The normal work day is defined as eight consecutive hours.

No later than 15 calendar days prior to the beginning of a work period (15 days), employees shall submit their proposed work schedule to the appropriate supervisor. This schedule shall consist of three blocks of time, all of which shall be 10 hours in length in which the submitting Officer will be expected to work an 8-hour block of time within the following time frames referred to as A, B, and C shifts.

- A-shift shall be between 6:00 am to 4:00 pm
- B-shift shall be between 10:00 am to 8:00 pm
- C-shift shall be between 4:00 pm to 2:00 am

The Employer may change the schedule submitted by an officer for a legitimate operational need. In the event a schedule is changed due to legitimate operational need, the seniority shall prevail, unless the parties mutually agree otherwise.

Nothing herein shall prohibit the employee from making changes within the work period to his/her shift or days off due to operational need after giving forty-eight (48) hour notice and receiving supervisory approval. Nothing in this paragraph prevents a supervisor from granting time off with less than forty-eight (48) hours notice.

Once a CPO is placed in a District, the CPO shall be placed in one of seven rotating days off schedules.

Section 7.4. CPO Assigned to Fixed Sites
The work week shall run from Monday through Sunday with regular days off being Saturday and Sunday. Work days shall be eight (8) consecutive hours of works.

Section 7.5. Schedule Changes
Thereinafter, where changes in permanent schedules affecting bargaining unit employees or the scheduling process set forth in section 2 are made by Employer, the Employer shall notify FOP and upon timely request, negotiate with it concerning such changes. Disputes over such changes shall be subject to contractual grievance procedure. The Employer reserves the right to implement such schedule or scheduling process changes pending resolution of any grievance. The affected employee shall be notified five (5) days in advance of such change.

The Employer reserves the right to make temporary or seasonal work schedule changes after first discussing it with the union and providing legitimate operational reasons for such change, provided that, such change shall not affect a CPO’s regular day off (RDO) schedule. In the event the Union disagrees with the operational reasons for the change, the Employer may file a grievance directly at the CMS level of the grievance procedure. Should the Employer desire to make a schedule change that affects a CPO’s regular day off schedule, the parties shall negotiate over such change. If the parties reach impasse, the Employer may implement pending resolution via the grievance procedure.

Section 7.6. CPO Trainee Schedules
Schedules for CPO Trainees shall be determined solely by the Employer.

Section 7.7. Rest Period
Employees with a fixed work-site shall be entitled to a non-cumulative 15-minute paid rest period at approximately midway during both the first and second half of the workday. Employees with a non-fixed worksite shall be entitled to a paid rest period not to exceed 15 minutes during both the first and second half of the workday where current practice so provides. Such rest periods shall be granted except during operational emergencies.

Employees scheduled to work a workweek of four consecutive workdays of relatively equal length shall receive two rest periods consisting of 20 minutes each.
Section 7.8. Meal Period
Employers agrees to grant a meal period of not less than 30 but not more than 60 consecutive minutes to employees with a fixed work site approximately midway during the workday. Employer shall grant a meal period of not less than 30 but not more than 60 consecutive minutes to employees with a non-fixed work site approximately midway in the workday where current practice so provides. However, this shall not preclude work schedules which provide for a paid meal period. Those employees who receive an unpaid meal period and are required to work at their work assignments and are not relieved for such meal periods, shall have such time treated as hours worked for the purpose of computing overtime. Such meal periods as defined above shall be granted except in the case of an operational emergency.

Section 7.9. Scheduling of Overtime
Whenever possible, overtime shall be scheduled sufficiently in advance to allow available officers to fill available slots voluntarily.

When more than one eligible officer wishes to accept a single available slot and are unable to come to an agreement among themselves, supervisors will make the assignment.

When other considerations are approximately equal, in accordance with the provisions of this Agreement, preference will be given to the officer with the greatest seniority.

Officers living within 30 minutes driving time of a given work location shall be considered as equally eligible for voluntary overtime assignment.

For mandatory overtime, a maximum work day of 12 hours will be assigned or approved except in extenuating circumstances such as disasters, search and rescue or other situation where the need for exceeding 12 hours can be articulated and justified.

In an effort to minimize the canceling of regular days off, when scheduling mandatory overtime for four hours or less, attempts will be made to assign personnel who are already working before assigning mandatory overtime or approving voluntary overtime on an officer’s regular days off.

Section 7.10. 4-Day Workweek
When in the judgment of the affected agencies, efficiency and economy can best be served by doing so, the agency may institute a workweek of four consecutive workdays of relative equal length on selected operations. FOP will be notified and have the opportunity to discuss such change. Overtime shall be paid in accordance with Article IX, Section 1. Any sick leave, vacation, personal leave, holidays or other time taken off shall be earned or accumulated on the basis of the normal 8-hour workday.
Section 7.11. Holiday Scheduling
Prior to the start of each calendar year, the Employer shall schedule a meeting of all employees for the purpose of scheduling holiday work for the upcoming calendar year. In the event that any employees are unable to attend, they may submit their written preferences in advance.

The Employer shall provide a list of all holidays to be worked with the number of employees to be assigned for each day.

In the event the employer cancels a holiday that is scheduled as set forth above, employee(s) shall receive at least two (2) weeks notice, or forty-eight (48) hours; in the event of inclement weather. Employees that are not provided said advance notice shall be permitted to work the holiday as scheduled.

Assignments of employees, within the District, desiring to volunteer to work the holidays will be conducted first with the most senior employee choosing one holiday slot from the available list of holidays. The next senior employee will then choose the next available holiday slot from the list of holidays. This rotation shall continue through all employees, or until all available holidays are taken voluntarily in the District for the year. The remaining holidays, if any, will be filled by involuntary assignment by reverse seniority. The assignment will begin with the Christmas holiday and work in reverse through the year's assignments. The employee with the least seniority, who is on a regular scheduled workday, will be assigned to work that holiday. Once an employee has been involuntarily assigned a holiday, their name shall move to the end of the rotation for the next assignment. This rotation will continue through until all assignments have been filled.

