ARTICLE 11
GRIEVANCE PROCEDURE

Section 1. Definition

A. A grievance is defined as any dispute or difference between Employer and the Union or any employee or group of employees covered by this Agreement with respect to the meaning, interpretation or application of this Agreement or with respect to issues arising out of other circumstances or conditions of employment within the control of Employer.

B. Grievances may be processed by an employee as provided herein, and by the Union on behalf of itself, on behalf of any employee or on behalf of a group of employees but must set forth the names or classifications of such group of employees on the grievance. The resolution of a group grievance shall be made applicable only to those employees listed as grievants.

C. Any grievance arising out of the interpretation and/or application of a provision contained within this Agreement shall be heard pursuant to the procedures established herein.

Section 2. Grievance Steps

Step 1. Within five (5) working days of the incident giving rise to the grievance, or from the date the employee should have become aware of the incident with the exercise of reasonable diligence, the grievant shall file a written grievance with his/her immediate supervisor outside the bargaining unit (Division Level within the Department of Central Management Services). Only one subject matter shall be covered in any one grievance. The grievance shall contain a clear and concise statement of the facts giving rise to the grievance, the issue involved, the relief sought and specific references to this Agreement when appropriate. Within ten (10) working days of receipt of the grievance, the grievant’s immediate supervisor shall issue a written decision and serve a copy on the grievant and/or on the Union.

Step 2. If dissatisfied with the Step 1 decision, the grievant or the Union may appeal to Step 2 within ten (10) working days of receipt of the Step 1 decision or the date such decision was due, whichever is earlier, by filing a copy of the grievance with the Bureau Chief. Failure to file to Step 2 within the prescribed time limits, unless mutually agreed otherwise, shall result in the grievance being resolved pursuant to the Step 1 decision. Within five (5) working days of receipt
of the grievance, the Bureau Chief shall issue a written decision and serve a
copy on the grievant and on the Union.

Step 3. If dissatisfied with the Step 2 decision, the Union may appeal to Step 3
within five (5) working days of receipt of the Step 2 decision or the date such
decision was due, whichever is earliest, by filing a copy of the grievance with the
Agency Director or the Director's designee. Failure to file to Step 3 within the
prescribed time limits, unless mutually agreed otherwise, shall result in the
grievance being resolved pursuant to the Step 2 decision. The Director or his/her
designee, shall schedule a meeting to discuss the grievance with the Union.
Such meeting shall be held within fifteen (15) working days of receipt of the
grievance. Within ten (10) working days after such meeting, the Director or
his/her designee shall issue a written decision and serve a copy on the Union.

Step 4. If dissatisfied With the Step 3 decision, or if no decision is issued within
the specified time limit, the Union may appeal to the Director of CMS or his/her
designee by submitting a written notice of appeal with a copy of the grievance
attached within ten (10) working days after receipt of the Step 3 decision or the
date such decision was due. Failure to file to Step 4 within the prescribed time
limits, unless mutually agreed otherwise, shall result in the grievance being
resolved pursuant to the Step 3 decision. Within twenty (20) working days after
receipt of the Step 4 appeal, the CMS Director, or his/her designee, the parties
shall schedule a meeting to:

a) Discuss and resolve the grievance; or
b) Select an arbitrator to hear the grievance and establish, where possible,
the hearing date.
c) Both parties agree to attempt to arrive at a joint stipulation of the facts and
issues as outlined to be submitted to the arbitrator. The Employer or the
Union shall have the right to request the arbitrator to require the presence
of witnesses and/or documents. Each party shall bear the expense of its
own witnesses.

Questions of arbitrability shall be decided by the arbitrator. The arbitrator shall
make a preliminary determination on the question of arbitrability. Once a
determination is made that the matter is arbitrable or is such preliminary
determination cannot be reasonably made, the arbitrator shall then proceed to
determine the merits of the dispute. The merits of the grievance shall be based
on the exact wording of the grievance.

