Department on Aging Hosts Activities for Seniors and Their Families During the Illinois State Fair

August 17 is “Senior Day” – Admission is free for guests age 60 years & older

SPRINGFIELD – August 3, 2015. Illinois Department on Aging (IDoA) will host activities for seniors and their families during the Illinois State Fair, August 13-23, in Springfield. IDoA will have a lineup of special events in the air conditioned setting of the Illinois Building located near the fairground main gate. Monday, August 17 is *Senior Day* when attendees 60 years of age and older are admitted free to the fair.

“We look forward to another year of hosting fun activities during the state fair. Our staff and partner agencies do a great job of keeping everyone engaged while offering information about programs and services for older adults and their families,” said IDoA Acting Director, Jennifer Reif.

Some state fair *Senior Day* favorites include the “NOT SO Newlywed Game” where couples, age 50 years and older, test how much they really know about their spouse. Later, IDoA will host the Illinois Senior Spelling Bee State Finals. Seniors who won regional competitions held across the state will correctly spell words until judges crown a spelling bee champion. And families are encouraged to pre-register for the “Grandparent Grandchild Contest”, when (on August 20) participants are judged on resemblance, costumes, talent, and interviews. To pre-register, call (217) 785-3390