No employee may choose a holiday that falls on his/her regularly scheduled day off.

Nothing herein precludes the Employer from scheduling an employee to work a holiday that falls on his/her regularly scheduled day off.

**Section 8.4. Longevity Bonuses**

Section 8.5. Promotion from CPO I to CPO II

Effective January 1, 1994, all employees beginning their fourteenth (14th) year of service as a Conservation Police Officer I, shall be considered for advancement to Conservation Police Officer II provided that their performance is considered satisfactory pursuant to their most recent evaluation and the employee has a qualifying grade on the promotional examination administered by Department of Central Management Services. The effective date of such promotion shall be no later than the date the CPO completed the years of service requirement for such advancement, provided the annual evaluation is at least satisfactory and the CPO has received a promotional “A” or “B” grade.

Section 8.6. Promotion from CPO Trainee to CPO I

Upon satisfactory completion of the training period a CPO Trainee will be promoted and serve a probationary period, as outlined in Article II of this Agreement.

Section 8.7. Direct Deposit

Effective July 1, 2004 all paychecks for new hires shall be delivered via direct deposit. All current employees using direct deposit shall continue to receive paychecks via direct deposit.

ARTICLE IX - PREMIUM PAY

Section 9.1. Overtime

A. Effective August 29, 1997, employees who are authorized and do work in excess of their normal work day and/or workweek shall receive time and one-half overtime credit for such hours worked. No overtime credit shall be earned unless specifically authorized and/or directed by Employer. Overtime in less than 1/2 hour increments shall not accrue.

B. Effective July 1, 2010, payment for such overtime credits shall be in compensatory time or cash payment if cash payment is requested by the employee, provided that cash payment shall only be available for a maximum of 50 hours for each employee per fiscal year.

1) In the event a state of natural disaster is declared, all employees assigned or functioning in emergency response efforts shall receive cash payment for all hours worked.

C. In the event an employee is paid for overtime credits in compensatory time rather than cash, the employee may only accrue and carry over up to 250 hours of compensatory time on a fiscal year basis. However, the employer may require the employee to work overtime that would exceed the 250 hour cap due to emergency operating needs. Employees that have 250 hours of compensatory time on the books who work additional
overtime shall be paid in cash for all overtime hours worked in excess of the 250 hours cap (not to exceed 50 hours), unless the employee has already been paid cash for 50 hours of overtime for the fiscal year. An employee, who has been paid cash for the fiscal year that exceeds 250 hours of compensatory time shall, within five days of exceeding the 250 hour cap, request utilization of hours exceeding the 250 hour cap. If an employee fails to request utilization of excess hours under this section the employer may schedule the employee’s time off in excess of the 250 hour cap after providing the employee five (5) working days advance notice. Upon retirement, employees shall be allowed to cash out up to 250 hours.

D. At the end of each fiscal year the Agency shall review the amount of money Law Enforcement, Personal Service Funds will lapse. Based on the amount of money that is to lapse, the employer agrees to pay the employees compensatory time that fiscal year at an equal rate, (per employee). The amount paid per employee shall not exceed the total amount of compensatory time on the books at the end of the fiscal year and the total for all employees shall not exceed the amount of money scheduled to lapse. Each employee shall be permitted, upon request, to retain and carry over 80 hours of compensatory time.

E. Request of use of earned compensatory time shall be submitted on the Departmental Official Leave request form. All such request shall be considered on a first come first serve basis. In the event two or more employees submit requests on the same date, the request of the employee with greater seniority, as defined by Article IV, shall be considered first. The employer shall approve or deny all requests within two (2) days of said request. Request for use of compensatory time shall not be denied unless the granting of said request would cause an undue disruption in the employer’s operations. (The requirement of paying another employee overtime to work the time off requested shall not be the basis for denial.) If the Union or an employee believes that a request has been unreasonably denied the employee and/or the union may initiate a grievance at step three (3) of the grievance process.

F. The parties further agree that employees that are eligible to retire and intend to retire shall be allowed to take an indeterminate leave in an amount not to exceed the total amount of compensatory time on the books. Said indeterminate leave benefit shall be subject to the following terms:

1) The employee shall notify the employer of their intent to retire and take indeterminate leave at least four (4) months prior to their intended separation/retirement date.

2) The employee shall not be permitted to start the indeterminate leave until their proposed retirement has been formally approved by the Director of Natural Resources.

3) Once an employee’s retirement has been formally approved the retirement shall be irrevocable.
4) An employee on indeterminate leave may be recalled to work for court appearances and for emergency situations provided that he employee shall be credited for any leave time they lose as a result of being recalled.

Section 9.2. Holiday Pay
Any employee who works a holiday may choose to receive double time, except for Christmas Day, Thanksgiving Day, and Labor Day, for which the compensation rate shall be double time and a half cash payment in lieu of having compensatory time off on a future date. For the purpose of overtime computation, any and all time worked on holidays shall count as time worked, unless such holiday falls on the employee's regularly scheduled day off.

ARTICLE X - GRIEVANCE PROCEDURE

Section 10.1. Definition

A. A grievance is defined as any dispute or difference between Employer and FOP or any employee or group of employees covered by this Agreement with respect to the meaning, interpretation, or application of this Agreement or with respect to issues arising out of other circumstances or conditions of employment within the control of Employer.

B. Grievances may be processed by an employee as provided herein, and by FOP on behalf of itself, on behalf of any employee or on behalf of a group of employees but must set forth the names or classifications of such group of employees on the grievance. The resolution of a group grievance shall be made applicable only to those employees listed as grievants or only to employees in the aggrieved classifications.