The arbitrator shall only have authority to determine compliance or non-
compliance with the provisions of this Agreement and shall have no right to
amend, modify, nullify, ignore, add to, or subtract from the provisions of this
Agreement. He shall only consider and make a decision with respect to the
specific issues submitted, and shall have no authority to make a decision on any
other issue not so submitted. In the event the arbitrator finds a violation of the
terms of this Agreement, he shall fashion an appropriate remedy. The arbitrator
shall be without power to make a decision contrary to or inconsistent with or modifying or varying in any way that application of laws and rules and regulations having the force and effect of law.

The arbitrator shall submit in writing his decision within thirty (30) calendar days following close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to written extension thereof. The decision shall be based solely upon his interpretation of the meaning or application of the express terms of this Agreement to the facts of the grievance presented. A decision rendered consistent with the terms of this Agreement shall be final and binding. The expenses and fees of the arbitrator and the cost of the hearing room shall be paid by the losing party. In cases of split decisions the arbitrator shall determine what portion each party shall be billed for expenses and fees.

Nothing in this Article shall preclude the parties from agreeing to the appointment of a permanent arbitrator(s) during the term of the Agreement or to use the expedited arbitration procedures of the American Arbitration Association.

If either party desires a verbatim record of the proceedings, it may cause such a record to be made. In cases where a court reporter is used the cost of the court reporter's attendance and transcript shall be bourn by the party that requests the court reporter. However, in the event an arbitrator requests a copy of the record the costs of the court reporter's attendance and arbitrator's transcript shall be bourn equally. If both parties request copies of the record the entire cost of transcription shall be bourn equally by each party.

Section 3. Representation

Employees covered by this Agreement shall be represented only by the Union. Such representation shall be permitted at any and all steps of the procedure. The union representatives shall be from the same region as the employee requesting representation, unless the region does not have a representative, the regional representative is unavailable, or unless mutually agreed otherwise. In any case where an employee represents himself/herself, the final level through which the grievance may be processed by the employee shall be at Step 2.

Section 4. Time Limits

A. Grievances may be withdrawn at any step of the procedure without prejudice. Grievances not appealed within the designated time limits shall be treated as withdrawn or shall result in the grievance being resolved pursuant to the Employer's decision, as applicable. Failure of Employer to respond within the designated time limits at any step of the grievance procedure shall permit the Union, and where provided, the employee, to process the grievance to the next step within the designated time limits.
B. The time limits at any step may be extended by agreement of the parties involved at that step.

C. Grievances concerning suspensions and layoffs shall be initiated at Step 3 of the grievance procedure.

D. Certain issues which by nature are not capable of being settled at a preliminary step of the grievance procedure may by mutual agreement be filed at the appropriate step where the action giving rise to the grievance was initiated.

Mutual agreement shall take place between the appropriate Union representative and the proper Employer representative at the step where it is desired to initiate the grievance.

Section 5. Time Off

A. The grievant and/or the Union steward shall be permitted reasonable time without loss of pay during their normal working hours to process a grievance. No employee or Union steward shall leave his/her work to process a grievance without first notifying and receiving authorization from his/her supervisor, which authorizations shall not unreasonably be withheld. Such leave shall not interfere with the operating needs of the agency. Such reasonable time off shall not exceed four (4) hours in any one day, except for arbitration days.

B. Employer shall not be responsible for any subsistence expenses incurred by grievants or the Union steward in the processing of grievances.

C. Witnesses who have been subpoenaed and who are State employees and whose testimony is pertinent to the grievance presentation will be permitted reasonable time off without loss of pay to attend grievance or arbitration hearings.

Section 6. Number of Grievances

By mutual agreement of the Union and Employer, more than one grievance may be scheduled at any step of the grievance procedure.

