

# What is Available in Your Area in FY22

Review the following map and charts to identify plans available in your county. Then, review your monthly contribution and plan benefits to determine which plan is best for you.

## Monthly Contributions

The Teachers' Retirement Insurance Program (TRIP) shares the cost of health coverage with you. While TRIP covers the majority of the cost, you must make monthly contributions based upon the health plan you select.

Type of Participant	Type of Plan	Not Medicare Primary Under Age 26	Not Medicare Primary Age 26-64	Not Medicare Primary Age 65 and Above	Medicare Primary* All Ages
Benefit Recipient	Managed Care Plan (OAP and HMO)	\$96.55	\$299.92	\$408.64	\$118.53
	Teachers Choice Health Plan (TCHP)	\$250.58	\$699.96	\$1063.69	\$281.05
	TCHP when managed care is not available in your county	\$125.29	\$349.98	\$531.86	\$140.53
Dependent Beneficiary	Managed Care Plan (OAP and HMO)	\$386.36	\$1,199.69	\$1,634.51	\$408.38
	Teachers Choice Health Plan (TCHP)	\$501.18	\$1,399.91	\$2,127.38	\$562.10
	TCHP when managed care is not available in your county	\$501.18	\$1,399.91	\$2,127.38	\$421.59

\* You must enroll in both Medicare Parts A and B to qualify for the lower premiums. Send a copy of your Medicare card to TRS. If you or your dependent is actively working and eligible for Medicare, or you have additional questions about this requirement, contact the CMS Group Insurance Division, Medicare Coordination of Benefits (COB) Unit (see page 7).

\*\* Medicare Primary Dependent Beneficiaries enrolled in a managed care plan, or in TCHP when no managed care plan is available, receive a premium subsidy.

## Enrollment Opportunities

After the Benefit Choice Period ends, you will only be able to change your benefits if you have an enrollment opportunity.

You must report an enrollment opportunity at [MyBenefits.illinois.gov](https://mybenefits.illinois.gov) within 60 days of the event to be eligible to make benefit changes. Also note that it is required to report important events to the MyBenefits Service Center, including a change in Medicare status, marriage or divorce. To report a financial or medical power of attorney, contact your retirement system.

**Please note:** Members becoming Medicare-eligible will have a separate enrollment opportunity prior to their 65th birthday.

## Terminating TRIP Coverage

To terminate coverage at any time, please contact MyBenefits Service Center. The cancellation of coverage will be effective the first of the month following receipt of the request. Benefit recipients and dependent beneficiaries who terminate from TRIP may re-enroll during an open enrollment period or other qualifying enrollment opportunity. Please refer to the Teachers' Retirement Insurance Program (TRIP) Handbook for other qualifying enrollment opportunities.

## Transition of Care after Health Plan Change

Benefit recipients and their dependents who elect to change health plans and are then hospitalized prior to July 1 and discharged on or after July 1, should contact both the current and future health plan administrators and primary care physicians as soon as possible to coordinate the transition of services.

Benefit recipients or dependents who are involved in an ongoing course of treatment or have entered the third trimester of pregnancy, should contact their new plan administrator before July 1 to coordinate the transition of services for treatment.

## HMO Benefits

Health Maintenance Organization (HMO) members are required to stay within the health plan provider network. No out-of-network services are available, other than listed below. Members will need to select a primary care physician (PCP) from a network of participating providers. The PCP will direct all healthcare services and make referrals to specialists and hospitalization. Benefits are outlined in each plan's Summary Plan Document (SPD). It is the member's responsibility to know and follow the specific requirements of the HMO plan selected. Contact the plan administrator for a copy of the SPD. For a copy of the SPD, contact the plan administrator.

- **Tier I** offers a managed care network which provides enhanced benefits and operates similar to an HMO.
- **Tier II** offers an expanded network of providers and is a hybrid plan operating similar to an HMO and PPO.
- **Tier III** covers all providers which are not in the managed care networks of Tiers I or II (out-of-network providers). Benefits are outlined in the plan's Summary Plan Document (SPD). It is the member's responsibility to know and follow the specific requirements of the OAP. For a copy of the SPD, contact the plan administrator.
