MASTER PARTICIPATION AGREEMENT

This Master Participation Agreement (the "Agreement") is effective from the beginning date of _____, 201__, through the ending date of June 30, 2022 (if not earlier terminated), and is by and between _____ (the "Lender"), a (national/state banking association, a Corporation, etc.), having its principal office at _____, and the Illinois Department of Commerce and Economic Opportunity (the "Department"), a department of the State of Illinois, having its principal office at 500 East Monroe Street, Springfield, Illinois 62701-1615.

RECITALS

Whereas the Department has created the Participation Loan Program (as hereinafter defined) under the authority granted to it pursuant to Illinois Public Act 100-0037, the Small Business Development Act of the Build Illinois Act (30 ILCS 750/9-1 *et seq.*), and the Department of Commerce and Economic Opportunity Law (20 ILCS 605/605-1 *et seq.*); and

Whereas the Department of Commerce and Economic Opportunity Law (20 ILCS 605/605-55) authorizes the Department to enter into any contracts that it deems "necessary, proper, and expedient in accomplishing its duties"; and

Whereas the purpose of the Participation Loan Program (the "Program") is to foster economic development in Illinois by enhancing the availability of credit to small and medium-sized businesses from private sources of capital; and

Whereas, in pursuit of those goals, the Department may be willing, from time to time, to purchase participation interests in loans, including principal and interest payable there under, made by the Lender to certain Program-eligible businesses.

Now therefore, in consideration of the premises and the agreements contained herein, the Lender and the Department hereby agree as follows:

1. DEFINITIONS

In addition to the words and terms defined elsewhere in this Agreement, each of the following words and terms used in this Agreement shall have the following meaning unless the context or use indicates a different meaning. Definitions shall be applicable to both the singular and plural forms of the terms as the context may require:

"State Small Business Credit Initiative ("SSBCI") Fund" means a special fund in the State Treasury, as more fully set forth in 30 ILCS 750/9-4.8, the purpose of which is to finance intermediary agreements, administration, technical assistance agreements, loans, grants or investments in Illinois, using such funds deposited in accordance with 30 ILCS 750/9-4.8(b) and (c).

"Borrower" means the recipient of a Loan from the Lender for which a Participation Certificate has been or will be issued by the Lender and acknowledged by the Department, and all successors and assigns of such Borrower; provided such Borrower:

- (a) is a for-profit corporation or limited liability corporation, partnership or sole proprietorship having seven hundred fifty (750) or fewer employees and is authorized to conduct business in the State of Illinois; and
- (b) is not:
 - (1) a business engaged in speculative activities that develop profits from fluctuations in price rather than through normal course of trade, such as wildcatting for oil and dealing in commodities futures, unless those activities are incidental to the regular activities of the business and part of a legitimate risk management strategy to guard against price fluctuations related to the regular activities of the business;
 - (2) a business that earns more than half of its annual net revenue from lending activities; unless the business is a non-bank or non-bank holding company certified as a Community Development Financial Institution (CDFI);
 - (3) a business engaged in pyramid sales, where a participant's primary incentive is based on the sales made by an ever-increasing number of participants;
 - (4) a business engaged in activities that are prohibited by federal law or applicable law in the jurisdiction where the business is located or conducted. (Included in these activities is the production, servicing, or distribution of otherwise legal products that are to be used in connection with an illegal activity, such as selling drug paraphernalia or operating a motel that knowingly permits illegal prostitution);
 - (5) a business engaged in gambling enterprises, unless the business earns less than 33 percent of its annual net revenue from lottery sales; or
 - (6) in the business of manufacturing or selling at wholesale, tobacco products, liquor or sexually explicit materials or in the business of manufacturing or selling firearms at wholesale or retail; and
- (c) is not an executive officer, director or principal shareholder of the Lender; or a member of the immediate family of an executive officer, director or principal shareholder of the Lender; or a related interest of such executive officer, director, principal shareholder, or member of the

immediate family. For purposes of this paragraph, the terms "executive officer," "director," "principal shareholder," "immediate family", and "related interest" refer to the same relationship to a lender as the relationship described in part 215 of title 12 of the Code of Federal Regulations, or any successor to such part.

"Closing Documents" means all documents executed or delivered by the Borrower or the Lender with respect to a Loan, including without limitation a copy of the Lender's promissory note, the loan agreement, any security agreement, any financing statement or Uniform Commercial Code filing, any guaranty, any mortgage or assignment of rents, any pledge agreements, and any other document that secures repayment of the Loan.

"The Department Approval Letter" is a contingent approval letter prepared by the Department notifying the Lender that the Department is willing to purchase a Participation interest in a loan, and sets forth any special conditions related to the Participation that are binding. All approvals are contingent upon the Lender and Borrower meeting all requirements and providing adequate support documentation sufficient to comply with applicable laws and regulations to allow the Department to file the Loan Documents with the State Comptroller in order to obligate and obtain funds. (A sample Approval Letter is attached as Exhibit A). The Department Approval Letter, together with any approved revisions, will also set forth other terms and conditions specific to an individual Participation and are binding on the Lender and the Borrower.

"The Department Rate" means an interest rate set by the Department, either fixed, adjustable, or variable, to be used in calculating the amount of interest owed by the Lender to the Department on a given Participation, which rate shall initially be that shown on the Department Approval Letter related to such Participation. If the Department Rate as to such Participation is adjustable or variable, it shall be adjusted upwards or downwards every time the Lender Rate is adjusted so that the difference between the Department Rate and the Lender Rate shall always be the same as it was on the Purchase Date. The fixed, adjustable, or variable rate attribute must match the fixed, adjustable, or variable attribute of the Note that is all rates must be on the same basis.

"Lender" means a financial institution with which the Department has entered into an agreement or contract to provide loans to small businesses, in which the Department purchases an undivided interest in the otherwise qualifying loan.

