Agency Name
Street Address
City, IL Zip Code

Dear (Agency Director)

Enclosed please find an electronic copy of the 2016 State African American Employment Plan, which the Department of Central Management Services is required to prepare and submit to the General Assembly, reporting each agency’s activities in implementing the plan.

Outlined in the body of this report you will find information on the status of the African American workforce of individual agencies, as well as their accomplishments in meeting the objectives of this important legislation.

Of course, there are many benefits of having a diverse workforce, but perhaps the most significant is to enable State agencies to provide better services more efficiently to the public. Therefore, I strongly encourage your agency to continue to build upon your Affirmative Action and Equal Employment Opportunity goals by placing emphasis on recruitment, hiring, training, retention and promotion of African Americans. As this report shows, much progress has been made during Governor Rauner’s administration, and we look forward to witnessing continued efforts to increase the diversity of the state workforce.

Please share this Plan with your senior management staff, including your HR Director, AA/EEO Officer and Recruitment Manager. This Plan may also be accessed electronically at the CMS Diversity Enrichment Program web page at http://www.work.illinois.gov/diversityenglish.htm.

By working together on this initiative, we can achieve the objectives outlined in the African American Employment Plan and better serve the citizenry of our great state. If you have any questions or need additional information, please don’t hesitate to contact Carlos R. Charneco at 312/814-0922 or Carlos.Charneco@illinois.gov.

Sincerely,

Michael M. Hoffman
Acting Director

When the Department's Office of Human Resources staff notifies the Office of Equal Opportunity Monitoring & Compliance (EOMC) that vacancies have occurred in underutilized or utilized areas, EOMC immediately sends out a written notice to the Deputy Director of Human Resources and/or their staff as well as the respective hiring authority reminding them of their EO/AA and Executive Order #15 (1999) obligations to adhere to such laws; Staff within the Office of Human Resources as well as the Department's Agency-wide EO Compliance/Education and Training Manager attend monthly agency personnel managers'meetings and training sessions sponsored by CMS and IDHR to become aware of any/all legislative mandates affecting the recruitment, employment and promotion of highly qualified African-Americans; The Department's Agency-wide EO Compliance Manager provides periodic updates to the Director or his designee as well as to the Deputy Director of Human Resources regarding the Department's responsibility to attract, hire or promote highly qualified African-Americans to the workforce. On a regular basis EOMC identifies hiring authorities who are/are not up-to-date with their certification as Rutan interviewers. What recommendations were provided by the AAEP Advisory Council, DHR, CMS or the Auditor General regarding recruitment of African Americans and were any implemented by the agency?

At this time no recommendations were provided to the Department by the AAEP Advisory Council or the Auditor General regarding recruitment of highly qualified African-Americans. However, DHR and CMS have worked together to implement and schedule a number of informative employment workshops throughout State of Illinois which continues to help increase the opportunity for African-American applicants to better understand the state hiring process, meet recruiters and obtain state jobs. As a forethought the Department would like to recommend the following ideas: Both the AAEP, DHR and CMS should work together to develop an electronic online training session for the benefit of hiring authorities and HR personnel focusing on the history and importance of "EEO Compliance Law (under the Human Rights Act and Title VI and VII of the Civil Rights Acts). Both laws are positive mandates to promote the goal of an Inclusive Workforce; Also "Diversity" training should be mandatory within all state agencies, especially for hiring authorities and HR personnel, of which the current majority of staff are composed of non-minority's. Now that Rutan training is made available in both Chicago and Springfield areas, the Department's Office of EOMC hopes the State of Illinois will consider increasing the number of highly qualified minorities as Human Resource Managers.

The Illinois Deaf and Hard of Hearing Commission’s primary objective is to ensure all Illinois residents with a hearing loss will enjoy the benefits of a fully accessible society enabling each person to participate in and contribute to all aspects of life. Given the population this agency serves, the requirement of ASL is a necessity. Unfortunately, this requirement substantially limits the number of qualified applicants available when filling vacancies. Nonetheless, the agency is committed to hiring a diversified workforce. When vacancies exist, IDHHC uses all forums available to recruit new employees including deaf events such as Deaf Latino Day, Deaf Nation and ADA Celebrations. In addition to CMS, all vacancies are posted to general disability and deaf and hard of hearing organizations throughout the state and nationwide, and specifically to Chicago Land Black Deaf Advocates.

Provide results of your agency’s studies and monitoring success concerning the number of African American persons employed by your agency in the EEOC categories: Include specific position titles that were filled externally.

