Section 428.10 Purpose (SCAN) This Part describes a) those committees established by State law or by this Part to advise the Department and to provide a forum for exchange between government and community and to encourage long-term development and maintenance of systems of social services which are effective, efficient, and humane.

NOTE (Effective as of July 14, 2020): Update regarding Open Meetings Act:

- As part of the permission for councils to meet via videoconference and remain compliant with the Open Meetings Act, all councils/committees must also keep a verbatim recording of their meetings (record their meetings).
- All votes must now be recorded via roll call (as opposed to recording "ayes" and "nays"). Please ensure that all votes are identified via roll call for the required recording of the meeting.