"Lender Rate" means an interest rate set by the Lender, either fixed, adjustable, or variable (determined by the promissory note) used in calculating the amount of interest retained by the Lender (on all portions other than the Department portion) on a given Loan, which rate shall initially be that referenced in the Department Approval Letter related to such Loan. If the Lender Rate is adjustable or variable, the Department Rate shall be adjusted upwards or downwards every time the interest rate charged the Borrower is adjusted, so that the difference between the Lender Rate and the Department Rate shall always be the same as it was on the Purchase Date. The fixed, adjustable, or variable rate attribute must match the fixed, adjustable, or variable attribute of the promissory note that is all rates must be on the same basis.

"Loan" means a loan made by the Lender to a Borrower in which the Department has or will have a Participation.

"Loan Documents" means the Closing Documents, the Participation Certificate, the Department Approval Letter, and all other documents executed or delivered by the Borrower or Lender with respect to a Loan, including without limitation the Borrower's application, business plan, and historical and projected financial statements and any financial statements and reports delivered by the Borrower to the

Lender on an ongoing basis, the Lender's financial, repayment and collateral analysis, credit reports, and all periodic reports required to be delivered to the Department by the Lender under this Agreement.

"Low to Moderate Income Area" means an area or county within the State of Illinois that meets certain federal income guidelines taking into consideration the number of household members. To determine if a business is located in a Low to Moderate Income (LMI) Area, go to <http://www.ffiec.gov/geocode> and type in the address. Then click on "Get Census Demographic" in order to determine the income level of the tract.

"Minority Owned Business," "Female Owned Business," "Business Owned by a Person with a Disability," "Minority Person," "Female," "Person with a Disability," and "Disabled" shall mean:

"Minority Owned Business" means a business concern that is at least 51% owned by one or more Minority Persons (as defined below), or in the case of a corporation, at least 51% of the stock is owned by one or more Minority Persons; and the management and daily business operations of which are controlled by one or more of the minority individuals who own it.

"Female Owned Business" means a business concern that is at least 51% owned by one or more Females (as defined below), or, in the case of a corporation, at least 51% of the stock is owned by one or more Females; and the management and daily business operations of which are controlled by one or more of the Females who own it.

"Business Owned by a Person with a Disability" means a business concern that is at least 51% owned by one or more Persons with a Disability (as defined below) and the management and daily business operations of which are controlled by one or more of the Persons with Disabilities who own it.

"Female" shall have the same definition as provided under Section 2 of the Minority and Female Business Enterprise Act (30 ILCS 575/2).

"Person with a Disability" means a person who is a citizen or lawful resident of the United States and is a person qualifying as being disabled under Section 3 of the Americans with Disabilities Act of 1990 (42 USC 12102),

"Disabled" means a severe physical or mental disability that: (i) results from: amputation, arthritis, autism, blindness, burn injury, cancer, cerebral palsy, Crohn's disease, cystic fibrosis, deafness, head injury, heart disease, hemiplegia, hemophilia, respiratory or pulmonary dysfunction, mental retardation, mental illness, multiple sclerosis, muscular dystrophy, musculoskeletal disorders, neurological disorders, including stroke or epilepsy, paraplegia, quadriplegia or other spinal cord conditions, sickle cell anemia, ulcerative colitis, specific learning disabilities, or end stage renal failure disease; and (ii) substantially limits one or more of the person's major life activities.

"Note Rate" means the blended interest rate (weighted average of Lender Rate and the Department Rate, based on the percentage of investment) agreed upon by the Lender and the Department that the Borrower will pay on the overall Loan, which may be fixed, adjustable, or variable on a given Participation. This

Note Rate will be specified in the Borrower's Note. The Department Rate and Lender Rate will be on the same fixed, adjustable, or variable basis as the Note.

"Participation" means, with respect to a Loan, the Department's undivided participation interest in such Loan using SSBCI Fund funds, the Loan Documents and all of the Lender's right, title and interest pertaining to the Loan and all proceeds arising therefrom including, without limitation, any collateral for such Loan and any guaranties, mortgages, or other security interests obtained in connection therewith, expressed as a percentage and calculated from time to time by reference to the outstanding principal balance of the Loan.

"Participation Amount" means, with respect to a Loan, that portion of the original principal amount of the Loan purchased by the Department from the Lender using SSBCI Fund funds, minus the aggregate principal amount repaid, as of any date, on that portion of such Loan purchased by the Department from the Lender.

"Participation Certificate" means the document evidencing the Department's Participation with respect to a Loan made between the Lender and the Borrower. A sample Participation Certificate is attached hereto as Exhibit B.

"Project" means the project of the Borrower for which Loan funds are to be used, including without limitation the Loan, any equity or any other funds provided by owners, shareholders, banks, or other financial institutions.

"Prompt Payment" means the time period within which the Lender must forward or remit the Department's pro rata share of the Borrower's payment of its Loan to the Department. The payment is considered timely if the Lender remits said payment to the Department within five (5) business days of receipt. In the event a payment is not remitted to the Department within five (5) business days, a late fee of the greater of 5% of the total payment due (per payment being withheld) or \$50 (per payment being withheld), whichever is greater, shall be automatically assessed. Arrearage will be determined from the date the payment should have been remitted through the date the payment is actually remitted. This late fee will be immediately due and owing. Additionally, any and all late fees due to Lender's delinquency shall not be the responsibility of, and shall not be absorbed by or charged to, the Borrower. Furthermore, the Lender may be subject to the above late fee if it fails to timely tender the Monthly Report/Distribution Summary and Transmittal (a sample of which is attached hereto as Exhibit D) to the Department. In extreme and compelling circumstances and upon the Lender's written request, the Department may, within its sole discretion, agree to waive any late fees due to a late payment.

"Purchase Date" means, with respect to a Participation, the date on which such Participation is purchased.