While HFS' EEO/AA Office monitors the hiring process to ensure mandated compliance, overwhelmingly, positions are filled within constraints beyond the control of our monitoring. The success of our internal monitoring with respect to employment of African Americans is directly proportionate to the limited opportunities to make decisions independent of factors such as bargaining unit considerations or veteran's preference. Specifically, the titles most frequently called for and filled within HFS are subject to bargaining unit provisions, thereby limiting our selection options. External titles included: PSA; Child Support Specialist Trainee; Office Specialist; Office Coordinator; HFSN; Executive II and Office Associate. We are most assuredly open to methods/external recommendations to increase targeted hiring/recruitment.

The DNR, in cooperation with CMS, has developed new testing and examining procedures for professional titles which will increase candidate pools and recruitment opportunities. These changes will provide more frequent, faster exams and grading opportunities for DNR titles. Some exams may be offered during a scheduled period throughout the year. Additionally, the DNR will be requesting “statewide” open competitive lists which will capture all candidates across the state of Illinois. With these changes, recruiters will be able to offer more opportunities with the DNR to college recruiters, job fair attendees and others who have expressed interest in working with IDNR. Changes to DNR’s Employment Opportunities webpage will continue to improve with these changes. The DNR has identified and developed DNR-specific titles to include more “trainee” opportunities that will provide a career path to full-time, coded positions. If random selection of candidates was part of the open competitive interview invitation process describe your agency’s method of random selection.

A random selection from an open competitive list is done by the interviewer selecting a pattern of some sort. It can be 2 names from each page of names, every 10th name, the fifth name from each page, etc. If we are interviewing for a category that is underutilized we try and pick a pattern that will include as many candidates that fall into the underutilized category as possible.

What recommendations were provided by the AAEP Advisory Council, DHR, CMS or the Auditor General regarding recruitment of African Americans and were any implemented by the agency?

The AAEP had recommended developing a mechanism for measuring the success of our recruitment, utilizing social media and expanding our recruiting efforts to the central and southern region of the state. The Recruitment Section uses sign-in sheets for applicants to complete at events. The sheets document the race and gender of candidates, so we can use that information to determine which events attract a higher minority population. The Recruitment Section also has increased its use of social media through Facebook, Twitter and posting a recruitment video on You Tube. The Recruitment Section attended 99 events during FY15 around the state. We have a full time recruiter located in the central region and one in the Metro-East area, and both are committed to attracting a diverse pool of candidates from across the state.

The recruitment and selection staff, mainly the EEO Officer, reviews the underutilization report and the eligibility list to determine what areas are underutilized and to focus on ensuring the HR Liaisons at the Veterans Homes are circling qualified minorities from the blind list so that they can be invited for an interview in those vacant positions. Whether or not EEO job categories are underutilized, we still encourage all qualified minorities to be afforded the opportunity to be interviewed within our agency.

RECOMMENDATIONS/COMMENTS

*During the fiscal year, the agency achieved parity for females and African Americans and is at parity for people with disabilities. For minorities, the agency’s primary goal was to address the high underutilization of Asians. A strategic recruitment plan was written to focus its efforts to address the method to increase the number of qualified Asian applicants for employment thereby, ultimately increasing the number of successful candidates. The agency’s Asian American Council has expanded their recruitment to participate at job fairs with professional organizations and colleges/universities. The agency has also a partnership with universities that have added the agency curriculum and certification to their social work classes; also the agency is exploring/expanding the degrees that qualify for job positions with the agency. With this partnership, the schools that offer undergraduate and/or graduate degrees in social work or other degrees recognized by the agency to serve as “feeders” for the agency and which have significant Asian student populations. As a result of these efforts, the agency hired Asians to address their goals. The agency documented a good faith effort and because of this was granted an exception.

FINDINGS

Agency in compliance  X  Agency in non-compliance

RECOMMENDATIONS/COMMENTS

*The agency did not meet the minimum compliance criteria for females due to the fact that there are few females in the applicant pool. Furthermore, when reviewing the female and male hiring data both are hired at a comparable rate. The agency has established recruitment program for all groups and has accomplished their performance measures that were outlined in their affirmative action plan. During FY15, the agency EEO/AA Officer developed a Local Workforce Investment Act (LWIA) pilot program that would help the agency identify candidates for the Correctional Officer trainee position. The program started in one region of the state and was expanded into another region, were the agency has one facility. As of this time, the program has had good results and the facility in that region has hired minorities that will address underutilization. This program will help increase the participation of minorities and women, and will be permanent and applied throughout the state. The agency continues to make a good faith effort by recruiting females and minorities by participating in job fairs and contacts with professional organizations. For these reasons, the agency was granted an exception.

This agency failed to meet the DHR standard of 25% for minority goals and 38% for female goal, in that it addressed minority goals 20% of the time and female goal only 28% of the time. ISP is granted an exception because it documented a good faith effort to recruit minorities and females and the availability rate of sworn personnel in Illinois is not as high as DHR’s minimum compliance criteria. A Late Notice was issued this year in regards to one of the agency’s DHR reports. The agency should strive to submit its reports on time.
