- C. The Department shall notify the Company in writing that it is subject to revocation or suspension. Such notice shall include the reason for revocation or suspension, except in the case of an uncontested automatic suspension, and inform the Company of the opportunity to request a hearing pursuant to Section 527.100 of the Rules. The Indemnitees shall not provide any indemnification to the Company.
- B. Notice of Claims. If the Indemnitees (collectively or individually, the "Indemnified Party") seek indemnification hereunder, notice shall be given to the Company (the "Indemnitor") within fifteen (15) days after the Indemnified Party receives notice of a claim that might be subject to indemnification hereunder (a "Claim Notice"), describing in reasonable detail the facts giving rise to any claim for indemnification hereunder and shall include in such Claim Notice (if then known) the amount or the method of computation of the amount of such claim, and a reference to the provision of this Agreement or any agreement, document or instrument executed pursuant hereto or in connection herewith upon which such claim is based; *provided, however*, that failure to give such notice shall not relieve the Indemnitor of its obligations hereunder except to the extent it shall have been prejudiced by such failure.