"Servicing Expenses" means any and all out-of-pocket liabilities, obligations, losses, penalties, expenses (including reasonable legal expenses and fees), disbursements, costs and damages, but excluding salaries and wages of its officers and employees and overhead expenses, incurred by the Lender, or for which the Lender is responsible, directly or indirectly, in connection with or arising as a result of (a) the enforcement of rights or remedies with respect to a Loan or the collection of same (including those arising due to suits, claims or counterclaims by another party against the Lender), and (b) the protection of the interests in any collateral securing the repayment of the Loan. "Servicing Expenses" does NOT include services or products provided by or through the Lender for the benefit of the Borrower, guarantor, or other responsible party to facilitate their compliance with agreed terms and conditions. The mere fact that the Lender pays an expense does not in itself qualify it as a "Servicing Expense;" rather there must be a

clear correlation to the enforcement of the Lender's rights or remedies. Business restructuring expenses do not constitute "Servicing Expenses" unless prior written approval is obtained from the Department.

"Veteran" means an Illinois resident who served in the active military, naval, or air service, and who was discharged or released there from under conditions other than dishonorable, as specified in 38 U.S.C. 101(2). Active service includes full-time duty in the National Guard or a Reserve component, other than full-time duty for training purposes.

"Veteran Owned Business" means a business concern that is at least 51% owned by one or more persons who are Veterans or, in the case of a corporation, at least 51% of the stock is owned by one or more Veterans, and the management and daily business operations of which are controlled by one or more of the Veterans who own it.

2. APPLICATIONS AND APPROVAL; SALE AND PURCHASE OF PARTICIPATION

2.1 Applications. The Lender shall accept applications from prospective Borrowers and, if found creditworthy by the Lender and meeting the Program requirements contained in Section 3 below, the Lender shall submit the application and the details of the proposed Loan in a form satisfactory to the Department, together with copies of all financial statements and such other credit and financial materials as the Lender shall have in its files with respect to the Borrower, for the Department's review and purchase approval. The Lender must also obtain and submit to the Department a Certification executed by the Borrower (with necessary attachments) in substantially the form attached hereto as Exhibit C. The Department expressly reserves the right, in its sole discretion, to accept or reject any Borrower and/or any Loan. Once the Lender receives a Department Approval Letter, it may consummate the Loan and shall sell a Participation therein to the Department, pursuant to the terms and conditions set forth herein.

2.2 Maximum Department Interest. The Lender shall sell, assign and transfer, and the Department shall purchase and accept, subject to the terms and conditions of this Agreement, a Participation of not less than Twenty Thousand Dollars (\$20,000) nor more than Two Million Dollars (\$2,000,000). In no case shall the amount of a Participation exceed the lesser of twenty-five percent (25%) of the total cost of any Project for which a Loan is made nor more than fifty percent (50%) of the Loan amount, unless the Director of the Department determines in writing that it is in the best interest of the State to waive that limit, and in no case shall the term of the Loan be any longer than ten (10) years; provided, however, that in the case of a Loan to a Minority Owned, Female Owned, Owned by a Person with a Disability, or Veteran Owned Business in which the Participation Amount is not in excess of Four Hundred Thousand Dollars (\$400,000) the amount of the Participation shall not exceed the lesser of fifty percent (50%) of the total cost of the Project for which the Loan is made nor more than fifty percent (50%) of the Loan amount, unless the Director of the Department determines in writing that it is in the best interests of the State to waive that limit, and in no case shall the term of such a Loan be any longer than seven (7) years. The Department's percentage interest in each Loan shall never exceed the original applicable Participation Amount without prior written approval by the Department. The Department's Participation is computed by dividing the Department's principal balance by the Loan's principal balance. The Lender is responsible for monitoring and ensuring that, at any given time, the Department's Participation never exceeds its participation percentage. In the event the Department's Participation is ever greater than the Department's original participation percentage, the Lender must immediately pay the Department the excess principal to bring the Department's Participation into compliance with the Department's Approval Letter. At all times during which the Department owns a Participation in a Loan and until the Loan is paid in full, Lender shall continue to own the Loan and shall maintain an interest equal to at least fifty percent (50%) of the total amount of such Loan.

2.3 Department Approval. Upon receipt from the Lender of an application for a Loan with the applicable documents, the Department, in its sole discretion, shall determine whether it will purchase a Participation interest in the loan. The Department shall make every attempt to make its determination within thirty (30) days of receipt of the application and applicable documents. If the Department approves the Loan application, it will issue and send, via U.S. Mail, facsimile or electronic communication, a Department Approval Letter to the Lender, which shall remain in effect for thirty (30) days. The Lender shall, within thirty (30) days after the Department Approval Letter is issued, sign it and return the original to the Department or the Department Approval Letter shall expire. If the Lender does not close the Loan within one hundred twenty (120) days after the Department's Approval Letter is issued, the Department's approval will expire, unless a written extension of time is granted by the Department. The Department, in its sole discretion, may grant an extension of time provided that no material change in either the scope of the Project, the financial condition of the Borrower (including guarantors), or its ability to repay the Loan as originally approved has occurred. If the Department rejects the Loan application, it will make every attempt to so advise the Lender within thirty (30) days of receipt of the application.

2.4 Purchase and Funding of Participation. Upon the closing of a Loan for which the Lender has received a Department Approval Letter, the Lender shall notify the Department's Manager, Business Finance Division, or authorized designee, of the closing and shall deliver all Closing Documents to the Department within ten (10) business days of the closing, otherwise the Department's Participation shall be void, unless the ten day period is waived or extended in writing by the Department. The Department shall acknowledge the Participation Certificate (a sample of which is attached as Exhibit B) by having its Director or authorized designee execute the Certificate and return it to the Lender. The Department shall process the Participation Certificate and any other documents necessary to fund its Participation, and as soon as practicable shall initiate the actions to cause delivery of its Participation Amount to the Lender. The Participation will be considered funded on the date the State Comptroller issues a warrant or on the date the funds are electronically transferred to the Lender. Interest will begin to accrue on the date the Lender receives the funds. The Lender will be responsible for the timely movement/distribution of the Department funds to the Borrower.