C. Any grievance arising out of the interpretation and/or application of a provision contained within this Agreement shall be heard pursuant to the procedures established herein.

Section 10.2. Grievance Steps

By mutual agreement, a grievance concerning the intent of DNR policy may be initiated by Step 3 of the grievance process.

The Department of Natural Resources and the FOP identify the listed positions as those through which grievances are to be processed under the respective steps established pursuant to Article X of the RC-61 Master Agreement.

Office of Law Enforcement
Step 1 Regional Commander
Step 2 Chief/Director of Law Enforcement

All step 3 grievances processed to the Director's level shall be routed directly to the Labor Relations Office of the Department of Natural Resources.

Step 1. Within ten (10) days of the incident giving rise to the grievance, or from the date the employee shall have become aware of the incident with the exercise of reasonable diligence, the grievant shall file a written grievance with the Regional Commander. Only one subject matter shall be covered in any one grievance. The grievance shall contain a clear and concise statement of the facts giving rise to the grievance, the issue involved, the relief sought and specific references to this Agreement when appropriate. Within five days of receipt of the grievance, the Regional Commander shall issue a written decision and serve a copy on the grievant and on FOP.
Step 2. If dissatisfied with the Step 1 decision, the grievant or FOP may appeal to Step 2 within five days of receipt of the Step 1 decision or the date such decision was due, whichever is earlier, by filing a copy of the grievance with the Chief/Director of Law Enforcement. Within five days of receipt of the grievance, the Chief of Law Enforcement shall issue a written decision and serve a copy on the grievant and on FOP.

Step 3. If dissatisfied with the Step 2 decision, the FOP may appeal to Step 3 within five days of receipt of the Step 2 decision or the date such decision was due, whichever is earliest, by filing a copy of the grievance with the agency head or the agency head’s designee. The agency head, or his/her designee, shall schedule a meeting to discuss the grievance with the grievant and FOP. Such meeting shall be held within ten (10) days of receipt of the grievance. Within five days after such meeting, the agency head shall issue a written decision and serve a copy on the grievant and on FOP.

Step 4. If dissatisfied with the Step 3 decision, or if no decision is issued within the specified time limit, FOP may appeal to the Director by submitting a written notice of appeal with a copy of the grievance attached within ten (10) days after receipt of the Step 3 decision or the date such decision was due. Failure to file to Step 4 within the prescribed time limits, unless mutually agreed otherwise, shall result in the grievance being resolved pursuant to the Step 3 decision. Within ten (10) days after receipt of the Step 4 appeal the CMS Director, or his/her designee, the parties shall schedule a meeting to:

a) Discuss and resolve the grievance; or

b) Select an arbitrator to hear the grievance and establish, where possible, the hearing date.

c) Both parties agree to attempt to arrive at a joint stipulation of the facts and issues as outlined to be submitted to the arbitrator. The Employer or FOP shall have the right to request the arbitrator to require the presence of witnesses and/or documents. Each party shall bear the expense of its own witnesses.

Questions of arbitrability shall be decided by the arbitrator. The arbitrator shall make a preliminary determination on the question of arbitrability. Once a determination is made that the matter is arbitrable or is such preliminary determination cannot be reasonably made, the arbitrator shall then proceed to determine the merits of the dispute.

The arbitrator shall only have authority to determine compliance or non-compliance with the provisions of this Agreement and shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. He shall only consider and make a decision with respect to the
specific issues submitted and shall have no authority to make a decision on any other issue not so submitted, and shall have no authority to make a decision on any other issue not so submitted to him. In the event the arbitrator finds a violation of the terms of this Agreement, he shall fashion an appropriate remedy. The arbitrator shall be without power to make a decision contrary to or inconsistent with or modifying or varying in any way the application of laws and rules and regulations having the force and effect of law.

The arbitrator shall submit in writing his decision within thirty (30) calendar days following close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to written extension thereof. The decision shall be based solely upon his interpretation of the meaning or application of the express terms of this Agreement to the facts of the grievance presented. A decision rendered consistent with the terms of this Agreement shall be final and binding.

The expenses and fees of the arbitrator and the cost of the hearing room shall be paid by the losing party. In cases of split decisions, the arbitrator shall determine what portion each party shall be billed for expenses and fees.

Nothing in this Article shall preclude the parties from agreeing to the appointment of a permanent arbitrator(s) during the term of the Agreement or to use the expedited arbitration procedures of the American Arbitration Association.

If either party desires a verbatim record of the proceedings, it may cause such a record to be made. In cases where a court reporter is used the cost of the court reporter’s attendance and transcript shall be borne by the party that requests the court reporter. However, in the event an arbitrator requests a copy of the record the costs of the court reporter’s attendance and arbitrator’s transcript shall be borne equally. If both parties request copies of the record the entire cost of transcription shall be borne equally by each party.

Section 10.3. Representation
Employees covered by this Agreement shall be represented only by FOP. Such representation shall be permitted at any and all steps of the procedure. Union Representatives shall be from the same Region as the employee requesting representation unless the Region does not have a Representative, the regional Representative is unavailable, or unless mutually agreed otherwise.

In any case where an employee represents himself/herself, the final level through which the grievance may be processed by the employee shall be at Step 2.
Section 10.4. Time Limits

A. Grievances may be withdrawn at any step of the procedure without prejudice. Grievances not appealed within the designated time limits shall be treated as withdrawn. Failure of Employer to respond within the designated time limits at any step of the grievance procedure shall permit FOP, and where provided, the employee, to process the grievance to the next step within the designated time limits.

