

**Request For Proposal
For
Guaranteed Savings Contract**

Notice is hereby given that Mundelein ESD 75 shall receive proposals for a Guaranteed Savings Contract until 10:00 a.m. on September 17, 2018 at the Administrative Office located at 470 N. Lake Street, Mundelein, IL 60060. EXTENSIONS WILL NOT BE GRANTED. The contract shall follow the requirements of Article 19b of the Illinois School Code – “School Energy Conservation Measures.” As a point of clarification, it is the School District’s understanding that the Administrative Code procurement process requirements for a PPA offer are different than the Administrative Code procurement process requirements for an ownership approach to the project. The Ownership approach shall require the Guaranteed Energy Savings Contract process requirements. The PPA approach would require a Retail Electric Supplier approach and a Land Lease procurement process to be followed. For more information contact Dr. Andy Henrikson, Superintendent, (847) 949-2700 x2003

The Qualified Provider to whom the work is awarded shall conform to the local common wage rates as determined for this project. The District requests 3 copies of the proposal with the content and in the format described within the RFP.

The District reserves the right to terminate this project prior to bids being received, to reject any and all proposals and to be the sole judge of the value and merit of the proposals offered. Upon review of the Proposals received in response to this RFP, the District may enter into a contract with the provider that best meets the needs of the District. The District will only consider those companies who meet all requirements listed in the RFP.

The District reserves the right to reject any and all proposals and to be the sole judge of the value and merit of the proposals offered.

In accordance with the Illinois School Code Article 19B-3, we disclose that Performance Services, Inc. and ForeFront Power participated in the preparation of these specifications.
