PROFESSIONAL SERVICES BULLETIN
GENERAL INFORMATION

The procurement of design services by the Capital Development Board (CDB) is governed by the Illinois Compiled Statutes, 30ILCS 535, Architectural, Engineering, and Land Surveying Qualifications Based Selection Act.

This Bulletin is the advertisement to procure design services whose official notification is made via CDB’s website, www.cdb.state.il.us.

Listed below are important guidelines, instructions and general information. Please read the following information carefully.

Unless otherwise specified, submittal(s) are to be sent to:

Qualifications Based Selection (QBS) Committee
Capital Development Board
3rd Floor, William G. Stratton Building
401 South Spring Street
Springfield, IL 62706

CDB is not responsible for submittal(s) sent to any individual within CDB or to another office.

SPECIAL NOTICE: This bulletin may contain projects that Governor Blagojevich has deemed to be particularly important to the local economy. Because of the impact these projects will have in creating jobs and making the region more attractive to businesses, CDB will rigorously enforce the project schedules. Please keep this in mind when submitting on economic development projects, which are designated in the bulletin descriptions.

SUBMITTAL REQUIREMENTS:

● In accordance with 44 Illinois Administrative Code 980.130:
  
  a) All A/Es submitting statements of qualifications for a project shall be prequalified with CDB prior to the date and time that the submittal(s) are due. Failure to be prequalified will result in rejection of the submittal(s).

  b) Consultants that will be performing architectural, engineering or land surveying professional services for the Prime A/E submitting the 255 form shall be prequalified with CDB prior to the date and time that the submittal(s) are due. Failure of the professional consultants to be prequalified shall result in rejection of the Prime A/E’s submittal(s).
PREQUALIFICATION:

- What type of firm needs to be prequalified with CDB? **Any firm providing Architectural, Engineering, Asbestos Abatement design services or Land Surveying.**

- To verify that all design firms (Prime and/or Consultants) are currently prequalified with CDB, please access CDB's website, [http://www.cdb.state.il.us/forms/download/arch.pdf](http://www.cdb.state.il.us/forms/download/arch.pdf).

- To obtain prequalification forms you may access CDB’s website, [http://www.cdb.state.il.us/forms/download/AEprequal.doc](http://www.cdb.state.il.us/forms/download/AEprequal.doc) or contact Jim Dautel at 217/782-1383.

- CDB requires within its prequalification process that all firms obtain Illinois Department of Human Rights eligibility number.

- Please notify Jim Dautel within ten (10) days of any significant changes in the information provided in your firm's prequalification application form.

- If selected, CDB prequalification is required until the issuance of the contract. It is the responsibility of all firms to maintain a current CDB prequalification status.

- Corporations, LLPs and LLCs shall be in good standing with the Illinois Secretary of State, Corporation Division, to be granted prequalification and issued a contract.

- Firms must be properly licensed in the respective profession(s) with the Department of Professional Regulation and the Department of Public Health.

SUBMITTAL PROCEDURES:

- **NEW!** You are now able to access the 255 form located at CDB’s website, [http://www.cdb.state.il.us/forms/download/255form-03.doc](http://www.cdb.state.il.us/forms/download/255form-03.doc). A copy of this form will no longer be included in this publication. Use **only this version** of the form for submittal.

- **One (1) original and three (3) copies of the CDB 255 form are required per each project submittal.**

- By making a submittal, the firm attests that it has read the certifications and disclosures required by the Professional Services Agreement (PSA) and the A/E Manual.

- In order that all submittal(s) are similar, **do not include any pictures or other graphics.** This form is not to be a marketing brochure. Provide only the information requested. It is not necessary to submit a copy of your CDB prequalification letter.

- Cover/transmittal letters on the CDB 255 form or accordion binders will not be accepted. The CDB 255 form is the only information accepted as the submittal.

- Use staples to bind the CDB 255 form.

- The name of the firm making the submittal must be the legal name associated with the
taxpayer's identification number and as provided on that firm's prequalification application.