B. The time limits at any step may be extended by agreement of the parties involved at that step.

C. Grievances concerning suspensions or layoffs shall be initiated at Step 3 of the grievance procedure.

D. Certain issues which by nature are not capable of being settled at a preliminary step of the grievance procedure may by mutual agreement be filed at the appropriate step where the action giving rise to the grievance was initiated.

Mutual agreement shall take place between the appropriate FOP representative and the proper Employer representative at the step where it is desired to initiate the grievance.

Section 10.5. Time Off

A. The grievant and/or a FOP steward shall be permitted reasonable time without loss of pay during their normal working hours to process a grievance. No employee or FOP steward shall leave his/her work to process a grievance without first notifying and receiving authorization from his/her supervisor, which authorizations shall not unreasonably be withheld. Such leave shall not interfere with the operating needs of the agency. Such reasonable time off shall not exceed 8 hours in any one day, unless a delay was created by the Employer. Where by mutual agreement, the date of any hearing or meeting between the Employer and the grievant is scheduled on a grievant’s day off, the grievant shall receive straight time credit for all such hours up to a maximum of 8 hours per work day, but such credit shall not exceed the actual hours expended.

B. Employer shall not be responsible for any subsistence expenses incurred by grievants or FOP steward in the processing of grievances.

C. Witnesses who have been subpoenaed and who are State employees and whose testimony is pertinent to the grievance presentation will be permitted reasonable time off without loss of pay to attend grievance or arbitration hearings.
Section 10.6. Number of Grievances
By mutual agreement of FOP and Employer, more than one grievance may be scheduled at any step of the grievance procedure.

Section 10.7. Stewards and Jurisdictions
FOP shall designate up to 7 stewards, in addition to FOP staff, who are bargaining unit members who are authorized to represent employees. FOP shall designate the jurisdictional area for each steward. Each jurisdictional area shall be limited to a reasonable area to minimize the loss of work time and travel, giving consideration for the geographic area, shifts, units and where the number of employees in such units are too minimal to warrant designation of a steward.

FOP shall provide to Employer a written list of stewards and their respective jurisdictional areas within a reasonable period of time after the effective date of this Agreement. Any changes thereto shall be forwarded to Employer by FOP as soon as possible after changes are made.

Section 10.8. Civil Service Commission Jurisdiction
The parties recognize that the Civil Service Commission has sole jurisdiction and authority to hear appeals relating to demotion, geographical transfer, or position classification/allocation.

Discharges and suspensions in excess of thirty (30) days within a twelve-month period shall be either arbitrated through the grievance procedure or appealed to the Civil Service Commission.

ARTICLE XI - DISCIPLINE

Section 11.1. Definition
Disciplinary action shall include the following:

A. Oral reprimand
B. Written reprimand
C. Suspension
D. Discharge

Discipline may be imposed upon an employee only for just cause. Employer agrees with the tenets of corrective and progressive discipline.

Notations of oral reprimands may be placed in the employee's personnel file. Copies of that notation shall be given to the employee. An employee shall not be demoted for disciplinary reasons, nor shall any employee be transferred for disciplinary reasons.

Section 11.2. Suspension Pending Discharge
Employer may suspend an employee without pay up to 30 days pending a decision on discharge of the employee.
Section 11.3. Pre-Disciplinary Meeting
Prior to notifying the employee of the measure of discipline to be imposed, Employer shall notify FOP and the employee. Employer shall afford a reasonable opportunity for a meeting with the employee involved and, if requested by the employee, FOP, for the purposes of providing all relevant documentation, contemplated measures of discipline, if possible, and names of witnesses relating to the facts of the charge; and to permit the employee to rebut the charges, if the employee so desires. If the employee does not request union representation, a union representative shall nevertheless be entitled to be present as a non-active participant at any and all such meetings. Employer shall provide at least 48 hours advance notice, unless mutually agreed otherwise, of such meeting to be held at a mutually agreeable time.

Pre-disciplinary meetings shall not be held in cases of oral reprimands.

Section 11.4. Notice
In the event written disciplinary action is taken against an employee, Employer shall promptly furnish employee and FOP with a clear and concise copy of the statement of facts giving rise to the discipline and the measure of discipline intended. The measure of discipline intended may not be increased as it relates to the statement of facts once the statement has been served.

Employer shall notify the employee and FOP of the discipline imposed, within 45 days after completion of the pre-disciplinary meeting. No discipline shall be imposed if the Employer fails to notify the Employee and FOP within 45 days of the pre-disciplinary meeting.

Section 11.5. Investigatory Interview
An employee shall be entitled to the presence of a steward and/or FOP staff at an investigatory interview if she/he requests one and if the employee has reasonable grounds to believe that the interview may be used to support disciplinary action against her/him.

Section 11.6. Removal of Discipline
By written request of the employee, any discipline imposed except suspensions and/or discharges shall be removed from an employee's record if, from the date of the last reprimand or discipline, two (2) years pass without the employee receiving any additional discipline. Suspensions of three (3) days or less shall be removed from an employee’s record if, from the date of the last discipline, five (5) years pass without the employee receiving any additional discipline. Such removal shall be at the request of the employee but in any case, shall not be used against the employee.

Section 11.7. Administrative Reassignment
The Employer may reassign an employee during the course of an investigation. Administrative reassignment shall not change an employee’s region of assignment or use of scheduled benefit time.

Section 12.1. Leave for Personal Business
All employees, excepting those in emergency, per diem or temporary status, shall be permitted three (3) personal business days off each calendar year with pay. Such personal days may be used for occurrences as observances of religious holidays, Christmas shopping, absence due to severe weather conditions, or for other similar personal reasons, but shall not be used to extend a holiday or annual leave except as permitted in advance by the operating agency through prior written approval. Employees entitled to receive such leave who enter service during the year shall be given credit for such leave at the rate of 1/2 day for each two (2) months service for the calendar year in which hired. Such personal leave may not be used in increments of less than 1/2 hours at a time. Supervisors may however, grant employee requests to use personal business time in smaller increments of fifteen (15) minutes after a minimum use of one-half (1/2) hour. Except for those emergency situations which preclude the making of prior arrangements, such days off shall be scheduled sufficiently in advance to be consistent with operating needs of the Employer. The Employer has the right to inquire as to the nature of the emergency.