Section 7. Stewards and Jurisdictions

The Business Manager of the Local Union shall designate up to three (3) stewards, in addition to the Union staff, who are bargaining unit members who are authorized to represent employees. The Union shall designate the jurisdictional area for each steward. Each jurisdictional area shall be limited to a reasonable area to minimize the loss of work time and travel, giving consideration for the geographic area, shifts, units and where the number of employees in such units are too minimal to warrant designation of a steward.
The Union shall provide to the Employer a written list of stewards and their respective jurisdictional areas in writing annually to the Department of Central Management Services, agency Labor Relations and local level administrators. Any changes thereto shall be forwarded to Employer by the Union as soon as possible after changes are made.

Section 8. Civil Service Commission Jurisdiction

The parties recognize that the Civil Service Commission has sole jurisdiction and authority to hear appeals relating to demotion, geographical transfer, or position classification/allocation.

Discharges and suspensions in excess of thirty (30) days within a twelve (12) month period shall be either arbitrated through the grievance procedure or appealed to the Civil Service Commission.

Section 9. Deferral to the Grievance Procedure

The parties recognize that any dispute arising from the collective bargaining agreement must be resolved pursuant to this Agreement, the Illinois Public Labor Relations Act or the Uniform Arbitration Act.

Section 2. Suspension Pending Discharge

The Employer may suspend an employee without pay up to 30 days pending a decision on discharge of the employee. Such actions shall not be subject to the grievance procedure, however if suspension pending discharge is replaced by another disciplinary action, written notice will be issued and such action may be subject to the grievance procedure.

Section 3. Pre-Disciplinary Meeting

Prior to notifying the employee of the measure of discipline to be imposed, the Employer shall notify the Union and the employee. The Employer shall afford a reasonable opportunity for a meeting with the employee involved and, if requested by the employee, the Union, for the purposes of providing all relevant documentation, contemplated measures of discipline, if possible, and names of witnesses relating to the facts of the charge; and to permit the employee to rebut the charges, if the employee so desires. If the employee does not request Union representation, the Union representative shall nevertheless be entitled to be present as a non-active participant at any and all such meetings. The Employer shall provide reasonable notice of such meeting to be held at a mutually agreeable time.

Pre-disciplinary meetings shall not be required to be held in cases of oral and written reprimands

Section 4. Notice

In the event written disciplinary action is taken against an employee, the Employer shall promptly furnish employee and the Union with a clear and concise copy of the statement of facts giving rise to the discipline and the measure of discipline intended. The measure of discipline intended may not be increased as it relates to the statement of facts once the statement has been served. The Employer shall notify the employee and the Union of the discipline imposed, within forty-five (45) days after completion of the pre-disciplinary meeting.

Section 5. Investigatory Interview

An employee shall be entitled to the presence of a steward and/or Union staff at an investigatory interview if she/he requests one and if the employee has reasonable grounds to believe that the interview may be used to support disciplinary action against her/him.

Section 6. Removal of Discipline

By written request of the employee, any discipline imposed except suspensions and/or discharges shall be removed from an employee’s record if, from the date
of the last reprimand or discipline, two (2) years pass without the employee receiving any additional discipline.

Section 8. Polygraphs

A Union representative may accompany a bargaining unit employee to a polygraph examination and may review the polygraph questions, but may not be present during the actual administration of a polygraph examination.

The employee shall be provided with a copy of the results of the report of that polygraph examination and a copy of the conclusions reached by the examiner within ten (10) days of receipt by the investigating unit or agency.

Supervisors may however, grant employee requests to use sick time in smaller increments of fifteen (15) minutes after a minimum use of one-half (1/2) hour. Evidence of illness, including doctor's statement, may be required where the Employer may have reason to believe that such leave days were not used for the purpose herein set forth. For periods of absence for more than ten (10) consecutive workdays, the employee shall provide verification for such absence in accordance with the provisions of Personnel Rule 303.145. Sick leave may also be used in the event of death of grand relations and parent and child-in-laws. Visit of four (4) days per year to a veterans hospital or clinic for examination needed because of military service-connected disability shall be in pay status without charge to Sick leave.