3. PROGRAM REQUIREMENTS

Obligations of the Department will cease immediately without penalty or further payment being required (a) if the SSBCI Fund funds for the Program are no longer available (whether they have all been otherwise utilized or the Department no longer has access to them) or (b) in any fiscal year the Illinois General Assembly fails to appropriate or otherwise make available sufficient funds for this Agreement. The Department and the Lender acknowledge that the Program will be funded, in whole or in part, by the SSBCI Fund funds, as available, and as such, both the Department and the Lender agree that the use of funds pursuant to this Agreement shall be governed by, and not be in derogation of, any rules, regulations, or guidelines for the Program promulgated or issued by the State of Illinois. As to each Loan in which the Department purchases a Participation, the Lender agrees that it will have determined that all of the following are true and correct:

(A) The Project would not be undertaken unless the Loan is provided. The full amount of the Loan would not be made unless the Participation is purchased, or unless the Loan is being provided as an incentive to attract or retain a business in Illinois, or that the loan is being made to a business located in or relocating to a Low to Moderate Income Area;

(B) The purchase of the Participation will cause a Project to be undertaken in Illinois that has the potential to create or retain substantial employment in relation to the amount of the Loan or to modernize or improve the competitiveness of the Borrower;

(C) The Project is a new plant start-up, modernization, expansion or a new venture opportunity in Illinois, and it is not a relocation of an existing business from another site within the State of Illinois unless that relocation results in substantial employment growth in relation to the amount of the Loan;

(D) The Borrower is a credit disadvantaged firm, such as a business start-up or other young firm, or an industrial expansion, modernization, or environmental upgrade for a mature firm;

(E) The proceeds of the Loan will be used for a "business purpose". Business purpose includes, but is not limited to, start up costs, working capital, business procurement, franchise fees, equipment, inventory, as well as the purchase, construction, renovation or tenant improvements of an eligible place of business that is not for passive real estate investment purposes. The definition of business purpose excludes: activities that relate to acquiring or holding passive investments, such as commercial real estate ownership and the purchase of securities; and lobbying activities, as defined in Section 3(7) of the Lobbying Disclosure Act of 1995, P.L. 104-65, as amended. Loan proceeds will not be used:

- (i) to repay delinquent federal or state income taxes unless the Borrower has a payment plan in place with the relevant taxing authority;
- (ii) to repay taxes held in trust or escrow (e.g., payroll or sales taxes);
- (iii) to reimburse funds owed to any owner, including any equity injection or injection of capital for the business' continuance;
- (iv) to purchase any portion of any ownership interest of any owner of the business;
- (v) to place under the protection of the Program prior debt that is not covered under the Program and that is or was owed by the Borrower to the Lender or to an affiliate of the Lender;
- (vi) to refinance a loan previously made to the Borrower by the Lender or an affiliate of the Lender; or
- (vii) to enroll the unguaranteed portions of SBA-guaranteed loans;

However, notwithstanding the above, a Loan may repay the amount due on a matured loan or line of credit when all of the following conditions are met: (1) the new loan or line of credit includes the advancement of a minimum of twenty-five percent (25%) of the Loan being refinanced in the form of new monies to the Borrower; (2) the new loan is based on a new underwriting of the Borrower's ability to repay and a new approval by the Lender; (3) proceeds from the new loan may only be used to satisfy the outstanding balance of a loan or line of credit that has already matured or otherwise termed and the prior debt was used for a business purpose (as defined herein); and (4) the new loan has not been extended for the sole purpose of refinancing existing debt owed to the Lender. When all of these conditions are met, and an applicable loan is made, the Lender shall maintain documented substantiation that these four criteria were met.

(F) No Principal of the Lender has been convicted of a sex offense against a minor (as such terms are defined in Section 111 of the Sex Offender Registration and Notification Act (42 U.S.C. § 16911)). Furthermore, the Lender is required, on an ongoing basis, to notify the Department of any changes in the sex offender status of its Principals. For the purposes of this certification, "Principal" means the

following: if a sole proprietorship, the proprietor; if a partnership, each managing partner and each partner who is a natural person and holds a 20% or more ownership interest in the partnership; and if a corporation, limited liability company, association or a development company, each director, each of the five most highly compensated executives or officers of the Lender, and each natural person who is a direct or indirect holder of 20% or more of the ownership stock or stock equivalent of the Lender;

(G) The Lender is in material compliance with all federal and state laws, rules, and regulations pertaining to the making of loans (including 31 C.F.R. § 103.121);

(H) The Borrower is ready to implement the Project and has the financial ability to carry out the Project;

(I) The Borrower is responsible and creditworthy;

(J) The Loan is protected by security, which may include, as available, first or second mortgage positions on real or personal property, royalty payments on sales of products or services, or any other security satisfactory to the Department to secure repayment of the Loan. Personal notes or guaranties have been executed by persons owning more than twenty percent (20%) of the Borrower, unless the Director of the Department determines in writing that it is in the best interest of the State to waive that requirement;

(K) The Loan Documents are in an amount and form, and contain such terms and provisions with respect to property insurance, repairs, alterations, payment of taxes and assessments, delinquency charges, default remedies, additional security, and other matters, adequate to protect the State's interest in ensuring repayment;

(L) Guarantors are responsible and creditworthy. Guarantors' assets have been verified and will undergo periodic review both to ensure their continuing capacity to provide performance guaranties in the amounts required to ensure repayment, and to ensure that the same assets have not been pledged or are supporting other loans or guaranties; and

(M) It is the public policy of the State of Illinois to promote and encourage the continuing economic development of Minority Owned Businesses, Female Owned Businesses, Businesses Owned by a Person with a Disability, and Veteran Owned Businesses (30 ILCS 575/2 and 30 ILCS 750/9-4.3). The Department is desirous of certifying and tracking Loans for small businesses in Low-to-Moderate Income Areas and Loans for Minority Owned Businesses, Female Owned Businesses, Businesses Owned by a Person with a Disability, and Veteran Owned Businesses. Lender agrees to cooperate with the Department's efforts to certify and separately track these kinds of Loans. Lender further agrees to cooperate with Departmental efforts at outreach to such businesses.

