What steps has your agency undertaken to ensure that all administrative staff responsible for hiring, interviewing, recruitment and EEO are complying with all legislative mandates of the African American Employment Plan?

Internal meetings have taken place to discuss all EEO hiring initiatives. The EEC has no Coded or Union positions, so many of the initiatives in the plan are inapplicable. However, in addition to posting vacant position on the requisite CMS sites, the EEC has sent posting information to the Illinois Association of Minorities in Government, the Illinois Department of Employment Securites, and L.U.L.A.C. The EEC would like to send a representative to quarterly EEO meetings upon notice received, and the EEC would be interested in assessing whether implementing hiring and promotion monitors would be beneficial to our structure. Also, the zeroes below are misleading. The Rutan-based questions are inapplicable to our agency. Also, the number of African-Americans serving as mid-level managers could either be 0 or 12 depending on the classification of State Purchasing Officers and Procurement Compliance Monitors, who are professional employees with statutorily imposed responsibilities in every agency under the Governor.

What steps has your agency undertaken to ensure that all administrative staff responsible for hiring, interviewing, recruitment and EEO are complying with all legislative mandates of the African American Employment Plan?

All hiring staff have been made aware of the importance of diversifying IDOT’s Rutan interview panels. Developed an internal Engineer Technician Recruitment Taskforce of management staff to oversee components of recruitment outreach for the Engineer Technician position. Continuing the partnership with the Illinois Tollway, for the first Diversity Symposium. The purpose is to reach out to diverse community organizations that are advocates for underutilized persons seeking employment. These organizations participated in a discussion with IDOT and the Tollway to determine the best way to connect with the clients they serve and to understand actual or perceived barriers to employment. This group will collaborate with IDOT and the Tollway on ways to address those barriers. IDOT’s multi-year Strategic Plan indicates a high priority will be given to the recruitment of qualified, diverse employees. The Diversity Recruitment and Outreach Office was created to implement various methods in recruiting individuals from under-represented groups using various mechanisms. Although several job classifications will be recruited, special emphasis will be placed on increasing the diversity in the Civil Engineer Trainee, Engineer Technician, and Highway Maintainer applicant pools. Several members of the Diversity Recruitment and Outreach staff are RUTAN interview trained and some participating on interview panels.

This semester-long classroom and experiential educational opportunity is to help increase the qualified applicant pool for IDOT entry level Engineer Technicians. Created and launched a Minority Outreach website showing current diversity programs and providing opportunities to join the IDOT Professional and Academic
Network Alliance. The network provides updates of position postings, career fairs, and outreach efforts to a statewide database of interested individuals, community organizations, and elected officials. Individuals from multiple regions (statewide) represent business owners, NAACP, ministers, and other catalysts to reach underutilized populations with employment and training opportunities. Developed an external Recruitment Taskforce of community partners and stakeholders to review barriers in recruitment and hiring, perceived or actual that will bring suggested solutions to IDOT to help overcome those identified barriers. Informational sessions given routinely at local community colleges (i.e. Olive Harvey, Prairie State, etc.) to provide necessary information on application procedures for the Highway Maintainer permanent position and application information for the IDOT temporary Highway Maintainer "Snowbird" position. Partnerships through the above listed outreach efforts, committees, and projects with Illinois Department of Employment Security (IDES), Illinois Department of Veterans' Affairs (IDVA), Secretary of State (SOS), Central Management Services (CMS) and the Illinois Department of Commerce and Economic Opportunity (DECO).

RECOMMENDATIONS/COMMENTS

*The agency did not meet the minimum compliance criteria for females (37%) due to the fact that there are few females in the applicant pool. Furthermore, when reviewing the female and male hiring data both are hired at a comparable rate. The agency continued to make a good faith effort recruiting females.

The agency failed to meet the Department of Human Rights’ standard of 21% for minority goal performance. Out of 13 opportunities to hire and promote, only 2 or 15% addressed underutilization, however, the agency made a good faith effort to address its minority goals during the year, and its hiring occurred in areas where the labor force availability was less than 21%. For these reasons, the agency is in compliance with the Department of Human Rights’ requirements.
