

Statewide Parents Advisory Council Meeting
4/26/2022
4:00-5:00 PM
Webex

Present: Theresa Leggins, Janelle Pulcher, Jaqueline Lenoir, Javonna Smith, Amy Chase, Michelle Grove, Cassandra Williams, Rodrigo Remolina, Dorothy Jordan, Dorothy Jordan, Hannah Gibson, Kim Willis, and Tiffany Norton. Greg Cox and Tahney Fletcher joined for a couple of minutes then left the meeting.

Introductions: All the staff and parents introduced themselves and where they are located.

Michelle Grove went over the new Data Governance to Support Equity and Racial Act and received feedback for the best possible approach in collecting this data.

Reports: Jovanna Smith gave us an update on their hybrid Partnering with Parents meeting in the Cook region with three people showing up in person and the rest via webex.

Draft Bylaws: Discussed the importance of the bylaws for this Council and we will revisit at the next meeting and discuss them more in length and make corrections if needed.

Membership Needs: We have four parents who agreed to represent their regions. Everyone agreed to have two co-chairs who share the responsibilities.

All agreed that keeping a consistent schedule of every 4th Tuesday from 3:30-5:00 would be best. We will open the meeting at 3:30 for discussion/networking for anyone that can join before the official 4:00 start time.

Next Steps: Take time out of the meeting to specifically go over each bylaw and discuss. Kim Willis is confirming if everyone on the council will have to do the mandated trainings.

Next meeting is scheduled for May 24th
