About the Illinois Department of Children and Family Services (DCFS) Founded in 1964, DCFS is responsible for protecting children from abuse or neglect by responding to calls received on the Child Abuse Hotline, 1-800-25-ABUSE (1-800-252-2873). With the goal of keeping children safe, DCFS strengthens and supports families with a wide range of services. When keeping a child safe means removing them from the home, DCFS makes every effort to reunite them with their family. When the best interest of the child makes this impossible, DCFS is committed to pursuing adoption by loving families to provide children with a safe and permanent home. DCFS is also responsible for licensing and monitoring of all Illinois child welfare agencies.