Personal leave shall not accumulate from calendar year to calendar year; nor shall any employee be entitled to payment for unused personal leave upon separation from the service except as provided by law and/or Personnel Rule.

Section 12.2. Leaves of Absence Without Pay
Unless otherwise provided in the Personnel Rules and with the prior approval of the Director, an agency may grant leaves of absence without pay to employees for periods not to exceed six (6) months, and such leaves may be extended for good cause by the operating agency for additional six (6) month periods with the Director’s approval.

Any employee, except an employee in a position or program financed in whole or in part by loans or grants made by the United States or any Federal agency, who is elected to State office, shall, upon request, be granted a leave of absence for the duration of the elected terms.

No emergency or temporary employee shall be granted leave of absence.

Section 12.3. Disability Leave
A. An employee who is unable to perform a substantial portion of his/her regularly assigned duties due to temporary physical or mental disability shall upon request be granted a leave for the duration of such disability.

B. In granting such leave or use of sick leave provided in Personnel Rule 303.90, the agency shall apply the following standards:

1. A substantial portion of regularly assigned duties shall be those duties or responsibilities normally performed by the employee which constitute a
significant portion of the employee's time or which constitute the
differentiating factors which identify that particular position from other
positions, provided the balance of duties can be reassigned by the agency;

2. A request for disability leave shall be in writing except when the agency is
advised by other appropriate means of the employee's disability in which event
the employee's signature is not required;

other states or countries or by an individual authorized by a recognized
religious denomination to treat by prayer or spiritual means; such verification
shall show the diagnosis, prognosis and expected duration of the disability;
such verification shall be made no less often than every 30 days during a period
of disability, unless the nature of the disability precludes the need for such
frequency of verification;

5. As soon as an employee becomes aware of an impending period of disability,
he/she shall notify the appropriate supervisor of such disability and provide a
written statement by the attending physician of the approximate date the
employee will be unable to perform his/her regularly assigned duties.

6. If the agency has reason to believe that the employee is able or unable to
perform a substantial portion of his/her regularly assigned duties, it may seek
and rely upon the decision of an impartial physician chosen by agreement of
the parties or in the absence of such agreement upon the decision of an
impartial physician who is not a State employee and who is selected by the
Director.

7. In the case of a dispute involving service connected injury or illness, no action
shall be taken which is inconsistent with relevant law and/or regulations of the
Illinois Workers' Compensation Commission. Such determination shall pertain
solely to an employee's right to be placed on or continued on illness or injury
leave, including service connected illness or injury leave. For service connected
illness or injury leave the right to select the impartial physician shall be between
the Union and the Department of Central Management Services,
C. Failure of an employee to provide verification of continued disability upon reasonable request shall on due notice cause termination of such leave.

D. An employee's disability leave shall terminate when said employee is no longer temporarily disabled from performing his/her regularly assigned duties.

1. An employee is no longer temporarily disabled when he/she is able to perform his/her regularly assigned duties upon advice or the appropriate authority or, in the absence of such authority, the attending physician.

2. An employee is no longer temporarily disabled when he/she is found to be permanently disabled and unable to perform a substantial or significant portion of his/her regularly assigned duties by the appropriate authority, or in the absence of such authority, by the attending physician.

3. In determining whether to approve a requested discharge of an employee for failure to return from a disability leave or for physical inability to perform the duties of a position, the Director may seek and rely upon the advice of the State Employees' Retirement System or other appropriate authority, including an impartial physician selected in accordance with Personnel Rule 303.145 B. (See B 6 above)

E. 1. An employee who returns from a disability leave of six (6) months or less shall be returned by the agency to the same or similar position in the same classification in which the employee was incumbent at the time the leave commenced.

2. An employee who returns from a disability leave exceeding six (6) months and there is no vacant position available in the same classification held by the employee at the commencement of such leave may be laid off in accordance with the Personnel Rules on voluntary reduction and layoff, unless such leave resulted from service-connected disability, in which case the employee shall be returned to employment as in E 1 above.

Section 12.4. Employee Rights After Leave
When an employee returns from a leave of absence of six (6) months or less, the agency shall return the employee to the same or similar position in the same classification in which the employee was incumbent prior to commencement of such leave. Except for those leaves granted under Personnel Rules 303.155 and 303.160, when an employee returns from a leave or leaves exceeding six (6) months and there is no vacant position available to him/her in the same classification in which the employee was incumbent to such leave or leaves commencing, the employee may be laid off in accordance with the Personnel Rules on voluntary reduction and layoffs.
Section 12.5. Failure to Return
Failure to return from leave within five (5) days after the expiration date may be cause for discharge. An employee’s disability leave and employment shall terminate when said employee is deemed permanently disabled pursuant to Personnel Rule 303.145.

