Executive Summary

The following report, submitted by the Business Enterprise Council for the Minorities, Females, and Persons with Disabilities, outlines the qualified State dollars spent subject to the Business Enterprise Program (BEP) goal and provides an overview of the State's ongoing effort to engage businesses within the designated BEP communities.

Created in 1984 pursuant to the Business Enterprise for Minorities, Females and Persons with Disabilities Act (30 ILCS 5757/1), BEP continues efforts to drive procurement access and opportunities for disadvantaged entrepreneurs. Through engagement and collaboration between state agencies, universities, and the BEP vendor community, Illinois government continues to push for new ways to expand the program's impact.

Contractual

BEP has continued the implementation of Executive Order 2016-08 which sought to eliminate barriers in State contracting for minority and female owned businesses and to increase access to State contracting information. In addition to improving services to BEP and prospective vendors, this order directed the Illinois Department of Central Management Services (CMS) to identify sheltered market opportunities for BEP vendors.

These efforts came to fruition in 2017 marking the contract execution under a sheltered market with an Illinois agency. Guided by CMS and BEP in conjunction with Illinois' Chief Procurement Officer for General Services, the contract was executed in response to a Request for Proposal from the Illinois Department of Innovation and Technology specifically identified as an area of minority and women contract disparity.

In addition, BEP has filed proposed administrative rules and continues facilitate efforts with the Illinois General Assembly's Joint Committee on Administrative Rules to create a new set of procurement guidelines aimed at expanding sheltered market opportunities as a component of BEP's ongoing efforts to provide structure and guidance for issuing sheltered market procurements.

Compliance

Building on the success of 2016 that saw the launch of the web-based online registration portal, BEP continues their efforts to provide real-time updates to both prospective vendors as well as the BEP staff assigned to guide the certification process. The BEP Compliance Division continues to standardize their process for contractual goal setting and Utilization Plan reviews.

The Division will continue to work with the BEP Council in developing a more robust goal setting policy for the State. In addition, it is anticipated that the new contract monitoring system pursuant to E.O. 2016-08 will be operational by the summer of 2018.

Outreach

The BEP Outreach Division continues to execute the long-term strategic plan developed to engage prime and subprime vendors through events and gatherings. Partnering with various federal, state and local agencies, these events have provided opportunities for BEP vendors to familiarize themselves with BEP's services as well as the agencies in need of services.

In addition to significantly increasing the number of BEP hosted events, staff continues to travel the State participating in shows, expos, panels and networking events in an effort to engage vendor communities and strengthen its relationships throughout Illinois. During FY17 BEP hosted a total of 19 events, up from the three events hosted the previous fiscal year. In all, BEP participated in 62 outreach events during the fiscal year.

Certification

BEP looks to continue improving the online certification system, opportunities.illinois.gov that was launched in 2016 aimed at easing the BEP application process by creating a paperless, online certification system. The system has significantly reduced certification times and has provided prime vendors with a straightforward way to search and communicate with BEP vendors. The BEP team is looking forward to the continued use of the online certification portal.

Outlook for Fiscal Year 2018

The Business Enterprise Council is looking forward to a strong, positive and productive fiscal year in 2018 with a continued focus on vendor engagement, compliance optimization, and opportunity development. BEP staff will continue to remove barriers for vendors and to increase participation in the program.
