Illinois Environmental Services Directory

The Illinois Department of Commerce and Economic Opportunity makes no attempt to qualify providers in the directory and inclusion in the directory does not in any way serve as an endorsement or guarantee of any company or service. The Environmental Services Directory is not a comprehensive listing and only contains those companies who have voluntarily listed themselves with the program.

PAGE INTENTIONALLY LEFT BLANK

Illinois Department of Commerce & Economic Opportunity

OFFICE OF ENTREPRENEURSHIP,
INNOVATION & TECHNOLOGY

The Illinois Small Business Environmental Assistance Program, housed at the Illinois Department of Commerce and Economic Opportunity, is mandated under the Clean Air Act Amendments and provides services to assist small businesses in understanding and complying with applicable environmental requirements.

In effort to aid our small business clients, the program provides a directory of providers of environmental services/consulting in Illinois.

Environmental service providers list themselves with the Small Business Environmental Assistance Program indicating their areas of expertise or services provided. The Illinois Department of Commerce and Economic Opportunity makes no attempt to qualify providers in the directory and inclusion in the directory does not in any way serve as an endorsement or guarantee of any company or service. The Environmental Services Directory is not a comprehensive listing and only contains those companies who have voluntarily listed themselves with the program.

If you are an environmental service provider and wish to have your company included in the next directory complete the Environmental Services Application online by visiting:
<https://www.illinois.gov/dceo/SmallBizAssistance/EnvironmentalAssistanceProgram/Pages/Environmental-Services-ASpplication.aspx>

For more information about the Illinois Small Business Environmental Assistance Program or the Illinois Environmental Services Directory, contact us at:

Helpline: 800.252.3998

Email: DCEO.SBEAP@illinois.gov

Program Website: www.ildceo.net/enviro

Tip:

The Environmental Services Directory is available in adobe pdf at www.ildceo.net/enviro when opened in adobe acrobat reader the directory may be searched using the find function. You can find more directions on how to use this function in the appendix at the end of the directory.

Environmental Service Categories

Environmental Services and Assessments

- Phase I and Phase II Environmental Site Assessments
- Environmental Compliance Audits and PSAs
- Site Characterization
- Environmental Impact Studies
- Environmental Toxicology Studies
- Wetland Delineation & Mitigation Services
- Environmental Sampling and Data Analysis/Management & Reporting
- Air Pollution Control Planning/Permitting Services — State
- Air Pollution Control Planning/Permitting Services — Title V
- Air Pollution Control Monitoring & Regulatory Compliance Services
- Air Pollution Control Engineering
- Implementation and Management of Site Remediation Programs (SRP)
- Pollution Prevention Plans and Spill Prevention Control & Countermeasure Plans
- Human Health & Ecological Risk Assessments and Reports
- Environmental Justice/Community Outreach
- Environmental Planning/Permitting
- Environmental Compliance Consulting
- Industrial Hygiene Services
- Emergency Response
- Right-to-Know Compliance Consulting
- Waste Characterization Services
- Post-Closure Care-Related Services
- Risk Management Planning
- Lead and Lead Paint Abatement
- Asbestos Abatement

Solid Waste Services

- Facility Siting Application Preparation & Hearing Assistance
- Facility Siting Application Review
- Facility Permitting
- Solid/Hazardous/Toxic Waste Management & Consulting
- Nuclear/Radioactive Waste Management Planning, Permitting & Compliance Services
- Leachate System Design & Permitting
- Gas Collection System Design & Permitting
- Closure/Post-Closure Care Plan Preparation
- Medical Waste-Related Services
- Special Waste Evaluation
- Contingency Plan Preparation
- Facility Waste Audits
- Waste Minimization/Recycling
- Solid Waste Regulatory Compliance

Environmental Service Categories

Remediation Services

- Remedial Investigations/Feasibility Studies
- RCRA/CERCLA Related Services
- Corrective Action Planning & Implementation
- Dry Cleaning Site Remediation
- Underground Storage Tank & Leaking Underground Storage Tank Management
- Above Ground Storage Tank Investigation & Remediation Services
- Remedial System Investigations & Design
- Radioactive Material Remediation Planning
- Groundwater Remediation Program Services
- Brownfield Site Feasibility Studies, Planning & Implementation
- Risk Assessment and Modeling
- Soil Contamination Studies/Remediation

Water and Wastewater Services

- Pump Station Design & Permitting
- Sanitary Engineering
- Industrial Wastewater Treatment Facility Design & Permitting
- Sewage Collection, Treatment & Disposal Design & Permitting
- Water Treatment and Distribution System Design & Permitting
- NPDES Permitting
- Water & Wastewater Regulatory Compliance

Water Resources Engineering and Hydrology

- Storm water Drainage Design & Permitting
- Detention Pond Design & Permitting
- Earthen Dam, Dike & Levee Inspection, Design & Permitting
- Dredging Studies & Design
- Hydrology Studies
- Erosion Control Investigations & Plans
- Flood Control Studies & Design
- Sediment Control & Analysis
- Water Supply Exploration and Permitting
- Runoff and Erosion Control/Storm Water Management

Geological and Hydrogeological Services

- Subsurface Investigations, Studies & Reporting
- Groundwater Monitoring Plan Design
- Contaminant Fate and Transport Computer Modeling
- Groundwater Risk Assessment
- Geophysical Remote Sensing and Site Investigation Services
- Seismic Designs, Soundings and Studies

Environmental Service Categories

Geological and Hydrogeological Services

- Karst Investigations
- Soil/Rock Boring Program Planning & Development
- Borehole Logging and Oversight
- Magnetic and Microgravity Surveys
- Groundwater Monitoring Well Installation Oversight
- Gas Monitoring Probe Installation/ Oversight/Sampling/Protection
- Soil Studies/Boring and Sampling
- Geographic Information Systems
- Land-Use Planning
- Aquifer Evaluations and Pump Tests
- Groundwater Modeling
- Groundwater Contamination Studies

Analytical Laboratory Services

- Water/Waste Water Testing
- Asbestos Sampling/Testing
- Air Emission Testing/Analysis
- Solid/Hazardous/Toxic Waste Analysis
- Soil Sample Analysis
- Radon Testing
- Mold Testing
- Lead Testing
- Indoor Air Pollution Testing/Analysis

Land Surveying Services

- Land Surveying

Other

- OSHA Compliance Audits
- Educational Services/Training/Certification
- ISO Certification

Appendix

Options on How to use the Find Toolbar/Search Window in the PDF

By using the Find toolbar, individuals can complete simple searches in PDF documents to find specific key terms. There are several ways to navigate to the Find Toolbar. The options below provide directions on two ways to navigate to the Find Toolbar.

Option 1: Find Toolbar

Step 1. Open the Find Toolbar by choosing “Edit” and then “Find (Ctrl+F).”

A find box field will appear.

Appendix

Step 2. Type the text you want to search for in the text box on the Find toolbar and press the “Enter” key on the keyboard.

Option 2: Find Toolbar

Step 1. Open the Find Toolbar by clicking on the magnifying glass.

A find box field will appear.

Step 2. Type the text you want to search for in the text box on the Find toolbar and press the “Enter” key on the keyboard.