Section 12.6. Leave to Take Exempt Position

D. Any full-time employee who is a member of any reserve component of the United States Armed Forces or who is a member of the National Guard of any state shall be granted leave from State employment for any period actively spent in such military service including basic training and special or advanced training, whether or not within

All employees, excepting those in emergency, intermittent, per diem or temporary status, unless such status is the result of accepting a non-permanent working assignment in another class, shall accumulate paid sick leave at the rate of one day for each month's service during their current period of continuous service. Sick leave may be used for illness, disability, or injury of the employee, appointments with doctor, dentists, or other professional medical practitioner, and for not more than 30 days in one calendar year in the event of serious illness, disability, injury, or death of a member of an employee's immediate family or household. For purposes of definition, the "immediate family or household" shall be husband, wife, mother, father, brother, sister, children or any relative or person living in the employee's household from whom the employee...
has custodial responsibility or where such person is financially and emotionally dependent on the employee and where the presence of the employee is needed. Such days may be used in increments of no less than 1 hour at a time. Supervisors may however, grant employee requests to use sick time in smaller increments of fifteen (15) minutes after a minimum use of one-half (1/2) hour. Evidence of illness, including doctor's statement, may be required where Employer may have reason to believe that such leave days were not used for the purpose herein set forth. For periods of absence for more than ten (10) consecutive workdays the employee shall provide verification for such absence in accordance with the provisions of Personnel Rule 303.145. Sick leave may also be used in the event of death of grand relations and parent and child-in-laws. Visit of four days per year to a veteran's hospital or clinic for examination needed because of military service-connected disability shall be in pay status without charge to sick leave.

An employee, who is in pay status for a minimum of 1040 hours in a calendar year, shall be awarded one additional personal day on January 1st of each calendar year, if no sick time was used in the preceding twelve (12) month period, beginning on January 1st and ending on December 31st. Such additional personal day shall be liquidated in accordance with Article XII, Section 1. Overtime hours paid do not count towards the minimum hours above.

Section 13.2. Accumulation of Sick Leave
Employees shall be allowed to carry over from year to year of continuous service any unused sick leave allowed under this provision and shall retain any unused sick leave or emergency absence leave accumulated prior to the effective date of this Agreement.

Section 13.3. Advancement of Sick Leave
An employee with more than two (2) years continuous service, whose personnel records warrant it, may be advanced sick leave with pay for not more than ten (10) working days upon written approval of the operating agency and the Director. Such advances will be charged against sick leave accumulated in subsequent service.

Section 13.4. Illness or Injury Leave
Employees who have utilized all their accumulated sick leave days and are unable to report to or back to work because of their sickness or injury shall receive an Illness or Injury Leave without pay and may receive additional extension(s) of such leave. Prior to application for such leave or extension thereof the employee shall inform Employer that such condition exists or advise Employer that such condition is continuing before the expiration of their original leave or an extension thereof and if so requested, take a physical examination given by employer's physician if there is a doubt as to the employee's illness. The employee shall report back to work as soon as physically able. If there is a difference of opinion between employer's physician and the employee's physician as to his/her illness or ability to return to work, Employer may request an examination by another physician (who is not employed by the State). Such examination shall be paid for by Employer.
Section 13.5. Proof of Illness or Injury Status
The Employer may place an employee on proof of illness or injury status by notifying the employee and FOP that future use of sick time must be substantiated. In said notice, the Employer will state its reasons for placing the employee on proof status and will specify the type of substantiation required. The Employer shall specify any specific information it requires in the substantiation and the length of proof status. The employee or FOP may grieve being placed on proof status pursuant to the procedures of Article X. If an employee on proof status fails to provide a medical statement which verifies he/she was seen by a medical practitioner on the date in question, the employee will not be allowed to use accumulated sick leave and may be subject to docking and/or discipline.

If the employer demands an additional form of proof different from that which is furnished and involves cost to the employee the employer shall pay the cost of such professional charges, when such verifies the employee was not abusing sick leave.

Section 13.6. Effect of Department of Central Management Services Personnel Rules
The Department of Central Management Services Personnel Rules govern the substantive content of this Article, and any amendments to said rules are immediately incorporated as additions and/or deletions to this Article.

Section 13.7. Payment in Lieu of Sick Leave
Upon termination of employment for any reason, an employee or the employee’s estate is entitled to be paid for unused sick leave pursuant to Public Act 90-65.

Section 13.8. Appointments
Employees shall attempt to schedule non-emergency medical appointments during their non-working hours.

ARTICLE XIV - LAYOFF

Section 14.1. Application of Layoff
FOP recognizes the right of Employer to layoff employees for reasons of lack of funds or work, abolition of a position, or material change in duties or organization. Layoffs shall be in accordance with the procedure set forth in this Article except that it shall not apply to temporary emergency shutdown where all affected employees are able to be recalled nor shall it apply in the event of temporary layoff pursuant to Section 6 of this Article.

Section 14.2. General Layoff Procedure
A. Layoffs shall be by appropriate organizational unit in the bargaining unit. Organizational unit is defined as follows:
Within the Office of Law Enforcement the organizational unit for layoff purposes shall be the employees Zone. The state shall utilize four zones for the purposes of layoff. Zones are identified in Appendix B.

B. Employee within the appropriate layoff unit shall be laid off in inverse order of seniority except that Employer may layoff out of seniority to comply with EEO and related affirmative action laws. For the purposes of layoff, seniority shall prevail unless a less senior employee has demonstrably superior skill and ability to perform the work required in the position classification. The parties shall meet to discuss such compliance with EEO and related affirmative action laws.

Section 14.3. Notice of Layoff
In the event that the Employer becomes aware of an impending reduction in the work force due to layoff, it will notify FOP as soon as practicable.

Section 14.4. Transfer on Layoff
An employee who is scheduled for layoff shall be offered available permanent vacancies in the same position classification on a state-wide basis. Refusal to accept such offer will not impair the employee’s rights to recall.

Section 14.5. Recall
When staffing is increased, the Employer shall recall laid off employees to such position classification, in accordance with Article VI, Section 1.

An employee laid off from work shall retain and accumulate seniority and continuous service during such layoff not to exceed two (2) years. A laid off employee who fails to respond within ten (10) workdays of the recall, or upon acceptance fails to be available for work within the time agreed to by Employer, which shall not be less than five (5) calendar days, shall forfeit all recall rights.

