Honorable Bruce Rauner  
Honorable Members of the Illinois General Assembly

Dear Honorable Governor and Members of the General Assembly:

The Illinois Finance Authority (IFA) provides access to low-cost capital to public and private institutions that foster economic development, create and retain jobs, and improve quality of life for Illinois residents. IFA is a body politic and corporate of the State of Illinois. While the Illinois Procurement Code applies to IFA's procurements, it does not apply to IFA's contracts for legal, financial, and other professional and artistic services entered into on or before December 31, 2018 in which the State of Illinois is not obligated. 30 ILCS 500/1-10(b)(12).

To provide transparency, the Procurement Code requires the publication of these exempt contracts in the Illinois Procurement Bulletin within 14 days after contract execution. IFA must provide the Chief Procurement Officer a monthly report of these contracts. Additionally, I am required to provide the Governor and General Assembly an annual report of these exemptions. That is the purpose of this letter.

Attached is a summary of the thirty-five contracts procured under this provision of the Procurement Code in Fiscal Year 2016. The total value of the three contracts is \$750,000.

Please let me know if you have any questions or if I can be of further assistance.

A handwritten signature in blue ink that reads "E. H. Daley".
