- 1. Approve minutes from previous meeting**
- 2. Update and topics from CWAC and other Sub-committee meetings:**
 - a. CWAC retreat early this year: The updated Charter is a part of this packet, including the addition of our “Purpose” and our last meetings comments on Racial Equity and will discuss further when we receive additional information from DCFS leadership (Michelle and Pat)
 - b. From CWAC COVID meetings on Fridays: any updates?
 - c. Open floor for other DCFS meeting members have attended.
- 3. Family First (FFPSA) through the system of care principles and community impact, brief updates and EBI pilots IV-E beyond last meeting?**
- 4. Managed Care Organizations:** YouthCare updates and progress (Shawnte Alexander if on the call)
 - a. Continuity of Care Period Ending Soon (end of this month) re: out of network providers: any input, questions, concerns? (on the third page of this agenda)
 - b. Can MCOs view the IM-CANS? If not, will reimbursement continue by YC if the IM-CANS cannot be accessed and if we cannot enter our updates onto IM-CANS? (see below IM-CANS/CAN 2.0 section in #5i)

5. **Medicaid, Integrated Health Homes (IHH) and 1915i** (Kristine Herman from HFS, ICOY and CBHA)
 - i. IMCANS/CANs 2.0 issu
 1. Any updates addressing the duplication/double entering?
 2. RE: the Master client record: especially a concern for youth in care --clients who will have several providers who would be a part of delivering clinical services. There are problems with accessing the IM-CANS once a client moves under another NPI number (multiple providers), including having multiple NPIs within an agency. Confusion on how to change it: a DCFS consent process—maybe get from HFS --not clear. Once we have a consent—where does it go and how is the system opened? What if the client refuses to sign? The consent expires in 1 yr—what does means?
 3. Discuss printing issues with the IM-CANs (50 pages, cuts off parts)
 - ii. 1915i what is the impact on the child welfare system and initial feedback from the group
 - iii. Workforce group (RSA, MHP): **NB Consent Decree**
 - iv. **Family Support Program (FSP) under HFS/Medicaid and Specialized Family Support Program (SFSP) Beyond Medical Necessity**
 - v. **Mobile Crisis Response / SASS**
6. **Qualified Residential Treatment Program (QRTP)** (Deb, ICOY re: QRTP and Federal Medicaid)—reimbursement starts in March?
7. **Public Comments**
8. **Other Topics?**

Parking Lot: (topics likely not relevant for this meeting, but may be in the future)

- **NB and BH Consent Decrees**
- **Psychiatric Rehabilitative Treatment Facility (PRTF)** Discuss some differences with QRTP

2021 Meeting Schedule: Monthly, Second Tuesday of the month 1:00-2:30p

Next meeting: March 9, 2021 1:00-2:30p

YouthCare has a continuity of care period that allows families access to all current providers, both in and out of the YouthCare network, which will end on February 28, 2021.

Beginning March 1, 2021, claims for medical care with a service date of March 1, 2021 and forward, for care provided by an out-of-network provider will not be paid and will deny with an out-of-network provider denial reason code.

On or after March 1, 2021, all recommended services by a non-contracted YouthCare provider for YouthCare members will require prior authorization to be paid. Electronic prior authorization forms are located on our website at ilyouthcare.com, or by clicking [here](#). Request forms can also be faxed to 844-989-0154 for physical medicine or 833-387-3173 for behavioral health.

Providers interested in continuing to service YouthCare members on or after March 1, 2021 are strongly encouraged to contract with YouthCare. Providers can begin the contracting process by going to the YouthCare website at ilyouthcare.com/providers/join-our-network.html.
