 OFFICE OF MINORITY ECONOMIC EMPOWERMENT

Advancing the Development of Minority Entrepreneurship (ADME) Business Workshop

Are you looking for financing opportunities to meet your present business needs and prepare you for future growth? Are you looking for grant resources to help with the growth of your business? Are you a new business owner looking for resources? If so, you are invited to join the Illinois Department of Commerce and Economic Opportunity for an ADME Business Workshop.

During the workshop, subject-matter experts will address the needs of business owners, those looking to do business with the State of Illinois and those looking to find resources for their businesses.

Information will also be provided on the Advantage Illinois Loan Participation Program and FAME (Fund for the Advancement of Minority Enterprises). The State participates 50% on loans with lenders, enrolled in the program, offering a 2% fixed rate and up to \$400,000 on the State's portion.

Register today to take advantage of this free event. Refreshments will be provided.

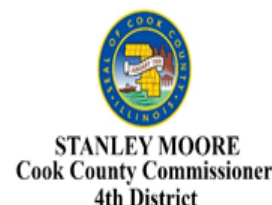

Topics to be covered:

- GATA: What are the Pre-Award Requirements to Receive a Grant?
- Business Enterprise Program Certification for the State of Illinois - Doing Business with the State
- Importance of Credit
- Access to Capital Panel