- The firm making the submittal must be the office location where the work is being performed.
- The original submittal must contain the signature of the firm's president, vice president, partner or sole owner or any other person authorized to execute business for the firm.
- Submittal(s) for more than one project may be mailed or packaged together. Separate envelopes are not required.
- The submittal shall include the names of persons who will perform the services, including their project assignment or duties, as well as a resume of their experience and expertise that qualifies them to perform the assignment. This includes the listed Consultant's designated staff.
- The A/E shall clearly indicate the anticipated percentage of the services that will be performed by each listed Consultant.
- The Prime A/E must use the Consultants and staff as submitted in their CDB 255 form. Consultants are considered first tier and shall hold a contract directly with the firm submitting the 255 form.
- Project team changes will not be allowed without prior written approval of the Capital Development Board Executive Director.
- Faxed submittal(s) will not be accepted.
- Submittal(s) received on the designated date at or prior to 11:00 a.m. (CST) deadline will be given consideration.

REJECTIONS WILL OCCUR FOR THE FOLLOWING REASONS:

- Submittals received after the designated due date and time as state on the Professional Services Bulletin.
- Including pictures or any graphics.
- Failure of the Prime A/E firm to be prequalified will result in rejection of the submittal(s).
- Failure of the Consultants (providing regulated design services) to be prequalified will result in rejection of the Prime A/E's submittal(s).
- If a firm's or their Consultant's prequalification expires during the selection process, CDB reserves the right to remove the submittal from consideration, recommend another firm for final selection or cease negotiations of a contract and commence negotiations with another firm.
- Any incorrect, incomplete or misleading information given on the CDB 255 form may result in the rejection of a submittal. Please be sure to have the information completed in its entirety.
- Failure to sign the 255 submittal(s).
**SELECTION PROCESS:**

- Selection of design firms by CDB is not based on competitive bidding but on the firm's professional qualifications. Consideration criteria may include, but not limited to: experience and expertise of professional personnel assigned to the project, relevant project experience, prior performance, willingness to meet time requirements, proximity to site, workload/recent selections, minority/female business enterprise participation.

- CDB strongly encourages MBE/FBE firms to apply for selection as the Prime A/E and to seek participation as a Consultant with Prime A/E firms.

- Subsequent to 255 submittal deadline, members of the A/E Selection Committee are not available to discuss project specifics. CDB procedures ensure that all members of the committee are provided with detailed information concerning prior performance, current projects and all submittal information by the A/E firms.

- For interview level projects, all parties, including **ALL CONSULTANTS**, shall be available to participate in the interview process.

- Results of the selection process are available on CDB's website ([www.cdb.state.il.us](http://www.cdb.state.il.us)) the day after the Board Meeting as designated on the respective bulletin cover.

**FEE NEGOTIATION:**

- To ensure that the completion of the project is not delayed by extended or long negotiations before the start of the contract work, the CDB representative negotiating the contract will state the length of time the firm will be limited to in preparing its estimate of effort and cost. Should CDB be unable to successfully negotiate a contract with the recommended A/E, CDB will immediately proceed to negotiate with the second ranked firm.

- The determination of compensation for the performance of basic services is through negotiation of fees and services with CDB based on the following criteria:

  1. The project type classification.
  2. The scope of basic services required to complete the agreed upon project scope.
  3. The degree of difficulty of the scope of basic services' tasks as applied to the particular project.
  4. The proposed project construction budget. (Used primarily as a benchmark reference.)

- Projects shall be classified as either new construction (N) or remodeling (R). Each classification is broken down into three levels of complexity as described below:

  **Group I**  Generally, the most complex projects in both design and detail and shall involve complex programs, mechanical systems, code requirements, etc.

  **Group II**  Generally, projects with normal or average complexity may include a combination of more and less complex elements in the scope.