Section 2. Accumulation of Sick Leave

Employees shall be allowed to carry over from year to year of continuous service any unused sick leave allowed under his provision and shall retain any unused sick leave or emergency absence leave accumulated prior to the effective date of this Agreement. Sick leave that remains at the time of employee separation or retirement shall be treated in accordance with Personnel Rules and Illinois Legislative Compiled Statues.

Section 3. Advancement of Sick Leave

An employee with more than two (2) years continuous service, whose personnel records warrant it, may be advanced sick leave with pay for not more than ten (10) working days upon written approval of the agency and the Director of Central Management Services. Section 4. Illness or Injury Leave (Non-service Connected)

Employees who have utilized all their accumulated sick leave days and are unable to report to or back to work because of their sickness or injury shall receive a non-service connected Illness or Injury Leave without pay and may receive additional extension(s) of such leave. Such examination shall be paid for by Employer.

Section 5. Proof of Illness or Injury Status

In said notice, the Employer will state its reasons for placing the employee on proof status and will specify the type of substantiation required. The Employer shall specify any specific information it requires in the substantiation and the length of proof status. The employee or the Union may grieve being placed on proof status pursuant to the procedures of Article 11. If an employee on proof status fails to provide a medical statement which verifies he/she was seen by a medical practitioner on the date in question, the employee will not be allowed to use accumulated sick leave and may be subject to docking and/or discipline.

If the Employer demands an additional form of proof different from that which is furnished and involves cost to the employee, the Employer shall pay the cost of such professional charges, when such verifies the employee was not abusing sick leave.

Section 6. Resolution of Leave Disputes

In the case of a dispute involving service connected injury or illness, no action shall be taken which is inconsistent with relevant law and/or regulations of the Illinois Workers' Compensation Commission. Such determination shall pertain solely to an employee's right to be placed on or continued on illness or injury leave, including service connected illness or injury leave. For service connected illness or injury leave, the right to select the impartial physician shall be between the employee and the Department of Central Management Services.

Section 4. Transfer/Reduction In Lieu of Layoff

Refusal to accept such offer will not impair the employee’s right to re-employment provided in Section 5 of this Article. The parties recognize that promotion is not an option in the layoff process.

Section 5. Re-Employment

A. When permanent vacancies occur within the Meat & Poultry Inspector Supervisor, Assistant Automotive Shop Supervisor or Automotive Shop Supervisor position classifications, prior to filling such vacancies by any other means, the Employer shall re-employ laid off employees to such position classification pursuant to re-employment. Employees subject to

AFFIRMATIVE ATTENDANCE POLICY

1. The Employer recognizes that personal problems may affect employee attendance and encourages utilization of the Employee Assistance Program.

2. Unauthorized absences shall be those absences for which time is not approved. The threshold between late arrival and unauthorized absence is one hour after the starting time. Although tardiness is not considered an unauthorized absence under this agreement, employees are expected to report to work on time each day as scheduled.

3. Authorized dock time shall be granted when sick time has been exhausted if proper medical certification is provided within three (3) work days. It is the employee's responsibility to provide medical certification to their supervisor. Documents that do not contain the necessary elements will not be accepted and the employee will be so notified. The absences shall be considered unauthorized if acceptable certification is not subsequently provided within five (5) work days.

Proper medical certification must contain the following elements:

a) Signature, address, and phone number of the medical practitioner (or the authorized designee);
b) The pertinent dates in question of the illness or injury;
c) An Indication that the employee was unable to work on the date(s) in question for the reasons of personal or family illness;
d) The original medical statement; if the employee needs a copy management will provide.

Notwithstanding the above, the Employer may accept an electronically generated statement with an electronic signature or a facsimile with cover page, as long as the necessary information is provided as set forth in 3(a), (b), (c) and (d).

Vacation, holiday, compensatory and personal business time shall be requested in advance, except in emergency situations and as set forth in Paragraph #5. If no personal business, vacation, holiday or compensatory time is available, authorized dock time shall be approved for emergency situations, subject to verification of the emergency situation.