4. COMPENSATION TO LENDER

The Borrower shall pay interest to the Lender at the rate agreed upon between the Lender and the Borrower. The difference, if any, between the amount of interest paid by the Borrower to the Lender with respect to the Participation Amount and the amount of such interest paid by the Lender to the Department may be retained by the Lender with the consent of the Department. All application fees collected by the Lender, with respect to the Loan, may be retained in their entirety by the Lender.

5. OWNERSHIP INTEREST IN PARTICIPATION LOAN, LOAN DOCUMENTS AND RECORDS, LIENS, SECURITY, GUARANTIES, AND OTHER COLLATERAL

5.1 The Department's Undivided Interest. Upon the Department's purchase of a Participation in a Loan, and pursuant to the provisions of Section 2, the Department shall, without the necessity of any

written instrument of assignment or other document, become vested with an undivided equitable ownership interest (proportional to such Participation from time to time) in: (i) the Loan; (ii) the Loan Documents; and (iii) any other rights and claims of the Lender with respect to the Loan. If the Lender acquires any security interests or liens granted by any of the Loan Documents, the Department shall have an undivided interest in such security interest or lien equal to its Participation in the Loan, notwithstanding the fact that the security interest or lien is in the name of, and/or possession is maintained by, the Lender.

5.2 The Lender as Trustee. All Loan Documents and the rights conveyed by them executed and delivered in connection with the Loan shall be held by the Lender in trust for the pro rata benefit of the Lender and the Department. The Lender is authorized to retain the Note and the Loan Documents in the Lender's name and to deal with parties other than the Department as though the Lender were an absolute owner of the Loan and the Loan Documents. Any person, firm or corporation may deal with the Lender concerning the Loan in the same manner as if the Participation was not outstanding and the Lender was the sole owner of the Loan, as limited by Section 6.5, 6.6, and 6.7 of this Agreement. The Lender may perform any of its obligations hereunder by or through its agents, employees or attorneys.

5.3 Limits of the Department's Interest. Although the Lender holds for the Department's proportional benefit all collateral securing performance and payment of a Borrower's obligations and liabilities under and in connection with any Loan, the Department shall have no interest in any other property taken as security for any other credit, loan or financial accommodation made or furnished to the Borrower by the Lender in which the Department has no Participation. This shall include any property now or hereafter in the Lender's possession or under the Lender's control or in any deposit held that may be or may become security for performance or payment of a Borrower's or guarantor's obligations and liabilities under and in connection with other indebtedness owing to Lender by reason of the general description contained in any other instrument held by the Lender or by reason of any right of setoff, counterclaim, banker's lien or otherwise; provided, however, if such property, deposit, indebtedness or the proceeds thereof shall be applied to the payment or reduction of principal, interest, fees or any other amounts owing by a Borrower or guarantor in connection with a Loan, then the Department shall be entitled to its pro rata share of such payment.

6. COLLECTIONS, DISBURSEMENTS AND ADMINISTRATION

6.1 Collection and Transfer of Payments.

(A) The Lender, as servicer of the Loan, shall be obligated to collect, as the Department's trustee with respect to the Department's pro rata share thereof, all payments of interest and principal due and payable on the Loan, together with any charges, fees, costs, expenses and any and all other amounts due on or in connection with the Loan Documents, including without limitation all Servicing Expenses incurred by Lender. If the Lender receives, collects or applies in full an interest payment with respect to a Loan, the Lender will remit to the Department interest on the Participation Amount at a rate equal to the Department Rate. If the Lender receives, collects or applies only a partial payment of interest with respect to a Loan, the Lender will remit to the Department interest on the Participation Amount of such Loan at a rate equal to the amount due the Department under the preceding sentence multiplied by a fraction, the numerator of which is the amount of interest then received, collected or applied by the Lender from the Borrower and the denominator of which is the total amount of interest then due by the Borrower to the Lender. If the Lender receives, collects or applies a principal payment or prepayment with respect to a Loan, the Lender will remit to the Department its pro rata share of such amount. Unless the Lender is otherwise entitled to apply payments as provided in Section 9 hereof, the Lender shall promptly remit the Department's share of payments on account of principal and interest to the Department within five (5) business days of receipt.

(B) Payments are to be made by check payable to the Illinois Department of Commerce and Economic Opportunity and sent to 500 East Monroe Street, Accounting Office, Springfield, Illinois 62701-1615. The Department, at its option, may arrange for electronic payments from the Lender to the Department through a Department originated ACH debit from the Lender's account. Payments via electronic transfers must be coordinated with the Department's loan servicing representative in the Department Accounting Office. A Monthly Report/Payment Distribution Summary and Transmittal (a sample of which is attached as Exhibit D) must be completed and submitted with each and every payment remitted to the Department. The Monthly Report/Payment Distribution Summary and Transmittal shall disclose information, including but not limited to, the date the Lender received payment from or on behalf of the Borrower and the manner in which the Lender apportioned said payment between the Lender and the Department. In the event that the Borrower fails to remit a scheduled payment to the Lender, the Lender, nevertheless, must submit the Monthly Report/Payment Distribution Summary and Transmittal to the Department indicating either that no payment was received or that no payment was due and owing to the Department.

(C) In the event that a payment is due only to the Lender and no corresponding pro rata payment is due to the Department, the Lender must report and document such an event to the Department by completing and submitting a Monthly Report/Payment Distribution Summary and Transmittal to the Department within five (5) business days of receipt of the Borrower's payment, regardless of whether the Lender received payments from or on behalf of the Borrower prior to the Department's funding.

