- The meeting was called to order at 1:02 p.m.
- Roll call of Subcommittee members was taken.
- Introductory remarks were made by Lisa Hennigh.
- A motion was made by John Meek to approve the meeting minutes from the September 2, 2021 subcommittee meeting. George Patterson seconded. The motion passed.
- General remarks were made by Kevin Roth.

- Mark Lyles from the New Buildings Institute, a proponent for amendment C04-01 which adds a code section for dedicated outdoor air systems, provided comment. A discussion followed. Don Plass made a motion to not recommend C04-01 to the full Council. John Meek seconded. A roll call vote was taken. The motion passed 6-0.
- Diana Burk from the New Buildings Institute, the proponent of amendment proposal C02-01 which adds a section covering demand response control, provided comment. A discussion followed. John Meek made a motion to table this amendment with the understanding that the proponent would revise the proposal to make this section optional, not mandatory. When the revised proposal is received the subcommittee will take up the discussion again. The motion was seconded by Don Plass. A roll call vote was taken. The motion passed with a 6-0 vote.
- Diana Burk from the New Buildings Institute, the proponent of amendment proposal C05-01 which adds electric vehicle charging infrastructure, provided comment. A discussion followed. John Meek made a motion to not recommend this proposed amendment to the full Council. The motion was seconded by Don Plass. A roll call vote was taken. The motion passed with a 6-0 vote.
- Motion for adjournment was made by Kevin Roth and seconded by Don Plass. The motion passed.
- Meeting adjourned at 2:36 p.m.