4. Authorized dock time under these circumstances is limited to five (5) days within a twelve (12) month period, unless approval for more time is granted by the authorizing supervisor. Employees who have used all allowable authorized dock time shall be informed of their right to apply for an appropriate leave of absence. Employees who have been on proof status within the previous three (3) months shall have no right to authorized dock time.
5. All employees' requests for benefit time usage must be supported by a request for time off form submitted by the employee. In accordance with agency practice, requests for available benefit time other than unscheduled sick leave, emergency personal business and inclement weather situations, shall be made reasonably in advance, in writing, using the proper form. Consideration of such requests shall be in accordance with the Master Agreement.

Where current practices exist, same day call-in requests for vacation, compensatory, and holiday time shall be made only when it is not possible to request such time in advance and in writing using the appropriate form. When an employee is claiming that it is not possible to request the vacation, compensatory or holiday time reasonably in advance in writing, the Employer has the right to inquire as to why it was not possible, although such inquiry may only be made when reasonable grounds exist to suggest abuse. Same day call-in requests for vacation, compensatory or holiday time shall not be denied unless a bona fide operating need exists to do so. Under no circumstances will such request be denied solely because a request is called-in on the day requested. The form must be provided to the supervisor no later than two (2) of the employee’s workdays after the employee’s return from the absence.

Supervisors must ensure that the form is readily available to the employee. Failure of the employee to provide this form may result in the absence being considered unauthorized, and the employee may be docked, and disciplinary referral may be initiated. If the employee subsequently submits the form within two (2) of the employee’s workdays after notification of being docked, the determination of an unauthorized absence shall be corrected.

6. Supervisors must process all completed forms generated from call-ins within five (5) calendar days of submission, either approving or disapproving the request.

7. As long as the employee meets the applicable Leave of Absence requirements, the Employer will approve leave for the time frame documented, including request for short-term leaves.

It is the employee's responsibility to provide proper medical certification to their supervisor. Documents that do not contain the necessary elements will not be accepted and the employee will be so notified. The absences shall be considered unauthorized if acceptable certification is not subsequently provided within five (5) workdays. Proper medical certification must contain the following elements:

a. Signature, address, and phone number of the medical practitioner (or authorized designee)
b. The pertinent date(s) in question of the illness or injury.
c. An indication that the employee was unable to work on the date(s) in question for reasons of personal or family illness.
d. The original medical statement must be submitted; if the employee needs a copy management will provide.

Notwithstanding the above, the Employer may accept an electronically generated statement with an electronic signature or a facsimile with cover page, as long as the necessary information is provided as set forth in 7(a), (b), (c) and (d).

8. Unauthorized absences not called in pursuant to the work rules are subject to the following corrective and progressive disciplinary action:

B. Each day of unauthorized absence shall be considered a separate offense for the purposes of progressive discipline.

C. Each day of unauthorized absence without a call-in shall be considered as two offenses, and appropriate progressive discipline shall be administrated pursuant to Paragraph 8.A. above.

Under this Affirmative Attendance Agreement, except for the last offense before discharge, no employee will serve any suspension time. Employees will be given the usual notice of a suspension but will be expected to report to work and lose no wages. An employee will only serve five (5) days of actual suspension time for the last offense prior to discharge.

D. The parties agree that this section does not alter the provision in the Personnel Rule regarding discharge for five (5) consecutive days of unauthorized absence with no call-in (XA).

9. Prior to placing an employee on proof status, the supervisor shall meet with the employee to discuss the attendance records.

a. An employee whose attendance record creates reason to suspect abuse of sick time shall be counseled. Subsequently, and if a suspected abuse
sick day is used, the employee will immediately be given notice in writing of his/her placement on proof status for a 90-day period and appropriate disciplinary action may be imposed. If an employee claims the use of sick time on the day before or the day after a holiday, the Employer has the right to require written medical documentation.

b. While on Proof Status, proper medical certification will be required for each absence.