6.2 Loan Servicing and Application of Payments.

(A) In its handling of the Loan and any collateral security rights under the Loan Documents, the Lender shall exercise the same care and due diligence it exercises when it processes loans and collateral security rights on its own behalf and within the covenants and requirements in Sections 6.5, 6.6, and 6.7. Except for the express warranties contained herein, the Loan and Participation shall be for the amounts specified in the Department's Approval Letter. Except as provided for in Section 18.1, a Participation or a Loan may not be transferred by the Department or the Lender, (as applicable), in whole or in part, without the written consent of the other party. It is also understood that the Lender shall have no independent responsibility for the performance of a Borrower's obligation, nor for any failure or delay in exercising any rights or powers given the Lender by the Loan Documents, beyond undertaking the same care that the Lender exercises in the making and handling of loans and credits for its own account.

(B) All security evidenced by the Loan Documents and any additional security given by a Borrower shall be held by the Lender primarily as security for the Loan and shall not be used or applied toward payment of other obligations of the Borrower to the Lender, as long as the Loan remains unpaid and as long as this Agreement remains in effect; provided however, that nothing herein shall prevent the Lender from collecting payments from the Borrower for other indebtedness, or foreclosing upon other security that is not securing a Loan covered under this Agreement, if the other loans or credits are in default, are separately stated on the books of the Lender, and the security or other collateral is segregated at all times.

(C) The Lender shall, if possible, provide the Department with advance notice of a change in the Department Rate with respect to a Loan, and shall in all cases provide such notice to the Department no later than the date on which the first payment affected by the rate change is delivered to the Department.

6.3 Lender's Late Payments to The Department:

(A) If the Lender fails to make Prompt Payment to the Department for its pro rata share of any payment the Lender receives from, or on behalf of, the Borrower with respect to a Loan, the Lender shall pay the Department a late fee and/or interest as described in Section 1 (Prompt Payment) of this Agreement.

(B) If all or part of any payment made to the Lender is rescinded or must otherwise be returned to a Borrower for any reason (other than the Lender's negligence or misconduct), and if the Lender has, prior thereto, paid to the Department its pro rata share of such payment, the Lender shall, after telephone notice to the Department and confirmed later in writing, subtract the appropriate portion of such rescinded or returned payment from the Department's next payment hereunder.

6.4 Application of Monies. Except as provided in Section 6.7, all monies collected or received by the Lender in connection with any Loan (other than the fees) shall be applied and distributed in the following order of priority: (i) to the payment of all Servicing Expenses (if any); (ii) to the payment of accrued and unpaid interest on the Note; and (iii) to the payment of principal on the Note. Before any distribution to the Department, with respect to any such application being made, the amount thereof shall be adjusted to the extent that any amount is owed by either party to the other, in accordance with the terms hereof.

6.5 Lender's Powers. The Department authorizes the Lender, and the Lender hereby agrees, to act as trustee for the Department subject to the limitations contained herein, including the provisions of Sections 6.2(B), 6.6 and 6.7 hereof: (i) to negotiate, control, manage and service the Loan; (ii) to enforce or to refrain from enforcing the Loan Documents; (iii) to give consents, approvals or waivers in connection with the Loan Documents; (iv) to acquire additional security for the Loan; (v) to take or refrain from taking any action and make any determination provided for herein or in the Loan Documents; and (vi) to exercise all such powers as are incidental thereto. The Lender acknowledges its status as trustee and represents that it has the power to perform the services listed in this Section. In acting under this Agreement, the Lender agrees to exercise the same degree of care in administering each Loan as it would use in managing its own loans in which no Participation has been issued. The Lender agrees that the exercise of these fiduciary responsibilities as trustee for the Department includes the full and complete pursuit of amounts owed in relation to any unpaid portion of the entire Loan until released from that responsibility in writing by the Department, while the Department retains an undivided interest in the Loan and any related Loan Documents. Further, the Lender agrees that it will take no independent action, unless agreed to in advance and in writing by the Department, that directly, or indirectly by nature of a proceeding or process, releases the Borrower or any guarantor or other responsible party or entity, in full or in partial satisfaction, from a continuing responsibility to repay the Loan and/or other applicable charges/fees in relation to debt collection activities, until all amounts due are paid in full.

6.6 Lender's Covenants with Respect to the Loans.

(A) The Lender hereby covenants with respect to each Loan that it shall not, without the Department's prior written consent or approval:

- (i) consent to or accept any cancellation, termination, revision, or settlement of any Loan Document, or agree to any transfer or termination of any instrument now or hereafter assigned to it as security for the Loan;
- (ii) release, partially or fully, any collateral given as security for the Loan or any guarantor of the Loan;
- (iii) extend the maturity date of the Loan or the date of any interest or principal payment there under;

- (iv) reduce the amount of any payment of principal or the applicable Department Rate or the Lender Rate;
- (v) increase the maximum amount of the Loan or the obligations of the Lender or the Department pursuant to any Loan Document;
- (vi) require the acceptance of a new note evidencing the Loan, in substitution for the Note;
- (vii) waive or consent to the modification of any Loan Document that would cause the Loan to no longer be in compliance with the requirements of Section 3; or
- (viii) consent to any amendment or modification to a Loan Document that would be, in the judgment of a prudent financial manager, material to the Loan.

In the event that the Lender breaches any of the above enumerated covenants, it agrees that it shall purchase the Department's outstanding Participation as of the date of the breach.

(B) In the event that Lender seeks the Department's consent or approval for any of the matters enumerated above, the Department shall make every effort to respond to the Lender's request within twenty (20) business days after such request. Such response may be by telephone, to be confirmed in writing promptly thereafter. If the Department does not so respond, the Department shall be deemed to have rejected such request.

(C) Upon the occurrence of any default by the Borrower or guarantor under any of the Loan Documents, the Lender shall consult in good faith with the Department. Notwithstanding the foregoing, if such a default is caused by the nonpayment of principal or interest, by the bankruptcy of the Borrower or a guarantor, or by the occurrence of an event that would have a material adverse effect on the repayment of the Loan or the collateral securing the Loan (in the Lender's reasonable judgment), the Lender shall not waive such default without the written consent of the Department. If, at any time during the continued occurrence of such a default, the Department informs the Lender of its desire that the Lender commence foreclosure proceedings under the terms of the Loan Documents, the Lender shall either commence such proceedings or purchase the Department's Participation in accordance with Section 7 hereof.

