

HMO Benefits

Members must select a primary care physician (PCP) from a network of participating providers. The PCP directs healthcare services and must make referrals for specialists and hospitalizations. When care and services are coordinated through the PCP, the member pays only a copayment. No annual plan deductibles apply. However, there is an annual \$100 prescription deductible per enrollee. The HMO coverage described below represents the minimum level of coverage an HMO is required to provide. Benefits are outlined in each plan's Summary Plan Document (SPD). It is the member's responsibility to know and follow the specific requirements of the HMO plan selected. Contact the plan administrator for a copy of the SPD.