c. An employee's failure to provide proper medical certification within two (2) work days after the employee returns for each earned sick day used while on proof status, will be treated as an unauthorized absence and result in being docked time and progressive discipline, as outlined in Paragraph 8.

d. Proof status shall be reviewed with the employee after each 90-day period. If the procedural guidelines have been followed by the employee during the 90-day proof status period, the employee shall be given a written notice which cites the specific date when the Proof Status will be terminated. If reasons to suspect abuse continue and/or the pattern of sick usage has not improved, the employee shall remain on proof status.

e. Employees on proof status who are out of earned sick time and who continue to claim illness, shall apply for a Leave of Absence or face discipline, unless superseded by law.

f. Proper medical certification for proof status shall contain the following minimum elements:

1. Date, signature, address, and phone number of the medical practitioner.

2. The pertinent date(s) in question, for which earned sick leave is being requested and that the patient was seen.

3. Verification that the employee was unable to work on the date(s) in question, i.e. personal or family illness.

4. The original medical statement, not a photocopy or facsimile, must be submitted, if the employee needs a copy management will provide one.

g. Employees on proof status who utilize sick time for bereavement may be required to provide appropriate documentation (i.e. death certificate or obituary announcement)

h. It is the employee’s responsibility to provide proper medical certification. Documents that do not contain the necessary elements shall not be
accepted and the employee shall be so notified. The absences shall be considered unauthorized if acceptable certification is not subsequently provided within two (2) work days after notification of the required certification.

10. Discipline will be considered timely and progressive based on a rolling 24-month period. If the last disciplinary action is more than 24 months old, the progression will start over.

11. Employees not covered by an Affirmative Attendance Agreement prior to the effective date of this agreement shall be placed on the closest step of the discipline track for the same offense that does not represent an increase in the level of discipline but shall be no greater than a ten (10) day suspension. Employees, who have discipline under a prior Affirmative Attendance Policy, shall be placed on the closest step of the discipline track for the same offense that does not represent an increase in the level of discipline.

12. The Employer recognizes that personal problems may affect the attendance of employees. Upon request by the local Union president or designee, employees will be afforded a joint Union/Management consultation at the last suspension prior to discharge. The purpose of such consultations will be to provide guidance and counseling to the employee as to the need for their services, the consequences of continued unauthorized absences, the ability of services for problems, specifically including EAP, which may be identified and the ability to request a leave of absence.

13. This agreement supersedes any other agreement(s) on this issue.

However, by mutual agreement an agency and the Union may agree to a shorter time frame for eligibility subject to the approval of the Department of Central Management Services. Light duty assignments shall be subject to the following provisions:

5. A task force composed of up to three (3) union and three (3) management representatives is hereby established in each agency to develop a list of tasks that employees on light duty may be required to perform except that in agencies with 24-hour facilities, such task force shall be on a facility basis at the request of either party. At the request of either party, a statewide task force comprised of up to three (3) union and three (3) management representatives shall also be established.

6. Prior to assignment on light duty, the union, management, and the employee shall meet to discuss the employee’s assignment. Such assignments shall be made within the limitations set by the treating physician.

7. If management desires to change an employee’s light duty tasks, it shall again meet with the employee and the union representative to repeat the process herein as set forth in #6.

8. In the case of a dispute between management and the union, the Union and the affected employee retain the right to grieve the assignment.
9. Any change in work schedule (shift or days off) will only be done by agreement with the Union and the Employer.

10. The employee shall receive his/her base rate of pay and benefits consistent with his/her classification.

11. Current practices regarding an employee on light duty being counted or not counted as part of a staffing minimum shall continue.

12. Employees on light duty shall not be in an overtime rotation unit, shall not be mandated to work overtime, and shall not be permitted to volunteer for overtime assignments, unless mutually agreed otherwise at the agency level.

13. The Union may initiate an expedited grievance at the Agency level over any violation of this policy:

14. In no case shall an employee be placed in an area that will pose health or safety risks to the employee or other staff.

15. If an employee is assigned a task beyond the limitations set by the treating physician, the employee shall have the right to refuse such task.