6.7 Subordination after Default. The Lender and the Department may agree to the subordination of amounts (both principal and interest) owed to the Department under certain circumstances. Such subordination shall be effective only if noted on both the relevant Department Approval Letter and Participation Certificate. If the Lender and the Department so agree, the amounts owed by the Lender to the Department with respect to a Participation shall be subordinated to amounts owed by the Borrower to the Lender from and after the occurrence of all of the following events: (i) the occurrence of any default under any of the applicable Loan Documents; (ii) notice thereof to the Department; (iii) acceleration of the applicable Loan; and (iv) commencement and continuation of foreclosure proceedings and other collection efforts, which shall include enforcing all guaranties with respect thereto.

However, in any foreclosure proceeding where the Lender is the successful bidder at the foreclosure sale and the sale results in a loss to either the Lender and/or the Department, and the Lender subsequently sells the foreclosed property within twelve (12) months thereafter for a gain or profit, the Lender is obligated to remit a pro rata share of said gain or profit equal to the Department Participation Amount within thirty (30) calendar days thereafter. This also applies to any situation where the Lender takes judicial or non-judicial ownership of collateral assets for subsequent disposition.

Breach of any of the Covenants or requirements specified in Sections 6.5, 6.6, or 6.7 renders all subordination null and void as of the date of the breach. Unless a new subordination agreement is executed in writing by the Lender and the Department, any amounts recovered upon the Borrower's default are to be distributed on a pro rata basis equal to the Department Participation Amount, plus recovered interest and fees if any.

6.8 Retention of Counsel. In the event of actual or threatened litigation affecting a Loan or the security for such Loan, and if the Lender is of the opinion that the services of an attorney should be retained to protect those interests, the Lender may, following ten (10) business days' prior written notice to the Department (unless, in the judgment of the Lender, immediate action is required, whereupon any reasonable form of notice to the Department shall be acceptable), retain counsel to represent the Lender. The Lender shall seek to cause the Borrower to pay the reasonable fees and expenses of such counsel in accordance with the terms and conditions of the Loan Documents, but if the Borrower fails to pay such fees and expenses, then the Lender shall pay all reasonable costs thereof as Servicing Expenses. The Department shall not have any right in connection with such litigation to retain other counsel, except at the sole cost and expense of the Department.

7. REPURCHASE BY LENDER OF THE PARTICIPATION

7.1 Repurchase by Lender. At any time during which the Loan is outstanding, the Lender shall have the unconditional right, within its sole and exclusive discretion, to repurchase the Participation in the Loan, upon written notice to the Department.

7.2 Price Payable by the Lender. The purchase price to be paid by the Lender to the Department under Sections 6.6(C) and 7.1 hereof shall be an amount equal to the Participation Amount, together with any accrued interest thereon and fees (if any).

7.3 Consummation of Repurchase. Any such repurchase shall occur on a date selected by the Lender, which date shall be no later than (a) ten (10) business days after the giving of written notice by the Lender of the exercise of its option to repurchase, or (b) twenty-five (25) business days after a request by the Department that the Lender begin foreclosure proceedings. The purchase price paid by the Lender to the Department shall be paid on such date in immediately available funds, and concurrently therewith the Department shall execute, and deliver to the Lender, document(s) reassigning to the Lender the Participation, without recourse, covenant or warranty, express or implied (except that the Department shall warrant its ownership of the Participation, the amount of indebtedness outstanding thereunder and its authority and capacity to execute such documents).

8. LENDER'S RIGHT OF OFFSET

To the extent that at any time a Borrower, guarantor or any other party makes any payment under the relevant Loan Documents to the Lender by exercise of a right of offset of any kind, including any right applying to deposits, accounts, monies or other property of such Borrower or guarantor deposited at or held by the Lender (but excluding any property securing the Loan pursuant to the Loan Documents), such payments shall be applied to reduce the Loan. Immediately thereafter, the Borrower's outstanding balance shall be automatically readjusted to reflect such payment, and the Lender shall purchase from the Department as much of the Participation Amount so as to return the Lender's and the Department's respective interests to the percentages existing prior to the offset.

9. SUBORDINATION OF THE DEPARTMENT'S PARTICIPATION TO SERVICING EXPENSES

Subject to the terms and conditions of this Agreement, each Participation shall be subordinated in payment until such time as the Lender's Servicing Expenses (if any) with respect to the applicable Loan have been paid in full. Accordingly, and in consideration thereof, Servicing Expenses shall be the sole responsibility of the Lender, and the Lender hereby indemnifies the Department for any and all liability for Servicing Expenses. In all other events, subject to the terms of this Agreement, payments made on the Participation shall be pari passu with amounts retained by the Lender with respect to the Borrower's outstanding balance, pro rata in accordance with their respective percentage interests.

Breach of any of the covenants or requirements herein or specified in Sections 6.5, 6.6, or 6.7 renders all subordination null and void as of the date of the breach. Unless a new subordination agreement is executed in writing by the Lender and the Department, any amounts recovered in connection with a Loan are to be distributed as a pro rata share equal to the Department Participation Amount plus recovered interest and fees if any.

10. BOOKKEEPING ENTRIES

The Lender will reduce, for the purpose of recording the value of its assets in its financial books and records, the value of any Loan asset by the amount of the Department's Participation Amount. The Lender shall, within ten (10) business days after a request by the Department, allow the Department to examine the Lender's books and records concerning the Loan.