If an employee is recalled and is unavailable to accept the position due to documented medical reasons, the agency may bypass the employee and the employee shall remain on the recall list.

Employee’s right to recall shall exist for a period of two (2) years from the effective date of layoff.

Section 14.6. Temporary Layoff
The above provisions do not apply in the event of layoff pursuant to Personnel Rule 302.510 which allows the Employer to temporarily layoff any employee for not more than five scheduled workdays in any 12-month period as a result of or for lack of work or funds.
ARTICLE XV - VACATIONS

Section 15.1. Amounts
Employees shall earn vacation time. No employee on leave of absence may earn vacation except when the leave was for the purpose of accepting a temporary working assignment in another classification.

Eligible employees shall earn vacation time in accordance with the following schedule:

a) From the date of hire until the completion of five (5) years of continuous service: ten (10) workdays per year.

b) From the completion of five (5) years of continuous service until the completion of nine (9) years of continuous service: fifteen (15) workdays per year.

c) From the completion of nine (9) years of continuous service until the completion of fourteen (14) years of continuous service: seventeen (17) workdays per year.

d) From the completion of fourteen (14) years of continuous service until the completion of nineteen (19) years of continuous service: twenty (20) workdays per year.

e) From the completion of nineteen (19) years of continuous service until the completion of twenty-five (25) years of continuous service: twenty-two (22) workdays per year.

f) From the completion of twenty-five (25) years of continuous service: twenty-five (25) workdays per year.

Section 15.2. Vacation Time
Vacation time may be taken in one (1) hour increments at a time. Supervisors may however, grant employee requests to use vacation time in smaller increments of fifteen (15) minutes after a minimum use of one-half (1/2) hour. Vacation time shall not be accumulated for more than 24 months after the end of the calendar year in which it is earned. Vacation time earned shall be computed in workdays.

Section 15.3. Interrupted Service
Computation of vacation time of state employees who have interrupted continuous state service shall be determined as though all previous state service which qualified for earning of vacation benefits is continuous with present service. The rule provided in this paragraph applies to vacation time earned on or after October 1, 1972.
Section 15.4. Vacation Scheduling
Vacation must be scheduled so that it may be taken no later than 24 months after the expiration of the calendar year in which such vacation was earned. If the employee does not request and take accrued vacation within such 24 month period, vacation earned during such calendar year shall be lost. Employer, unless emergency needs dictate otherwise, shall not change an employee’s vacation once it has been approved, without the employee’s written authorization.

Section 15.5. Vacation Payment
If because of operating needs Employer cannot grant an employee's request for vacation time within the 24 month period after the expiration of the calendar year such time was earned, such vacation time shall be liquidated in cash at straight time provided the employee has made at least three (3) separate requests, consisting of different days not including regular days off, for such time within the calendar year preceding liquidation.

No salary payment shall be made in lieu of vacation earned but not taken except as provided in this Section and on termination of employment for eligible employees with at least six (6) months of continuous service in which case the effective date of termination shall not be extended by the number of days represented by said salary payment.

Section 15.6. Vacation Action
During the period of November 1 through November 30 of each year, officers may submit in writing to the Employer, their preferences for vacation periods for the following calendar year. An officer may submit requests for up to three (3) blocks of vacation time during this period. An employee who has been granted his/her first preference shall not be granted another preference if such would require denial of the first preference of a less senior employee. An employee’s preference shall be defined as a block of vacation time consisting of a specific period of time, uninterrupted by workdays, and may include the officer’s entire available earned vacation time. In establishing vacation schedules, the Employer shall consider both the officer’s preference and the operating needs of the Employer. Where the Employer, based on operational needs, is unable to grant and schedule the vacation preference for all officers within a work location, but is able to grant some of such (one or more) vacation preferences, such approval shall be done on basis of seniority as defined in Article VI. Subject to Employer’s operating needs, all other vacation requests shall be scheduled in the order of request.

The Employer shall approve or disapprove vacation requests within ten (10) working days after receipt of an employee's request, except those requests submitted between November 1 and November 30 shall be considered as a whole and acted upon by December 15 of that year.

ARTICLE XVI - TEMPORARY ASSIGNMENT

A. Be assigned, by Employer, to assume the duties and responsibilities of a different position classification.

B. Perform a preponderance of duties and responsibilities which distinguish the position.

C. Perform duties and responsibilities not provided for in their regular position classification.

An employee temporarily assigned to the duties of a position classification in an equal or lower pay grade than his/her permanent position classification shall be paid his/her permanent position classification rate. If the employee is temporarily assigned to a position classification having a higher pay grade than his/her permanent position classification, the employee shall be paid as if he/she had received a promotion into such higher pay grade.

Employer agrees to pay the employee the higher rate as set forth above for the full time of such assignment. For the purpose of calculation, any temporary assignment of less than one-half day shall be counted as one-half day and any temporary assignment of more than one-half day but less than a full day shall be considered one full day. No employee shall be required to work in a temporary position in excess of six (6) months per calendar year.

When the Employer makes a temporary assignment, it will give notice to the employee of the anticipated length of the assignment and extensions thereof. An employee’s refusal to take a temporary assignment to a higher level position outside the bargaining unit which assignment is anticipated to last more than two months will not subject the employee to discipline.

Section 19.1. Policy
Employer recognizes the operational value of internally promoting qualified employees and will strive to provide career progression subject to the operating needs of the agency. However, Employer reserves the right to use at its discretion other means available as provided in the Personnel Rules for filling vacancies, subject to the provisions of this Agreement.

