SUBJECT: 2019 DCFS Scholarship Application Process

Thank you for your interest in the Department of Children and Family Services (DCFS) Scholarship Program. Enclosed you will find the application you need to apply for this merit-based scholarship. Please note that even if you are currently enrolled in college we still need a copy of your high school transcript, as well as, verification of your ACT/SAT scores, in addition to your college transcripts.

DCFS awards a minimum of 53 scholarships annually. The scholarship package includes a full tuition and mandatory fee waiver to a state-supported public school in Illinois (in-district community college or state university), a monthly grant payment, and a medical card. Last year there were approximately 200 applicants. For that reason, we strongly urge you to consider other forms of financial assistance for college. If you have not already completed the Free Application for Federal Student Assistance (FAFSA) at www.fafsa.ed.gov you should do so as soon as possible. It is through that application process that you are able to get grant assistance, such as the Illinois MAP grant and/or the federal Pell grant. You are also encouraged to explore websites, such as www.ISAC.org, www.fastweb.com, www.whatsnextillinois.org, www.studentaid.ed.gov, www.scholarshipamerica.org, www.nces.ed.gov/collegenavigator or www.fc2success.org where you may find other scholarship or grant programs for which you can apply.

We would also like to offer a few helpful hints as you complete your scholarship application packet:

1. Be sure to proofread your personal essay. There are some things that “spell-check” just will not catch, so be sure to proofread it yourself, and ask someone else to do the same. The essay should emphasize your perseverance to excel, obstacles you have overcome, and how you will use this scholarship to its fullest benefit to successfully earn a post-secondary degree.

2. Your three letters of recommendation should come from individuals who know you well, and can provide a brief description of your personal strengths, academic abilities and/or work performance.

3. Your complete application packet must be postmarked by 5:00 pm on March 31, 2019. Make sure you are using the most current version of the application, marked “Rev 1/2019” in the upper left-hand corner. The packet must include the completed application (be sure to sign it), your personal essay, high school transcript, college transcript (if applicable), verification of your ACT or SAT scores, and three letters of recommendation. If any of these items are missing, your application will not be scored and will be returned to you.
