

Harmony-Emge School District 175

Mr. Dave Deets, Superintendent
7401 Westchester Drive
Belleville, IL 62223
www.harmony175.org - 618-397-8444

REQUEST FOR PROPOSAL (RFP) FOR AN ENERGY PERFORMANCE CONTRACTING PROJECT

**Addendum #1
November 14, 2018**

To All Qualified Providers:

See below here-in addenda to the specifications for the Guaranteed Energy Savings Contract RFP.

Please acknowledge this addendum in your proposal when submitting.

The due date for the proposals remains the same; December 10, 2018 at 10:00 AM at Harmony-Emge School District #175, 7401 Westchester Drive, Belleville, IL 62223

We look forward to receiving your proposal.

Respectfully,

David Deets,
Superintendent
Harmony-Emge School District #175
7401 Westchester Drive
Belleville, IL 62223

REQUEST FOR PROPOSAL (RFP) FOR AN ENERGY PERFORMANCE CONTRACTING PROJECT

**Addendum #1
November 14, 2018**

ITEMS:

The District may contract separately for non-ECM work within the District, such as paving of parking lots, site work, other asbestos removal and construction of new classrooms or offices. The District may utilize the services of a construction manager to manage both the ECM and non-ECM work. Accordingly, interested ESCO's must disclose whether they are willing to enter into a separate construction management contract related to such non-ECM work at a later date.

Please provide additional information in your response:

Page 7, ESCO Profile, Corporate Background:

- g. Is your firm willing to enter into a construction management contract related to the non-ECM work at the District? If yes, please provide a brief description of your past experience as a construction manager and at least three project references.
- h. How many years has your firm offered construction management services?

Page 8, General Qualifications:

- 8. List of construction management contracts – list all construction management experience involving schools during the past two years for non-ECM work (such as paving of parking lots, site work, other asbestos removal and construction of new classrooms or offices).
