Illinois Fire Prevention and Safety Rules Amendments

41 Ill. Adm. Code 100

The adopted amendments update the referenced NFPA 101 Life Safety Code from the 2000 edition to the 2015 edition, with additional modifications.

The rulemaking also deletes the previous requirements found in 41 Ill. Adm. Code 100.7 pertaining to permanently moored vessels as those rules are being simultaneously relocated, creating new rule Part 149.