16. Light duty assignments shall be temporary in a nature and shall not be considered permanent vacancies.

17. In the event that there are less light duty assignments available than employees who are eligible, first priority shall be given to employees with service connected illness or injury. However, no employee shall be removed from light duty in order to give priority to an employee with a service connected illness or injury.

18. Employees do not waive any rights to Worker's Compensation benefits by participating in the program.

Shakman

Memorandum of Understanding

The State of Illinois is currently under monitoring of the federal court for compliance with the Shakman Consent Decrees. Shakman v. Democratic Organization of Cook County, et al., Northern District of Illinois Case No. 69 C 2145.

On January 7, 2019, the Shakman court entered an order setting out both a reformed process for filling exempt positions and principles and commitments for filling all non-exempt positions. Shakman, Doc. No. 6154. Bargaining unit positions have job protections through the collective bargaining agreement, and are, therefore, covered by the court's principles and commitments for non-exempt positions.

The Court ordered the State to implement of the following relevant principles (excerpted from Doc. No. 6154):

J. Electronic Application Process. CMS shall establish and implement an electronic application process that requires applicants to apply online for specific listed vacancies. The electronic application process that CMS creates shall include an automated screening mechanism to narrow the pool of applicants for interviews. The screening mechanism shall evaluate candidates based on the Minimum Qualifications of the positions and may also incorporate pre-established preferred qualifications.

K. Uniform Processes Throughout State. The State of Illinois shall create and communicate to all Agencies a uniform documentation process for hiring and promotions to allow for adequate monitoring and review.

The implementation of the court order will result in a standardized, statewide online application process for all job-protected positions, including bargaining unit positions.

The State is obligated to implement the Court's order. The parties share a commitment to a more efficient and timely process. To that end, the parties agree as follows:

- Prior to implementation of a new system for bargaining unit positions, the Union shall review and provide input.
• All provisions of the collective bargaining agreement shall continue to apply, except as modified herein.

• CMS Bureau of Personnel will continue to assess and verify employee qualifications. The qualification review process will transition to a numerically ranked, automated assessment with a quality control analysis performed by the CMS Bureau of Personnel staff. For the purposes of determining if employees are qualified for positions in which they are seeking to exercise their contractual rights to filling of vacancies outlined in the collective bargaining agreement, the following numerical rankings will be treated as the corresponding grade and considered of equal value within each letter group:
  
  o Numerical ranking of 90-100 would be treated as an A grade
  o Numerical ranking of 80-89 would be treated as a B grade
  o Numerical ranking of 70-79 would be treated as a C grade

• In consultation with the Union, the Employer will provide all employees with advance notice of implementation of the new system and shall develop training on the new application procedures and system. Upon request, employees shall receive training on the new system.

• A procedure shall be established to ensure that employees who do not have access to computers or who lack computer skills shall be given appropriate access and/or training.

• CMS will assess candidate qualifications in response to an express interest in a specific position being filled except that all agreements remain in effect regarding continuous posting and permanent bidding.

• The State will no longer be exhausting promotional registers prior to selecting “B” bidders (80-89) after all “A” bidders (90-100) have been exhausted.

• The appeal process currently in place shall remain in effect.

• There shall be electronic receipts for applications and the opportunity for the employee to print out his/her profile.

• For positions requiring tests administered by CMS Bureau of Personnel, employees will only be required to test once unless the job requirements change.

• All promotional grades on the system as of August 31, 2019, or submitted to CMS Examining and Counseling for grading, as of August 31, 2019, shall continue to be valid within the currently established timeframes. After August 31, 2019, promotional applications will only be accepted in response to a posting. Upon implementation of the new system, an employee applying for a position in which they are exercising their
contractual rights shall indicate if they already have a promotional grade for the position.

In keeping with the desire to make hiring processes more efficient, CMS is committed to making the following additional improvements for the benefit of bargaining unit members:

- CMS will convert all closed (Group B) titles to open (Group A) titles.
