CALL TO ORDER

Janet Ahern called the meeting to order at 2:05 p.m. A quorum was present.

FOLLOW UP

Tracy Fehrenbach. *Complex Trauma Exposure and Mental Health Diagnosis in Child Welfare Involved Youth.*

Questions raised by the board were addressed by the reseracher.

Research is fine, points of clarity were needed regarding the definitions of trauma. Based on CANS scres was enough information.

Answers didn't respond to the question around mis-diagnosis. Hypothesis does not appear to be this. Don't want this conclusion to be drawn.

MOTION: Tammy Fuller motioned to approve the proposal.

Robin Albritton seconded the proposed motion and a unanimous vote from the remaining board members carried the motion.

NEW PROPOSALS

Amy Dworsky. *NYTD Support -- Amendment.*

Adding survey of workers who are collecting the database data. Get more workers to respond to survey and randomly select people to interview.

Survey is very short/brief survey. No problem with it.

MOTION: Tammy Fuller motioned to approve the proposal.

Arricka Newingham seconded the proposed motion and a unanimous vote from the remaining board members carried the motion.