Section 19.2. Posting

If the employee who has been temporarily assigned is not selected for the posted vacancy, the employee shall have the right to be placed in a vacant position equal to his/her current classification, if the employee meets the minimum training and experience requirements of the position including bona fide skills, if any, required for the position pursuant to this Agreement. If no such vacancy exists within the employee’s official organizational unit, the employee shall displace the least senior employee in his/her classification within such unit and the least senior employee shall be subject to the provisions of Article XIV, Layoff. If the temporarily assigned employee is the least senior within
the employee's classification, the employee shall be subject to the provisions of Article XIV, Layoff.

If the employee who has been temporarily assigned is selected for the posted vacancy, the employee shall have his/her creditable service date adjusted to reflect the first date on which he/she was temporarily assigned without interruption.

In cases when the new position is established at a classification lower than that of the temporarily assigned employee, the least senior employee in the same classification as the temporarily assigned employee within the official organizational unit shall be assigned to the lower level position, and the temporarily assigned employee shall be transferred to the least senior employee's former position, if there are not sufficient vacancies in the employee's original classification.

In all cases when the employee is moving to an equal or lower level position, such actions shall not be subject to the provisions of Article XIX, Filling of Vacancies. Should the employee elect not to accept any of these options or none of the options exist, the employee shall be laid off, subject to the provisions of Article XIV, Layoff. When an employee is placed in a lower level position, the employee's rate of pay in the original position shall be frozen for 12 months from the effective date of the placement in the lower level position.

The Employer shall have the right to conduct random drug testing or drug testing on an employee if there is reasonable suspicion that the employee is under the influence of alcohol or an unauthorized controlled substance. No officer shall be required to submit to a blood test, breathalyzer test, or any other test to determine the presence of alcohol in the blood, or any test to determine the use of or presence of drugs or other chemical substances, except pursuant to the Department's random drug testing policy, or if the officer is involved in an on-duty incident where deadly force, as defined in 50 ILCS 727/1-25 was used, or if the Employer has reasonable suspicion that the employee is under the influence of or is using alcohol or an unauthorized controlled substance.

Such testing shall be completed as soon as practicable, but no later than the end of the involved officer's shift. The officer shall submit to a blood test, breathalyzer test, or any other test to determine the presence of alcohol in the blood, or any test to determine the use of or presence of drugs or other chemical substances. Investigations shall be in accordance with the Office of Law Enforcement Policy and Procedure/Orders.

MEMORANDUM OF UNDERSTANDING (SHAKMAN)

The State of Illinois is currently under monitoring of the federal court for compliance with the Shakman Consent Decrees. Shakman v. Democratic Organization of Cook County, et al., Northern District of Illinois Case No. 69 C 2145.

On January 7, 2019, the Shakman court entered an order setting out both a reformed process for filling exempt positions and principles and commitments for filling all non-exempt positions. Shakman, Doc. No. 6154. Bargaining unit positions have job protections through the collective bargaining agreement, and are, therefore, covered by the court’s principles and commitments for non-exempt positions.

The Court ordered the State to implement of the following relevant principles (excerpted from Doc. No. 6154):

J. Electronic Application Process. CMS shall establish and implement an electronic application process that requires applicants to apply online for specific listed vacancies. The electronic application process that CMS creates shall include an automated screening mechanism to narrow the pool of applicants for interviews. The screening mechanism shall evaluate candidates based on the Minimum Qualifications of the positions and may also incorporate pre-established preferred qualifications.

K. Uniform Processes Throughout State. The State of Illinois shall create and communicate to all Agencies a uniform documentation process for hiring and promotions to allow for adequate monitoring and review.

The implementation of the court order will result in a standardized, statewide online application process for all job-protected positions, including bargaining unit positions.

The State is obligated to implement the Court’s order. The parties share a commitment to a more efficient and timely process. To that end, the parties agree as follows:

• Prior to implementation of a new system for bargaining unit positions, the Union shall review and provide input.

• All provisions of the collective bargaining agreement shall continue to apply, except as modified herein.

• CMS Bureau of Personnel will continue to assess and verify employee qualifications. The qualification review process will transition to a numerically ranked, automated assessment with a quality control analysis performed by the CMS Bureau of Personnel staff. For the purposes of determining if employees are qualified for positions in which they are seeking to exercise their contractual rights to filling of vacancies outlined in the collective bargaining agreement, the following numerical rankings will be treated as the corresponding grade and considered of equal value within each letter group:
Numerical ranking of 90-100 would be treated as an A grade  
Numerical ranking of 80-89 would be treated as a B grade  
Numerical ranking of 70-79 would be treated as a C grade

- In consultation with the Union, the Employer will provide all employees with advance notice of implementation of the new system and shall develop training on the new application procedures and system. Upon request, employees shall receive training on the new system.

- A procedure shall be established to ensure that employees who do not have access to computers or who lack computer skills shall be given appropriate access and/or training.

- CMS will assess candidate qualifications in response to an express interest in a specific position being filled except that all agreements remain in effect regarding continuous posting and permanent bidding.

- The State will no longer be exhausting promotional registers prior to selecting "B" bidders (80-89) after all "A" bidders (90-100) have been exhausted.

- The appeal process currently in place shall remain in effect.

- There shall be electronic receipts for applications and the opportunity for the employee to print out his/her profile.

- For positions requiring tests administered by CMS Bureau of Personnel, employees will only be required to test once unless the job requirements change.

- All promotional grades on the system as of August 31, 2019, or submitted to CMS Examining and Counseling for grading, as of August 31, 2019, shall continue to be valid within the currently established timeframes. After August 31, 2019, promotional applications will only be accepted in response to a posting. Upon implementation of the new system, an employee applying for a position in which they are exercising their contractual rights shall indicate if they already have a promotional grade for the position.

In keeping with the desire to make hiring processes more efficient, CMS is committed to making the following additional improvements for the benefit of bargaining unit members:
