CHIEF PROCUREMENT OFFICER FOR CAPITAL DEVELOPMENT BOARD

NOTICE OF PUBLIC INFORMATION

NOTICE OF CAMPAIGN CONTRIBUTION VIOLATION OF PROCUREMENT CODE

1. Statutory Authority: Section 50-37 of the Illinois Procurement Code, 30 ILCS 500/50-37, prohibits business entities with contracts and solicitations worth in excess of \$50,000 in combined annual value pending with a given officeholder responsible for awarding the contracts from making campaign contributions to campaign committees established to promote the candidacy of the officeholder or any other declared candidate for that office. The prohibition also extends to contributions made by various affiliated persons and businesses of a business entity that is subject to the prohibition. Section 50-37 requires that notice of violation of the prohibition and the penalty imposed is to be published in the Illinois Register.
2. Name of Contributor: James W. Roth, Vice President, Hurst-Roche, Inc. and Design Architects, Inc.
3. Date of Violation: March 18, 2014
4. Description of Violation: James W. Roth, an affiliated person of the business entities Hurst-Roche Engineers, Inc. and Design Architects, Inc., made a contribution of \$1,000.00 to Taxpayers for Quinn, a campaign committee established to support the election of Patrick Quinn to Governor. At the time of the contribution, Patrick Quinn was the governor and was a declared candidate for re-election to the office of Governor, and both Hurst-Roche Engineers, Inc. and Design Architects, Inc. had in place active contracts with the State, the total annual combined value of which was in excess of \$50,000 for each entity.
5. Summary of Action Taken by the Agency: Section 50-37 provides that State contracts with a business entity that violates the campaign contribution prohibition are voidable at the discretion of the chief procurement officer. The Chief Procurement Officer for the Capital Development Board has notified the entities of the apparent violation, reviewed responsive material provided by their counsel, and has considered the value, status, and necessity of the contracts. In addition, the Chief Procurement Officer has taken into consideration the recognition by the entities of the violation and their understanding of the necessity to avoid such situations in the future. The Chief Procurement Officer finds that voiding affected contracts, bids or proposals would not be in the best interest of the State.

As required by Section 50-37(e) of the Procurement Code, Taxpayers for Quinn, is required to pay to the State an amount equal to the value of the contribution within 30 days of the publication of this notice.
