

FIRE EVACUATION PLAN

Rule 402.8(j) The foster home shall have fire and emergency evacuation plans that are to be discussed and rehearsed quarterly with the children.

1) In case of a fire, what are the planned exit doors and windows of escape in your foster home?

2) Who are the individuals designated to make sure these children exit the foster home in a safe manner?

3) If you reside in a two story home and your foster child(ren)'s bedrooms are on the upper level what are the means of escape in case the children cannot exit down the stairs?

4) Where is the safe location outside your home where every family member is supposed to meet and be accounted for?

5) What is your procedure for making sure everyone is aware of the evacuation plan for your home?

6) How will you document the practicing of your quarterly evacuation plan?

7) How often do you check smoke alarms in your home to ensure they are in working order?

8) Have you completed **CFS 585, Documentation of Inspection of Smoke Detector in Foster or Relative Caregiver Home?** If so, when?

This evacuation plan is for residence located at:
