Disclaimer

The Construction-Related Statute and Rules Directory is a compilation of requirements governing construction within the State of Illinois.

The Directory is comprehensive but statutes and rules are frequently added and revised. While updated frequently the Directory is only as current as the information available on the date of its publication. It is the user's responsibility to ensure that the information is accurate.

The Capital Development Board, Division of Building Codes & Regulations provides this information but does not provide any legal interpretation. Click the link below each entry to read the statute or rule text on the Illinois General Assembly website. Users should consult the appropriate agency responsible for the statute and/or rule or their own legal counsel for interpretation.

In addition to statutes and rules, local jurisdiction requirements may apply to a construction project. Use the link below to find a list of local code requirements and officials listed by both municipality and county. www.cdb.state.il.us/forms/download/Code%20Directory.xlsx
