and a Master's Degree in Public Administration from the University of Illinois at Urbana-Champaign. During her 32 years of working in Illinois state government, she has held executive-level positions within the Bureau of the Budget, Office of the Governor, Illinois Guardianship and Advocacy Commission, Illinois Department on Aging and the Illinois Department of Public Health prior to joining Healthcare and Family Services in 2005.

Marla Fronczak

Executive Director of the Northeastern Illinois Area Agency on Aging.

She has a Bachelor of Science degree from Northern Illinois University and a Master of Science in Nonprofit Management from Spertus Institute. She joined the agency's staff in 2010, and prior to her tenure as Executive Director she managed the Community Planning Division. As Planning Manager, she has been responsible for developing and implementing the agency's Area Plan, coordinating and overseeing the network of agencies that provide senior services through its eight-county planning and service area, and managing services that the agency provides directly. She had previously been a Long-Term Care Ombudsman for the DuPage County Department of Community Services and was also certified as an Adult Protective Services Caseworker by the Illinois Department on Aging. Ms. Fronczak continues to work with the Illinois Department on Aging (IDoA) and the Illinois Association of Area Agencies on Aging (I4A) in fostering partnerships with Managed Care Organizations (MCOs) to assist Medicaid clients in accessing Older Americans Act funded services and to advocate to ensure these clients receive the services they need to remain safe and independent in their community. She currently resides in Campton Hills, Kane County, with her husband. She is a team captain for the Fox Valley Walk to End Alzheimer's.

Lori Hendren

Associate State Director, Advocacy & Outreach

Lori brings fourteen years of experience in governmental affairs, legislative research and communications to her new position with AARP. She currently serves as the Associate State Director for AARP in Illinois specializing in home-and-community based services with outreach/engagement in central Illinois. As Deputy Director of Policy for the Illinois House Republicans, she worked on the House floor advising lawmakers on voting strategies and the legislative process, while advocating and advancing new members' legislation. Prior, she served as Communications Floor Leader and Senior Communications Analyst where she drafted members' communications needs and organized district outreach events. She joined the House Republicans in 2002 as a Research and Appropriations Analyst through the Illinois Legislative Staff Internship Program. She was the lead staffer on the Higher Education, Appropriations-Higher Education and Consumer Protection Committees, while assisting on the Civil Law Committee. Lori began her career in public service as a District Legislative Assistant and campaign aide to former State Senator Brad Burzynski of Sycamore, Illinois. She also served as a Graduate Public Service Intern with the Illinois Department of Transportation. She earned a bachelor's degree in Criminal Justice from Truman State University and a master's in public administration from the University of Illinois at Springfield. While earning her undergraduate degree, Lori studied art history at Reynolda House Museum of American Art in connection with Wake Forest University, as well as interned with the Illinois State Police. Lori resides in Springfield with her husband and two daughters.

Anne Irving

Director of Public Policy with the American Federation of State, County and Municipal Employees Council 31

Anne is the Director of Public Policy with the American Federation of State, County and Municipal Employees Council 31, a position she has held since 1996. AFSCME Council 31 represents 75,000 workers: those employed by state, county and municipal governments, as well as private sector employees providing public services. This diverse membership requires Anne to have expertise in many issue areas, including criminal justice and corrections, disabilities and mental health, child welfare, public benefits, workforce development, and privatization. Over the years, Anne has represented AFSCME on many government advisory boards and transition teams, including the Illinois Workforce Investment Board, the Statewide Advisory Council on Developmental Disabilities and the Child Welfare Education and Training Advisory Committee. She is currently a member of the Illinois Mental Health Planning and Advisory Council. Prior to her employment with AFSCME, Anne was the executive director of the Chicago Recycling Coalition and an organizer with the Citizens Utility Board. She also served in the U.S. Peace Corps, in West Africa. She is a Phi Beta Kappa graduate of the University of Illinois at Urbana-Champaign.

Marsha Johnson

Director of Case Coordination Unit Services, Community Care Systems, Inc.

Marsha Johnson is the Director of the Case Coordination Units (CCU) for Community Care Systems, Inc. She received both a Bachelor's degree in Sociology and Master's Degree in Urban Studies from Washington University in St. Louis. She has been involved in the aging field since her move to Illinois in 1991. She started as a Title V counselor for Senior Services of Central Illinois and then moved into the Director of CCU services in 1992. In October of 1998, she moved into her current role with Community Care Systems, Inc. Since then she has expanded its CCUs from McLean County to eight areas in the State of Illinois and from rural Clark County to Chicago's sub areas 5 and 6. She has earned certificates in gerontology and ADS management. She is also a certified information and referral specialist for aging and disability (CRIS-A/D). In addition, she is a master trainer for Healthy IDEAS which is an evidenced-based program that integrates depression awareness and management into existing care management services. She is a member of the National AIRS, Illinois AIRS, Coordinated Care Alliance, Illinois Council of Case Coordination Units and the Illinois Long Term Care Council. In her spare time, Marsha volunteers with Boy Scout Troop 48 and travels with family and friends. Marsha currently resides in Chatham, IL.

Dave Lowitzki

Lowitzki Consulting

Dave Lowitzki is the owner of Lowitzki Consulting a full-service government relations firm, providing lobbying and consulting services on legislative, policy, budget, and political issues and campaigns. Previous to starting his own firm, he spent eight years leading the policy and legislative work for SEIU Healthcare Illinois Indiana. He has helped advocate and organize around numerous budget and policy issues, including the tax increase campaign in 2010-2011, Medicaid expansion, minimum wage, marriage equality, the abolition of the death penalty, the Secure Choice Act, and individual state programs such as the Child Care Assistance Program, the Home Services Program, and the Community Care Program.

Gabriela Moroney

System Transformation Administrator at the Illinois Department of Human Services (DHS)

In this role, she serves as the primary liaison between the Secretary's Office and the Department of Healthcare and Family Services (HFS) on matters of Medicaid policy, procedure, and special initiatives. Prior to joining DHS, Gabriela worked at HFS for five years on Affordable Care Act implementation and as a senior advisor to the Administrator of Medical Programs. Gabriela has a master's degree in social service administration from the University of Chicago and more than two decades of experience working to improve the health and human services safety net in Illinois.

David S. Olsen

Director of State Affairs at the Alzheimer's Association Illinois Chapter

In this role, he advocates for policies that align with the mission of the Association, "to eliminate Alzheimer's disease through the advancement of research; to provide and enhance care and support for all that are affected; and to reduce the risk of dementia through promotion of brain health". David also has experience in serving as a State Representative and has worked collaboratively with the Department on Aging to advance public policy to effectively serve older adults.