  **Group III**  Generally, these projects shall be of simple or repetitive construction without any great degree of special finish or design effort. May include projects where equipment purchases comprise a large portion of the construction budget.
ANNOUNCEMENT

The Capital Development Board (CDB) is contemplating engaging a construction management firm on the new Student Services and Parking Facility at Truman College in Chicago. Truman College is one of the seven City Colleges of Chicago and is located at 1145 West Wilson Avenue. This new facility will be approximately 75,000 gross square feet with a total estimated project budget of $39.9 million dollars.

The construction management firm would perform scheduling duties including CPM preparation and progress reporting. The firm will also be required to do cost estimating, recommend alternative construction methods and cost saving opportunities, as well as budget control administration. During construction, document control for requests for information, change orders, etc. will be part of the services required.

This firm will provide many of the coordinating contractor duties as defined in CDB’s Standard Documents for Construction dated January 2006. This document is available on CDB’s website in the Reference Library, http://www.cdb.state.il.us/CDBWEB.nsf/forms?OpenForm.

CDB anticipates the Requests for Proposals will be advertised in the July 2006 publication of the Professional Services Bulletin. This RFP will more fully describe the scope of services for the construction manager, the method for submitting general qualifications for prequalification, and the requirements for consideration for the Truman College Student Services facility.

For more information concerning the procurement of these services see Public Act 094-0532, http://www.ilga.gov/legislation/publicacts/fulltext.asp?Name=094-0532&GA=094.
CDB PROJECT NO.  321-030-148
Department of Human Services
Upgrade Absorbers, Control & Valves
Chicago-Read Mental Health Center - Cook County

CDB PROJECT MANAGER:  John Price

APPROPRIATED AMOUNT:  $398,000
ESTIMATED TOTAL PROJECT COST:  $398,000

PROFESSIONAL LIABILITY INSURANCE REQUIRED:  $100,000

PROJECT FEE CLASSIFICATION:  Group II R

The Chicago-Read Mental Health Center is a 308,000 square foot, 13 building facility constructed in 1965.

The scope of work provides for upgrading the absorbers, controls and valves including replacing the chiller tube bundles, valves, hot water converter, steam traps, and some electrical controls. The scope of work also includes funding for the abatement of asbestos containing materials.

The selected firm will be notified of the time and place for the orientation meeting by the contract executive or the project manager. The meeting shall be attended by the firm’s project manager, consultants and a person authorized to make scheduling and financial commitments for the firm.

ALL SUBMITTING FIRMS SHOULD INCLUDE ON THEIR TEAMS STAFF AND/OR CONSULTANTS WITH THE NECESSARY EXPERTISE TO PERFORM THE SCOPE OF SERVICES.
The Armed Forces Reserve Center will be located on a 23-acre parcel of land west of I-57 and north of IL-15 in the Mt. Vernon Industrial Park.

The scope of work provides for constructing an approximately 73,850 square foot Armed Forces Reserve Center including maintenance bays, administrative space, classrooms, simulation rooms, support storage areas, assembly hall, kitchen, physical fitness room, and locker rooms. The scope of work also provides for constructing an approximately 2,100 square foot unheated metal storage building and site improvements, including constructing a 6,075 square yard secured military vehicle parking lot with an access drive, and a 12,016 public parking lot with associated site lighting and landscaping.
Camp Lincoln is a 554,777 square foot, 52 building military facility constructed in 1903.

The scope of work provides for constructing an approximately 3,200 square yard concrete access road and vehicle inspection area including entrance and exit lanes, an electric gate, security lighting, fencing, camera stations, and traffic control devices. The scope of work also provides for constructing canopy inspection areas and concrete protection barriers.

The selected firm will be notified of the time and place for the orientation meeting by the contract executive or the project manager. The meeting shall be attended by the firm’s project manager, consultants and a person authorized to make scheduling and financial commitments for the firm.

ALL SUBMITTING FIRMS SHOULD INCLUDE ON THEIR TEAMS STAFF AND/OR CONSULTANTS WITH THE NECESSARY EXPERTISE TO PERFORM THE SCOPE OF SERVICES.
