

# NO COST Drive-thru COVID-19 Testing

Walgreens is working with the US Department of Health and Human Services to offer drive-thru COVID-19 testing at certain locations. In the Western Cook County suburbs and Northwest Chicago, there is testing location near you:

**Walgreens**  
**1606 N Mobile Ave**  
**Chicago, IL 60639**

**Testing Available:**  
**9am-5pm; 7 days a week**

## How it works & *How Access to Care can help*

- 1) If you are age 18 and older without symptoms, complete a quick online assessment at [Walgreens.com/COVID19Testing](https://Walgreens.com/COVID19Testing). *Call the Access to Care Resource Desk at 708-531-0680 and our bilingual staff will fill out the assessment for you. The assessment is only available online and in English.*
- 2) If you are eligible, *Access to Care will help you choose a date and time for your COVID-19 testing appointment.*
- 3) At the testing location, remain in your vehicle with the window rolled up.
- 4) Walgreens staff will instruct you on how you will be using the nasal swab to perform the test. If you do not speak English, it is recommended that you bring someone with you to translate.
- 5) You will receive your test results by email or phone within a few days, from PWNHealth.

**Call the Access to Care Resource Desk at 708-531-0680. Our bilingual staff is here to help you connect to services available in your community!**