11. ACKNOWLEDGEMENTS AND AGREEMENTS BY THE PARTIES

The Department and the Lender acknowledge and agree with respect to each Loan that:

(A) The Lender is expected to exercise due diligence in determining (i) the accuracy of any statement, warranty, representation or certification made by the Borrower and/or any guarantors in, or in connection with, any document relevant to the Loan, and (ii) the financial condition of the Borrower and any guarantor with respect to the Loan or the performance or observance of any obligations by the Borrower or any guarantor with respect to the Loan.

(B) The sale of a Participation does not constitute the sale of a "security" under or as defined in the Securities Act of 1933 and the Securities Exchange Act of 1934.

(C) The relationship between the Lender and the Department is and shall be that of a seller and purchaser of a property interest and not a debtor-creditor relationship. This Agreement is not intended to constitute, nor shall it be construed to establish, a partnership or joint venture between the Lender and the Department.

(D) The Department is relying upon the Lender to undertake, on behalf of the Department, the review and approval of the credit, collateral valuation, security documentation and determination of eligibility of the Borrower.

12. NOTICE OF EVENTS OF DEFAULT

Upon the occurrence of a default or an Event of Default (as defined in the Loan Documents) or upon default in the payment of any principal of, or interest on, the Note or in the observance of the performance

of any of the terms, covenants and conditions of any of the Loan Documents, the Lender shall, within ten (10) business days thereafter, notify the Department in writing of the existence and nature of the default.

13. INFORMATION

The Lender shall promptly furnish to the Department an executed copy of the Loan Documents and copies of all such documents pertaining to the Loan, including, without limitation, periodic financial information required to be delivered to the Lender which the Lender has in its possession from time to time.

14. LENDER REPORTS

Upon execution of this Agreement, the Lender shall prepare and deliver to the Department samples of all Loan Documents and a Lender report containing such information regarding the Lender as the Department shall request, and any other documentation as determined necessary by the Department or as otherwise identified in this Agreement.

15. OTHER TRANSACTIONS BETWEEN THE LENDER AND THE BORROWER

The Lender and its affiliates may accept deposits from, lend money to, extend other financial accommodations to, or for the benefit of, any Borrower, and may act as trustee under the indentures for, and generally engage in, any kind of business with any Borrower, any person who may do business with any Borrower, or any affiliate of any Borrower.

16. CONFIDENTIALITY

Except as may be required by law, including under the Freedom of Information Act, the Department will endeavor to maintain the confidentiality of all information furnished to the Department hereunder or in connection with any document relative to a Loan, except that the Department will have no obligation of confidentiality with respect to information that may be generally available to the public, or becomes generally available to the public through no fault of the Department. The sharing of information with or providing of information to another agency or authority of the State of Illinois by the Department shall not be deemed to violate this undertaking, provided that such agency or authority shall remain bound by the confidentiality provisions contained herein. The Department shall be authorized to publicize information regarding its interest in a Loan in which it has purchased a Participation, including, without limitation, information related to the name of the Borrower, the name of the Lender, the amount of the Loan and the amount of the Department Participation in the Loan. At times, the Department may request social security numbers or other personal identifying information. Federal and state laws, rules and regulations require the collection of this information for certain purposes relating to employment and/or payments for goods and services, including, but not limited to, grants. The Department also collects confidential information for oversight and monitoring purposes. Furnishing personal identity information, such as social security number, is voluntary; however, failure to provide required personal identity information may prevent an individual or organization from using the services/benefits provided by the Department as a result of state or federal laws, rules and regulations.

17. TERM OF AGREEMENT

This Agreement shall terminate on June 30, 2022; provided, however, that it shall remain effective and its terms and conditions shall remain applicable to any Participation purchased during the time it was effective. If at any time the Department terminates the Program or wishes to discontinue accepting applications from Lender, the Department shall use its best efforts to provide Lender with at least thirty

(30) days' notice of the Program termination date or the date certain after which the Lender may not submit additional applications.

18. MISCELLANEOUS

18.1 Assignment. Neither the Department nor the Lender may, without the prior written consent of the other party, transfer or assign all or any portion of its rights and obligations hereunder, except that the Department may affect such a transfer or assignment to another agency or authority of the State of Illinois.

18.4 Applicable Law. This Agreement shall be deemed a contract made under, and governed by, the laws of the State of Illinois, without regard to conflict of laws principles.

18.5 Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under such law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

18.6 Amendments, Changes, and Modifications. This Agreement may be amended, changed, modified or altered, including but not limited to, modifying the term of Agreement under Section 17, only by written agreement signed by the Lender and the Department (or their successors or assignees).

18.7 Entire Agreement. No representation, promise, inducement or statement of intent has been made by either party that is not embodied in this Agreement, and neither party shall be bound by or liable for any alleged representation, promise, inducement or statement of intention not expressly set forth herein. 18.9 Conflict of Interest. No director, officer or employee of the Lender shall participate in any decision relating to any Borrower's business that affects the director's, officer's or employee's personal interest or the interests of any corporation, partnership or association in which the director, officer or employee is directly interested. In extending credit to directors, officers or employees, not otherwise prohibited by this Agreement or federal law, the Lender is required to follow credit underwriting procedures that are as stringent as those applicable to comparable transactions by the Lender with persons that are not officers or employees of the Lender, not involving more than a normal risk of repayment.

18.10 Records Retention. The Lender agrees to maintain, for a minimum of five (5) years after the repayment, repurchase or other termination of the Department's Participation, adequate books, records, and supporting documents to verify the amounts, recipients, and uses of all disbursements of funds passing in conjunction with the Loan and Loan Documents. The Lender agrees that all books, records, and supporting documents related to the Loan and the Loan Documents shall be available for review and audit by the Illinois Auditor General and the Illinois Attorney General, and agrees to cooperate fully with any audit and to provide full access to all relevant materials. Failure to maintain the books, records, and supporting documents required by this Section shall establish a presumption in favor of the Department for the recovery of any amounts paid by the Department pursuant to the Participation for which adequate books, records, and supporting documentation are not available to support their purported disbursement.

Borrower is required to tender a copy of any such installment payment agreement to the Department.
